Poetic Language Talia Mercer, AI, 2025-05-06 *Poetic Language* explores the art of poetry by examining the functional roles of metaphor simile and diction The book argues that these elements are not mere decorations but crucial tools that poets use to construct meaning and evoke emotion It investigates how the deliberate manipulation of these devices creates symbolic resonance profoundly impacting the reader's experience One intriguing fact is how societal shifts have influenced the application and interpretation of these techniques over time The book takes a systematic approach beginning with an introduction to core concepts and their theoretical underpinnings Subsequent chapters analyze each element individually providing detailed examples from various poetic works It then explores the relationships between these elements and other poetic devices Concluding chapters examine contemporary applications and offer guidance on analyzing and interpreting poetry This unique perspective encourages readers to move beyond surface level interpretations and engage with the deeper layers of poetic expression making it valuable for students of literature aspiring poets and anyone seeking a deeper appreciation of poetry

Beyond Death and Jail Ronald B. Neal, 2024-02-12 *Beyond Death and Jail* Anti Blackness Black Masculinity and the Demonic Imagination calls for a complete reassessment and overhaul of ethical political and religious thinking with respect to anti Blackness and Black masculinity in the United States In light of the prison industrial complex and a decade of homicide 2012 2022 of Black men and Black boys which spawned the Movement for Black Lives Ronald B Neal calls attention to a crisis of imagination on the part of elite social activists and intellectuals Neal questions more than four decades of academic theory concerned with justice which has and continues to inform the most popular expressions of Black American activism Readers are asked to grapple with the dilemmas which plague Black men and Black boys as a starting point for a reinvigorated imagination including new theories of justice and new paradigms of action Neal contends that we can do better in those efforts that seek to engage and overcome anti Blackness in the United States

Rhyme's Rooms Brad Leithauser, 2024-03-26 From the widely acclaimed poet novelist critic and scholar a lucid and edifying exploration of the building blocks of poetry and how they've been used over the centuries to assemble the most imperishable poems We treasure our greatest poetry Brad Leithauser reminds us in these pages not for its what but its how In chapters on everything from iambic pentameter to how stanzas are put together to rhyme and the way we really talk

Leithauser takes a deep dive into the architecture of poetry He explains how meter and rhyme work in fruitful opposition how the weirdnesses of spelling in English are a boon to the poet why an off rhyme will often succeed where a perfect rhyme would not why Shakespeare and Frost can sound so similar despite the centuries separating them And Leithauser is just as likely to invoke Cole Porter Stephen Sondheim or Boz Scaggs as he is Chaucer or Milton Bishop or Swenson providing enlightening play by plays of their memorable lines Here is both an indispensable learning tool and a delightful journey into the art of the poem a chance for new poets and readers of poetry to grasp the fundamentals and for experienced poets and readers to rediscover excellent works in all their fascinating detail

Teaching Reading to Black Adolescent Males

Alfred W. Tatum, 2023-10-10 The racial achievement gap in literacy is one of the most difficult issues in education today and nowhere does it manifest itself more perniciously than in the case of black adolescent males Approaching the problem from the inside author Alfred Tatum brings together his various experiences as a black male student middle school teacher working with struggling black male readers reading specialist in an urban elementary school and staff developer in classrooms across the nation His book Teaching Reading to Black Adolescent Males Closing the Achievement Gap addresses the adolescent shift black males face and the societal experiences unique to them that can hinder academic progress With an authentic and honest voice Tatum bridges the connections among theory instruction and professional development to create a roadmap for better literacy achievement He presents practical suggestions for providing reading strategy instruction and assessment that is explicit meaningful and culturally responsive as well as guidelines for selecting and discussing nonfiction and fiction texts with black males The author's first hand insights provide middle school and high school teachers reading specialists and administrators with new perspectives to help schools move collectively toward the essential goal of literacy achievement for all

How to Play a Poem

Don Bialostosky, 2017-07-17 Approaching poems as utterances designed and packaged for pleasurable reanimation How to Play a Poem leads readers through a course that uses our common experience of language to bring poems to life It mobilizes the speech genres we acquire in our everyday exchanges to identify signs of life in poetic texts that can guide our co creation of tone How to Play a Poem draws on ideas from the Bakhtin School usually associated with fiction rather than poetry to construct a user friendly practice of close reading as an alternative to the New Critical formalism that still shapes much of teaching and alienates many readers It sets aside stock questions about connotation and symbolism to guide the playing out of dynamic relations among the human parties to poetic utterances as we would play a dramatic script or musical score How to Play a Poem addresses critics ready to abandon New Criticism teachers eager to rethink poetry readers eager to enjoy it and students willing to give it a chance inviting them to discover a lively and enlivening way to animate familiar and unfamiliar poems
