Geetha Marcus

Weeping Violins The Gypsy Tragedy In Europe:

Weeping Violins Betty Sowers Alt, Silvia Folts, 1996-02-27 *Weeping Violins* provides a history of the Gypsy people in Europe Betty Alt and Silvia Folts trace the origins of the Gypsy people and tell the story of their expansion treatment by other ethnic groups and struggles during the Holocaust The book sheds light on Gypsy treatment at the hands of Nazi soldiers and the struggle to have Gypsy experiences recognized by Jewish leaders and scholars of the Holocaust Contents Preface Centuries of Persecution Ominous Signs A Deadly Journey The Effort of Survival Gypsy Genocide Free at Last The Gypsy Problem Continues Epilogue **The Gypsies During the Second World War** Donald Kenrick, 2006 This is the third of three volumes based on the latest research into the racial theories which underlay the suffering of the gypsies in the Holocaust and their fate in the death camps in the occupied countries of Hitler's Europe **The Nazi Persecution of the Gypsies** Guenter Lewy, 2000-01-13 Roaming the countryside in caravans earning their living as musicians peddlers and fortune tellers the Gypsies and their elusive way of life represented an affront to Nazi ideas of social order hard work and racial purity They were branded as asocials harassed and eventually herded into concentration camps where many thousands were killed But until now the story of their persecution has either been overlooked or distorted In *The Nazi Persecution of the Gypsies* Guenter Lewy draws upon thousands of documents many never before used from German and Austrian archives to provide the most comprehensive and accurate study available of the fate of the Gypsies under the Nazi regime Lewy traces the escalating vilification of the Gypsies as the Nazis instigated a widespread crackdown on the work shy and itinerants But he shows that Nazi policy towards Gypsies was confused and changeable At first local officials persecuted gypsies and those who behaved in gypsy like fashion for allegedly anti social tendencies Later with the rise of race obsession Gypsies were seen as a threat to German racial purity though Himmler himself wavered trying to save those he considered pure Gypsies descended from Aryan roots in India Indeed Lewy contradicts much existing scholarship in showing that however much the Gypsies were persecuted there was no general program of extermination analogous to the final solution for the Jews Exploring in heart rending detail the fates of individual Gypsies and their families *The Nazi Persecution of the Gypsies* makes an important addition to our understanding both of the history of this mysterious people and of all facets of the Nazi terror

The Gypsies During the Second World War, 1997 **Gypsy and Traveller Girls** Geetha Marcus, 2019-01-25 This book presents the untold stories of Gypsy and Traveller girls living in Scotland Drawing on accounts of the girls lives and offering space for their voices to be heard the author addresses contemporary and traditional stereotypes and racialised misconceptions of Gypsies and Travellers Marcus explores how the stubborn persistence of these negative views appears to contribute to policies and practices of neglect inertia or intervention that often aim to civilise and further assimilate these communities into the mainstream settled population It is against this backdrop that the book exposes the girls racialised and gendered experiences which impact on their struggles as young people to realise their potential and future prospects Their

narratives reveal the strengths of a distinct community and the complexity of their silence and agency within the patriarchal structures that pervade the private spaces of home and the public spaces of education This study also invites the reader to reflect on how the experiences of Gypsy and Traveller girls compares with young women from other social backgrounds and questions if there is more that binds us than divides us as women in the modern world Gypsy and Traveller Girls will be of interest to students and scholars across a range of disciplines including sociology education gender studies and social policy

Debating Genocide Lisa Pine,2018-11-01 This book explores the subject of genocide through key debates and case studies It analyses the dynamics of genocide the processes and mechanisms of acts committed with the intention of destroying in whole or in part a national ethnic religious or racial group in order to shed light upon its origins characteristics and consequences Debating Genocide begins with an introduction to the concept of genocide It then examines the colonial genocides at the end of the 19th and start of the 20th centuries the Armenian Genocide of 1915 16 the Nazi Final Solution the Nazi genocide of the Gypsies mass murder in Cambodia under the Khmer Rouge the genocides in the 1990s in the former Yugoslavia and Rwanda and the genocide in Sudan in the early 21st century It also includes a thematic chapter which covers gender and genocide as well as issues of memory and memorialisation Finally the book considers how genocides end as well as the questions of resolution and denial with Lisa Pine examining the debates around prediction and prevention and the R2P Responsibility to Protect initiative This book is crucial for any students wanting to understand why genocides have occurred why they still occur and what the key historical discussions around this subject entail **Women and Gender in Central**

and Eastern Europe, Russia, and Eurasia Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes *Secret Waters* Betty

Alt,2022-01-26 In the town of Paramont over a two year period in the late 1940s several women have been murdered For some reason all of the bodies have been placed in or near water a river or lake Detectives Amos Taylor and Richard Samms spend months attempting to track down the elusive killer identified merely as young good looking and driving a light colored sedan *Mae Mallory, the Monroe Defense Committee, and World Revolutions* Paula Marie Seniors,2024-04 This book

explores the significant contributions of African American women radical activists from 1955 to 1995 It examines the 1961

case of African American working class self defense advocate Mae Mallory who traveled from New York to Monroe North Carolina to provide support and weapons to the Negroes with Guns Movement Accused of kidnapping a Ku Klux Klan couple she spent thirteen months in a Cleveland jail facing extradition African American women radical activists Ethel Azalea Johnson of Negroes with Guns Audrey Proctor Seniors of the banned New Orleans NAACP the Trotskyist Workers World Party Ruthie Stone and Clarence Henry Seniors of Workers World founded the Monroe Defense Committee to support Mallory Mae s daughter Pat aged sixteen also participated and they all bonded as family When the case ended they joined the Tanzanian Grenadian and Nicaraguan World Revolutions Using her unique vantage point as Audrey Proctor Seniors s daughter Paula Marie Seniors blends personal accounts with theoretical frameworks of organic intellectual community feminism and several other theoretical frameworks in analyzing African American radical women s activism in this era Essential biographical and character narratives are combined with an analysis of the social and political movements of the era and their historical significance Seniors examines the link between Mallory Johnson and Proctor Seniors s radical activism and their connections to national and international leftist human rights movements and organizations She asks the underlying question Why did these women choose radical activism and align themselves with revolutionary governments linking Black human rights to world revolutions Seniors s historical and personal account of the era aims to recover Black women radical activists place in history Her innovative research and compelling storytelling broaden our knowledge of these activists and their political movements

Between Two Fires Alaina Lemon,2000-07-20 The gypsies of Russia and the part they have played in both Soviet and Post Soviet society

Forever Lost Betty L. Alt,2024-10-02 In the early 22nd century with the world suffering from a continuing ice age food production in the United States is controlled by the Bureau of Sustenance Private property has ceased to exist and all citizens are forced to live in huge towers However a small group of people have managed to remain outside Unfortunately wisps of smoke from the group s uncontrolled fire have been seen from a Bureau helicopter and reported Sustainers Amos Benton and Jake Martinez soon are sent from Tower Seven to search for the outsiders

Hitler's 'National Community' Lisa Pine,2017-01-12 Lisa Pine s Hitler s National Community explores German culture and society during the Nazi era and analyses how this impacted upon the Germany that followed this fateful regime Drawing on a range of significant scholarly works on the subject Pine informs us as to the major historiographical debates surrounding the subject whilst establishing her own original interpretative arc The book is divided into four parts The first section explores the attempts of the Nazi regime to create a Volksgemeinschaft national community The second part examines men women the family the churches and religion The third section analyses the fate of those groups that were excluded from the Volksgemeinschaft The final section of the book considers the impact of the Nazi government upon German culture in particular focusing on the radio and press cinema and theatre art and architecture music and literature This new edition includes historiographical updates throughout an additional chapter on the early Nazi movement and brand

new primary source excerpt boxes and illustrations There is also expanded material on key topics like resistance women and family men and masculinity and religion A crucial text for all students of Nazi Germany this book provides a sophisticated window into the social and cultural aspects of life under Hitler s rule *Night and Evil* Betty L. Alt,2022-09-08 With his partner Richard Samms shot and facing a lengthy period of recuperation Detective Levi Taylor and the other men in the Paramount Police Department are kept busy with the usual number of major crimes Then they are plagued for two years with numerous calls from citizens about a Peeping Tom Considered simply a nuisance problem at first this changes when a woman is severely beaten and raped Can Hunter and Samms now back on the job find The Peeper before someone is killed *World War Two* Jeremy Black,2004-11-23 Cutting through over half a century of historical build up this new and convincing account of World War II uses a global perspective to explain the complicated course in military terms Black a distinguished military historian bucks the current trend to demilitarise and gives due weight to the campaigns and battles that made up the war In doing so he challenges common interpretations and includes new insights to make this one of the most exciting new histories of the Second World War Covering all the main areas of conflict the chronological approach includes analysis of attacks at land air and sea and a comparison of military resources The focus is always operational but social cultural and political aspects are also included Providing a crucial counterweight to previous histories Jeremy Black s *World War Two* offers fresh insights into operations at the Eastern Front and during the war against Japan *Yellow Leaves* Betty L. Alt,2024-12-08 A report of healthy individuals dying frequently and unexpectedly at Creekside Independent Living has Paramount detectives Taylor and Samms investigating the facility Then during an argument between two local high school boys over the merits of a teenage girl one boy is killed Soon another problem confronts the police department as teenage gangs come south from Denver and invade Paramount s east side However for Taylor the main change in his life will be giving up the title of detective as he becomes the city s new Chief of Police *Tower-7 the Sustainer's* Betty L. Alt,2023-05-24 In the late 21st century with the new ice age causing worldwide starvation industrialized nations have condemned all private property Citizens have been forced into huge tower complexes and land is used solely for food production under the Bureau of Sustenance Amos Benton and Jake Martinez employees of the Bureau are sent from Tower 7 to investigate interior damage and missing items taken from a sustainer pod near Dallas It is finally decided that the incursions into the pod are due to hungry animals Benton recalling his capture and escape nearly three years earlier from a group of people still living outside is not so sure **When Caregivers Kill** Betty L. Alt,Sandra K. Wells,2010-04-16 From mothers who kill their children in postpartum fugues to fathers who murder their kids for revenge against an estranged wife the stories in this book are chilling yet real and bring home the message that children are vulnerable to violence even in the care of those who should love and protect them the most Sadly child murder by parents and caregivers happens more frequently than one might guess and while each case is different there are often warning signs that something might be amiss Signs of physical abuse may precede the ultimate act

of murder A mother s mental state after the birth of a child may signal true distress and the potential for extreme actions No one can predict with certainty when a parent or other caregiver may snap but here Alt and Wells examine many cases of child murder to find out what they have in common how we might prevent such violence and what more we can do to protect children in potentially explosive situations **SWEET REVENGE** Betty L. Alt,2023-11-23 Arriving home from an unsuccessful trip to try and locate the killer of four local women Deputy Chief Levi Taylor learns of the murder of Paramont s former state senator Judge Jason Craig Montgomery Thinking it may be a grudge killing Taylor and detective Richard Samms begin to question paroled prison inmates formerly sentenced by the judge along with males relatives of the parolees Their investigation reaches a standstill until Samms mentions that the two men could be questioning the wrong people Shared Sorrows Toby Sonneman,2002-10-01 On the morning after Kristallnacht Toby Sonneman s father walked through broken glass to apply for the visa that saved him from the fate of so many during the Third Reich In examining her own family history the author discovered the similarities between the fate of the Jews and the Gypsies in the Holocaust both peoples selected on racial grounds for extermination by the Nazis She traveled with an American Gypsy survivor to Munich where she stayed with the formidable Rosa Mettbach This is the story of Rosa and other members of an extended family who survived the Holocaust Shared Sorrows tells the story of a Gypsy family against the backdrop of a Jewish one detailing and examining their shared sufferings under the Nazis My father brought a spool of thread with him from Germany when he came to America in 1939 And another spool of thread one in my imagination unwinds slowly and unpredictably sometimes fraying or tangling It s a thin and delicate thread that leads me to the Gypsies to the family that I meet in Germany the country of so many tangled memories and emotions And as I talk to them and I listen following the threads of their stories backwards in time to the 1930s and 40s and before their memories start to become mine as well **Dark Destiny** Betty L. Alt,2025-09-18 Colorado Springs detectives Arnold Simms and Andrew Davis are assigned to a case of a woman shot in her car along the interstate highway but can find no reason for her death As the two men search for similar cases they discover that for several past years during inclement weather a female has been shot inside her disabled auto However there appears to be no connection between the women until Simms discovers one seemingly unimportant coincidence
