Gareth Pender, Hazel Faulkner

We Can Do More And Better With Less:

Less Doing, More Living Ari Meisel, 2014-04-03 Less is more or more specifically the less you have to do the more life you have to live Efficiency expert Ari Meisel details his Less Doing philosophy which will streamline your life and make everything easier In business and our personal lives it often seems as if the only way to get more done is by putting in more time more hours at the office more days running errands But what if there were a way that we could do less and free up more time for the things and people we love If this sounds like what you need Ari Meisel TEDx speaker efficiency consultant and achievement architect has the program for you In *Less Doing More Living* Meisel explores the fundamental principles of his Less Doing philosophy educating the reader on Optimizing workflow with twenty first century apps and tools Creating an external brain in the Cloud to do all of your lower thinking like keeping track of appointments meetings and ideas How to use technology to live a paper free life The three fundamentals of wellness fitness sleep and nutrition and technological approaches to improving these areas of life And so much more This book will give readers new tools and techniques for streamlining their workload being more efficient in their day to day activities and making everything in life easier Flood Risk Science and Management Gareth Pender, Hazel Faulkner, 2010-12-01 Approaches to avoid loss of life and limit disruption and damage from flooding have changed significantly in recent years Worldwide there has been a move from a strategy of flood defence to one of flood risk management Flood risk management includes flood prevention using hard defences where appropriate but also requires that society learns to live with floods and that stakeholders living in flood prone areas develop coping strategies to increase their resilience to flood impacts when these occur This change in approach represents a paradigm shift which stems from the realisation that continuing to strengthen and extend conventional flood defences is unsustainable economically environmentally and in terms of social equity Flood risk management recognises that a sustainable approach must rest on integrated measures that reduce not only the probability of flooding but also the consequences This is essential as increases in the probability of inundation are inevitable in many areas of the world due to climate change while socio economic development will lead to spiralling increases in the consequences of flooding unless land use in floodplains is carefully planned *Flood Risk Science and Management* provides an extensive and comprehensive synthesis of current research in flood management providing a multi disciplinary reference text covering a wide range of flood management topics Its targeted readership is the international research community from research students through to senior staff and flood management professionals such as engineers planners government officials and those with flood management responsibility in the public sector By using the concept of case study chapters international coverage is given to the topic ensuring a world wide relevance **The Gathering, A Womanist Church** Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all

people and all creation Experiences of the triple oppression of racism sexism and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all The Gathering is unique the only church founded and identified as womanist applying womanist theology to the full life and worship of a church The Gathering a womanist faith community in Dallas Texas welcomes all people to partner in pursuing racial equity LGBTQ equality and dismantling PMS patriarchy misogyny and sexism following Jesus in liberating the oppressed and lifting up the marginalized The Gathering A Womanist Church tells the story of the birth and ongoing development of a womanist faith community This book includes personal narratives of people transformed in this community womanist co pastors sermons informed by their experiences and those of other Black women and litanies for womanist worship *Kimball's Dairy Farmer* ,1907 **Grow More with Less** Vincent A. Simeone,2013-12-15 Horticultural expert Vincent Simeone helps you plan your green garden in this practical holistic guide With detailed strategic timelines for both short term and long term gardening techniques Grow More with Less lets you put your best foot forward in creating an efficient sustainable home landscape From composting and mulching to planting trees author Vincent Simeone covers all the eco friendly essentials in one straightforward handbook Simeone makes the what how and why of sustainable gardening unmistakably clear why we should plant for the long term how to make the best plant selections possible how to manage invasive species how to make the most of your lawn regardless of its size the importance of IPM integrated pest management in fighting insects and pests how to conserve water with proper irrigation installing rain barrels and cisterns and more Even when the solution is to do nothing for instance leaving some parts of a lawn unmowed in order to save time and money while attracting local wildlife Grow More with Less enables you to confidently make the call With effective time proven recommendations like these field tested in a large botanical garden and adapted for home use by Vincent Simeone Grow More with Less is your complete step by step personal roadmap for green gardening **More Love, Less Panic** Claude Knobler,2015-01-02 In this heartwarming and hilarious memoir Claude Knobler describes how he learned the hard way that the apple actually can fall far from the tree and that's Okay Already the biological parents of a seven year old son and a five year old daughter Claude Knobler and his wife decided to adopt Nati a five year old Ethiopian boy who seemed different from Knobler in every conceivable way After more than five years spent trying to turn his wild silly adopted African son into a quiet neurotic Jewish guy like himself Knobler realized the importance of having the courage to love accept and let go of his children In this wonderfully written memoir Knobler explains how his experiences raising Nati led him to learn a lesson that applied equally well to parenting his biological children It's essential to spend the time we are given with our children to love them and enjoy them rather than push and mold them into who we think they should be **Ontario. Canada. Department of Agriculture. Annual Report** ,1905 **State and Environment** Andreas Duit,2014-05-30 This volume of comparative studies documents the continuing relevance of the state in environmental politics and policy The book also demonstrates the analytical power of the

comparative approach to the study of environmental politics and policy offering cross national comparisons of environmental governance in both developed and developing countries Some chapters are based on qualitative studies from a small number of countries others offer statistical analyses of quantitative data from many more countries over a longer time period
