Scratching the Surface Harvey Ovshinsky, 2021-03-09 The inspiring story of one of Detroit's most creative and prolific storytellers *Scratching the Surface* Adventures in Storytelling is a deeply personal and intimate memoir told through the lens of Harvey Ovshinsky's lifetime of adventures as an urban enthusiast He was only seventeen when he started *The Fifth Estate* one of the country's oldest underground newspapers Five years later he became one of the country's youngest news directors in commercial radio at WABX FM Detroit's notorious progressive rock station Both jobs placed Ovshinsky directly in the bullseye of the nation's tumultuous counterculture of the 1960s and 70s When he became a documentary director Ovshinsky's dispatches from his hometown were awarded broadcasting's highest honors including a national Emmy a Peabody and the American Film Institute's Robert M Bennett Award for Excellence But this memoir is more than a boastful trip down memory lane It also doubles as a survival guide and an instruction manual that speaks not only to the nature of and need for storytelling but also and equally important the pivotal role the twin powers of endurance and resilience play in the creative process You don't have to be a writer an artist or even especially creative to take the plunge Ovshinsky reminds his readers You just have to feel strongly about something or have something you need to get off your chest And then find the courage to scratch your own surface and share your good stuff with others Above all Ovshinsky is an educator known for his passionate support of and commitment to mentoring the next generation of urban storytellers When he wasn't teaching screenwriting and documentary production in his popular workshops and support groups he taught undergraduate and graduate students at Detroit's College for Creative Studies Wayne State University Madonna University and Washtenaw Community College The thing about Harvey a colleague recalls in *Scratching the Surface* is that he treats his students like professionals and not like newbies at all His approach is to in a very supportive and non-threatening way combine both introductory and advanced storytelling in one fell swoop
