Hanna Berkenski journeys from her family's tiny apartment in the Warsaw Ghetto through an awful night spent in a cattle car with her mother and sister to the welcoming orchestra at Auschwitz where she was to be a violinist for three years. As the train arrives at Auschwitz, flowers, sunshine, and music feel like warm welcomes to her. She's been told she'll be spending the next few weeks in a work camp until her family can be reunited and relocated. Even the snowflakes bring her joy until she realizes they're not snowflakes at all but ash. Three years in hell are about to begin.

The Man Who Swore He'd Never Go Home Again David Handler, 2025-03-18 In this case from early in Stewart Hoag's career, the newly successful writer revisits his hometown to investigate the murder of a beloved librarian. Stewart Hoag always swore that he would never return to Oakmont, Connecticut, the small mill town where his family lived for generations. He certainly has no desire to interrupt his high life as the newest great American novelist to revisit the town that hates his family and will only bring back memories of his unhappy childhood. But when his childhood sweetheart phones to say that her mother, Mary McKenna, the librarian who inspired Hoag's dream to be a writer, has died, Hoag knows he has to return for her funeral. Especially when Maggie adds that her mother didn't die of natural causes. Who would want to murder a beloved mill town librarian? Determined to pay his respects to one of the few people in his hometown he truly cared for, Hoag hops in his Jaguar and heads to Oakmont with his new girlfriend, Merilee, and even newer basset hound puppy, Lulu, in tow. The town where his family's brass mill once thrived is now a toxic, lead-poisoned ghost town filled with illegal drugs, broken families, violence, bitterness, and resentment. Hoag is surprised to discover former classmate and bullying target Pete Schlosski has become the State Police Resident Trooper. But while Pete seems to have forgiven his past tormentors, he doesn't have any ideas as to which of them might be a killer. Hoag, on the other hand, has learned plenty about the art of investigation from hours spent in the library, and his four-month-old puppy shows a surprising knack for tracking down clues. Readers will be delighted to return to where it all began and experience Lulu's very first case in this charming installment of the Edgar Award-nominated Stewart Hoag series.

Something Like Autumn (gay fiction) Jay Bell, 2013-05-27 For some, a romantic relationship seems like an impossible dream. While growing up gay in small-town Missouri, Jace Holden is convinced he'll die single and alone. When he meets Victor, a free spirit and fellow outsider, his chances of finding love go from hopeless to a very uncertain maybe. The more Jace gets to know his wild boy, the more he realizes just how strange Victor truly is, preferring to camp in the woods and wax philosophical rather than live a normal life. Bracing his heart, Jace chases after his desire anyway, all in the hope of making his biggest dream come true. *Something Like Autumn* reveals the story of Jace's life before the events of *Something Like Summer*, while also revisiting his endearing relationship with Benjamin Bentley. Each *Something Like* book follows a different LGBTQ character on their quest for romance. Central to the plot is the troubled relationship between Ben and Tim, high school sweethearts who continue to meet at different stages of their adult lives, their chemistry changing with each encounter. Surrounding them is a wealth of friends and enemies, each with their own story, resulting in an immersive universe.
