Oriental Rugs George W. O'Bannon, 1994-10. An essential reference work for all oriental rug scholars, collectors, dealers, and Islamic art historians. This is the first comprehensive bibliography written in English on the oriental rug and carpet literature, beginning with the first publication on oriental rugs in 1877 and including all known publications in any language published through 1992. O'Bannon has attempted to identify all single publications, including reprints of articles from journals and periodicals on this topic. 2,875 separate entries in all. The bibliography is divided into three major categories: Carpets, Islamic Arts and Textiles, and Maintenance, Care, and Related Books, with general and geographic subdivisions. Numbered for easy reference, entries are listed alphabetically by author and include standard bibliographic information and brief annotations. Miracle Man of the Western Front Hagop Martin Deranian, 2007. In the intense fighting that marked World War I in Europe, an Armenian American volunteer dentist quickly became known for his skill in treating the disfiguring facial injuries suffered by large numbers of British soldiers. Working originally under primitive conditions in makeshift hospitals near the battlefields of France, Varaztad H. Kazanjian exhibited a humane concern combined with innovative medical procedures that established his reputation and marked his subsequent career as a founder of the modern practice of plastic surgery. In recognition of his war service, Dr. Kazanjian became known as the miracle man of the Western Front and was

invested by England's King George V in the most distinguished Order of St Michael and St George. Other honors followed as Dr. Kazanjian returned to the United States where he continued his education and went on to a brilliant career as a surgeon, teacher at Harvard, and author of scientific articles. This biography traces the many influences that contributed to the remarkable success of the young man who fled from massacres in Ottoman Armenia to the United States in 1895. From modest beginnings in Worcester, Massachusetts, Kazanjian managed to enter Harvard Dental School. He went on to serve in World War I, earn a medical degree, and make remarkable advances in plastic surgery. He is remembered not only for his medical innovations and accomplishments but also as a kind and modest person, the gentle genius of plastic surgery. Adapted from book jacket.
