Financial Tutorial:First Aid Solutions To Money Problems Davidson C. Okoko & Chidozie C. Okoko,2011-08-25 Is trading stocks bonds commodities real estate a form of investing Precisely is trading a security a form of investing This book strives to let you answer this question Not only that it actually takes you through the rudimentary processes of trading them It attempts to resolve the ambiguities surrounding trading and investing which discourages people from engaging in the act It uses practical examples to show you how the money market and the capital markets can work to your advantage The term day trading is seen as precarious But is it really What if there were terms like week trading month trading or even year trading or more so decade trading Then seemly precarious nature of trading will be removed As a result the definitions of trading and investing begin to converge Investing is the act of committing resources especially money to a venture to generate profits The time element of investing can be as short as nano seconds or as long as centuries or millenniums Going by this the infinitesimal timeline in trading securities should not make that venture any less than investing So trading as this book considers transcends daily or hourly momentum it also delves into far longer periods decades and centuries Whenever an investment product is bought and sold it had been essentially traded irrespective of the time lapse

The Politics of Ponzi Schemes Marie Springer,2020-12-30 In the space of three years from 2009 to 2012 Bernie Madoff Tom Petters and R Allen Stanford were all convicted for running multi billion dollar Ponzi schemes These three schemes alone have had the largest financial take in U S history But what role does the economy and legislation play in the occurrences of Ponzi schemes What is the nature of Ponzi schemes and what are their tools and mechanisms What can we know about Ponzi perpetrators Unraveling the answers to these questions and many more Marie Springer provides the first representative portrait of Ponzi

schemes their perpetrators and their victims Adopting a multidisciplinary approach she begins by presenting an overview of different types of Ponzi schemes She later explores perpetrators and victims of Ponzi schemes followed by a close examination of economic trends regulatory changes and the financial relationship with Ponzi schemes Other key features include A non technical overview of both offender based and offense based approaches of studying this form of fraud Examples of Ponzi schemes and Ponzi schemers A wealth of descriptive statistics on known federal cases from the 1960s until the present to quantify this specific form of fraud Broadening our understanding of Ponzi schemes as a form of white collar crime The Politics of Ponzi Schemes provides an excellent foundation for students and practitioners of public administration banking as well as investors finance and accounting law enforcement officers legislators and regulators
