We Were Pirates A Torpedoman's Pacific War:

We Were Pirates Robert D Schultz, James Shell, 2009-09-01 A sailor's extraordinary experiences on an American submarine in the Pacific are candidly reported in this eyewitness account of war from a torpedoman's perspective Robert Hunt managed to survive twelve consecutive war patrols on the submarine USS Tambor During the course of the war Hunt was everywhere that mattered in the Pacific He stood on the bow of the Tambor as it cruised into Pearl Harbor just days after the devastation of the Japanese air raid peered through binoculars as his boat shadowed Japanese cruisers at the Battle of Midway ferried guns and supplies to American guerilla fighters in the Philippines fired torpedoes that sank vital Japanese shipping and survived a near fatal seventeen hour depth charge attack For exceptional skill and proficiency at his battle station Hunt received a commendation from Fleet Admiral Chester W Nimitz This WWII torpedoman's account of the war offers the rare perspective of an enlisted seaman that is not available in the more common officer accounts To capture and recount the progress of the Pacific War through Hunt's eyes coauthors Robert Schultz and James Shell examined the young submariner's war diary as well as crew letters photographs and captains reports and they also conducted hours of interviews Their vivid descriptions of the ways in which sailors dealt with the stress of war while at sea or on liberty show a side of the war that is rarely reported The fact that Hunt's submarine was the first of a new fleet of World War II boats and the namesake of a significant class adds further value to his remarkable story

Dive! World War II Stories of Sailors & Submarines in the Pacific (Scholastic Focus) Deborah Hopkinson, 2016-09-27 Sibert Honor author Deborah Hopkinson paints a vivid portrait of the deadly battles that raged in the Pacific during WWII and the remarkable courage of the US submarine sailors who fought them Dive World War II Stories of Sailors Submarines in the Pacific tells the incredible story of America's little known war within a war US submarine warfare during World War II Following the attack on Pearl Harbor the US entered World War II in December 1941 with only 44 Naval submarines many of them dating from the 1920s With the Pacific battleship fleet decimated after Pearl Harbor it was up to the feisty and heroic sailors aboard the US submarines to stop the Japanese invasion across the Pacific Including breakouts highlighting submarine life and unsung African American and female war heroes award winning author Deborah Hopkinson uses first person accounts archival materials official Naval documents and photographs to bring the voices and exploits of these brave service members to life

Surface and Destroy Michael Sturma, 2011-03-25 World War II submariners rarely experienced anything as exhilarating or horrifying as the surface gun attack Between the ocean floor and the rolling whitecaps above submarines patrolled a dark abyss in a fusion of silence shadows and steel firing around eleven thousand torpedoes sinking Japanese men of war and more than one thousand merchant ships But the anonymity and simplicity of the stealthy torpedo attack hid the savagery of warfare a stark difference from the brutality of the surface gun maneuver As the submarine shot through the surface of the water confined sailors scrambled through the hatches armed with large caliber guns and met the enemy face to face Surface and Destroy The

Submarine Gun War in the Pacific reveals the nature of submarine warfare in the Pacific Ocean during World War II and investigates the challenges of facing the enemy on the surface. The surface battle amplified the realities of war, bringing submariners into close contact with survivors and potential prisoners of war. As Japan's larger ships disappeared from the Pacific theater, American submarines turned their attention to smaller craft such as patrol boats, schooners, sampans, and junks. Some officers refused to attack enemy vessels of questionable value, while others attacked reluctantly and tried to minimize casualties. Michael Sturma focuses on the submariners' reactions and attitudes toward their victims, exploring the sailors' personal standards of morality and their ability to wage total war. *Surface and Destroy* is a thorough analysis of the submariner experience and the effects of surface attacks on the war in the Pacific, offering a compelling study of the battles that became intolerably personal.

The United States Navy John C. Fredriksen, 2010-07-12. Covering more than two centuries of naval history, this chronology highlights the individuals and events that shaped one of the world's greatest fighting forces, the United States Navy. *The United States Navy: A Chronology 1775 to the Present* showcases the dramatic role of the nation's warships throughout America's long history and documents the Navy's vital contributions to establishing the United States as a superpower. Beginning with the American Revolutionary War, this comprehensive work details major and minor events in the history of the U.S. Navy through Operation Iraqi Freedom and Operation Enduring Freedom in Afghanistan. The topics included in this book describe not only battles at sea but also important political and administrative changes as well as notable events in the careers of admirals and other naval leaders. Significant battles in all major wars are covered along with actions in smaller conflicts. This chronology also includes the founding of noted schools of instruction, the introduction of new classes of warships and aircraft, and significant naval texts such as Alfred Thayer Mahan's seminal *The Influence of Naval Power upon History*.

Atrocity, Deviance, and Submarine Warfare Nachman Ben-Yehuda, 2013-08-08. In the early 20th century, the diesel electric submarine made possible a new type of unrestricted naval warfare. Such brutal practices as targeting passenger cargo and hospital ships not only violated previous international agreements; they were targeted explicitly at civilians. A deviant form of warfare quickly became the norm. In *Atrocity, Deviance, and Submarine Warfare*, Nachman Ben-Yehuda recounts the evolution of submarine warfare, explains the nature of its deviance, documents its atrocities, and places these developments in the context of changing national identities and definitions of the ethical at both social and individual levels. Introducing the concept of cultural cores, he traces the changes in cultural myths, collective memory, and the understanding of unconventionality and deviance prior to the outbreak of World War I. Significant changes in cultural cores, Ben-Yehuda concludes, permitted the rise of wartime atrocities at sea.

Encyclopedia of Military Science G. Kurt Piehler, 2013-07-24. *The Encyclopedia of Military Science* provides a comprehensive ready reference on the organization, traditions, training, purpose, and functions of today's military. Entries in this four-volume work include coverage of the duties, responsibilities, and authority of military personnel and an understanding of strategies and tactics of the modern

military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events *The Silent Service's First Hero* Ryan C Walker,2024-11-30

A comprehensive microhistorical exploration of Henry Breault s life celebrating his legacy as the first submariner to receive the Congressional Medal of Honor Celebrating 100 years since the first submariner received the Congressional Medal of Honor dive into pre World War II submarine history through the first comprehensive analytical investigation into the life and times of Henry Breault From 1900 41 Breault s life is reconstructed as lived through his Official Military Personnel File census records newspaper clippings and connecting previous research Breault s childhood his enlistments in the Royal Navy Canadian Volunteer Reserve and the United States Navy are carefully reconstructed From there the conditions aboard the submarines he served on his relationship with friends and family his relationship to the women in his life and his concept of masculinity and material identity allow us to better understand his life in the context he likely understood them This book provides a new template for microhistorical observations into subjects whose primary sources are official military documentation to help better understand enlisted submariners **Fremantle's Submarines** Michael Sturma,2015-09-15

From unpromising beginnings in March 1942 the Allied submarine base at Fremantle on the west coast of Australia became a vital part of the Allied offensive against Japan Pushed back from the Philippines and the Netherlands East Indies American submariners accompanied by a small group of Dutch forces retreated to Fremantle as a last resort The location was chosen for its good harbor and the fact that it was outside the range of land based Japanese aircraft Unfortunately the base was also far from their patrol areas and supply lines and it was difficult to reinforce should the enemy attack Thanks largely to a welcoming civilian population morale quickly improved The hospitality and sense of belonging fostered by Western Australians became legendary among Allied submariners and remains central to their wartime memories Perhaps as a result of such a positive experience the Allied forces became much more successful in combat Intertwining social and military history Fremantle s Submarines relates how courage cooperation and community made Fremantle arguably the most successful military outpost of World War II from the standpoint of troop morale **Naval History** ,2015 **The**

Publishers Weekly ,2009 [Library Journal](#) ,2009 *American Literature in Transition, 1960-1970* David

Wyatt,2018-09-13 The decade of the 1960s has come to occupy a uniquely seductive place in both the popular and the historical imagination While few might disagree that it was a transformative period the United States remains divided on the question of whether the changes that occurred were for the better or for the worse Some see it as a decade when people became more free others as a time when people became more lost *American Literature in Transition 1960 1970* provides the

latest scholarship on this time of fateful turning as seen through the eyes of writers as various as Toni Morrison Gary Snyder Michael Herr Amiri Baraka Joan Didion Louis Chu John Rechy and Gwendolyn Brooks This collection of essays by twenty five scholars offers analysis and explication of the culture wars surrounding the period and explores the enduring testimonies left behind by its literature **The New York Quarterly** ,2005 Into the New World Robert Schultz,2020-10-07 In the title poem of Into the New World Robert Schultz takes the reader on a walk around the World Trade Center site shortly after its destruction In response to this event the book ranges through the extremes of war and peace as well as backwards and forwards in time searching for shards out of which to build an enabling humane perspective Schultz s voice is distinctive yet he also has fashioned poems out of the nation shaping prose of Emerson Thoreau and William James Others are spoken in the voice of a Confederate surgeon an American GI and a Khmer Rouge photographer The poems treat wars past and current the vivid presences of nature love marriage and family always seeking moments of lyric insight Such moments occur as the speaker paddles across a shimmering lake walks at night next to the black reflective wall of the Vietnam Veterans Memorial or courtesy of NASA gazes at the rocky plains of Mars Schultz writes mostly in free verse but he also adapts the music of forms ranging from the sonnet to the ghazal to Dante s terza rima In its variety and generosity Into the New World fashions poem sized meeting places that invite us to be less divided from one another less alone *Obituaries in the Performing Arts*, 2019 Harris M. Lentz III,2020-10-28 The entertainment world lost many notable talents in 2019 including television icon Doris Day iconic novelist Toni Morrison groundbreaking director John Singleton Broadway starlet Carol Channing and lovable Star Wars actor Peter Mayhew Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2019 are included in this edition Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers *Army-Navy-Air Force Register and Defense Times* ,1936 *Army and Navy Register* ,1936 **The Original Tomcat** Jackson Sellers,2004-05-24 At long last The Original Tomcat has found an everlasting home Never again will the book be out of print and unavailable to those seeking it In this respect Xlibris is superior to traditional publishers At Xlibris a book with small or modest sales is not allowed to languish and die From now on The Original Tomcat can be purchased from Xlibris com Amazon com or other Internet book services And for those who are not PC savvy the book can be ordered at brick and mortar bookstores such as Borders or Barnes the U S Navy Memorial Foundation in Washington East Carolina University in Greenville North Carolina and the Louisiana Naval War Memorial Foundation in Baton Rouge where a copy is on permanent display in the Colahan locker aboard the memorialized USS Kidd General libraries offering the book include the Springfield Greene County **We Will Stand by You** Theodore C. Mason,2013-01-15 This view of the war from the mess deck of a fleet tug is far different from those written from a flag bridge vantage A Navy radio man Ted Mason recalls his years of action in the Pacific with candor and humor offering perceptive evaluations of shipmates and exhibiting cool

skepticism toward his leaders The USS Pawnee rescued many ships during her 25 month tour of the South and Western Pacific and this story of the heroics performed by her crew makes intriguing reading The Pacific War Remembered John T. MASON, 2013-07-31 In this remarkable oral history collection thirty three participants in the turbulent epic that began with the day of infamy at Pearl Harbor and ended with the signing of the surrender documents in Tokyo Harbor tell their stories Their remembrances of heartbreak frustration heroism hope and triumph were collected over a period of twenty five years by John T Mason Their recollections reveal perspectives and facts not included in traditional works of history Each selection introduced with a preface that places it in the context of the Pacific War takes the reader behind the scenes to present the personal untold stories of naval history Included are Admiral William S Sullivan s account of the problems involved in clearing Manila Harbor of some five hundred wrecked vessels left by the departing Japanese and Admiral Thomas C Kinkaid s description of the communications breakdown at the Battle of Leyte Gulf There are also the very personal recollections of humor and horror told by the unknown actors in the war the hospital corpsman the coxswain and the machinist s mate Originally published in 1986 this volume is an unusual and lasting tribute to the ingenuity and teamwork demonstrated by America s forces in the Pacific as well as a celebration of the human spirit

We Were Pirates A Torpedomans Pacific War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free We Were Pirates A Torpedomans Pacific War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free We Were Pirates A Torpedomans Pacific War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of We Were Pirates A Torpedomans Pacific War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About We Were Pirates A Torpedomans Pacific War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. We Were Pirates A Torpedomans Pacific War is one of the best book in our library for free trial. We provide copy of We Were Pirates A Torpedomans Pacific War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with We Were Pirates A Torpedomans Pacific War. Where to download We Were Pirates A Torpedomans Pacific War online for free? Are you looking for We Were Pirates A Torpedomans Pacific War PDF? This is definitely going to save you time and cash in something you should think about.
