

Pre-Season Letter to Parents

Dear Parent:

Welcome to Bonita Matrix of AYSO Region 116. Your child has tried out and has been selected to play in our soccer club in a more challenging environment. This program will allow players with similar abilities and skill development to play in more competitive games.

One of the factors critical to the success of the program is sideline behavior. Bonita Matrix has clearly defined expectations for spectators. Please read and follow the *Parents Code of Conduct*. This program needs the combined positive efforts of all participants to be successful. This form is to be completed and returned prior to your child attending his/her first practice or to the Parent Orientation meeting, whichever is sooner.

Return to: _____

If you have any questions regarding this program, please contact our Director of Coaching (Anthony Johnson) at: anthony.johnson@cox.net

Sincerely,

Coach John/Jane Doe

The Passion for the Beautiful Game, Soccer Gene Ventriglia, 2022-05-23 Gene Ventriglia was a very poor fourteen year old immigrant when he arrived in New York harbor in early July 1958 Coming from the tiny village of Alife Italy he had grown up in a farm village of about three hundred inhabitants The village as well as his parents house had been leveled by bombs in the final days of World War II In 1958 the memories were still very much alive as postwar reconstruction was far from completion These were the surroundings where Gene Ventriglia grew up Gene had only known his small village and was unaware that common items such as telephones and TV sets even existed One can only imagine his reaction upon seeing the New York skyscrapers and the size and number of cars when he first walked on the New York streets He had no idea how his life would change in the very near future How would he react He wondered if he would make friends After all how would he communicate He did not know a word of English Gene soon realized that getting a good education was the key to success However he also realized that it would take great efforts and motivation on his part Was he willing to put in the necessary effort He needed to learn a new language in a community where he only heard Italian His search to find that American Dream lasted more than sixty years During this time Gene was faced with one challenge after another in his search for that dream In each case Gene used his passion for the game of soccer to fuel his inner motivation and determination not to give up every time he arrived at a dead end Gene's path to finding that dream was full of surprises In all cases he was very determined and he demonstrated outstanding motivation to achieve his goal

of the primary sources and the linguistic difficulties presented by them To address these problems this book scrutinizes the scholarly literature consulting hundreds of primary sources many of them previously unknown on three continents bringing together interviews with scores of eyewitnesses and translating foreign language terms into English The result is a comprehensive meticulously footnoted guide that uses such tools as maps a detailed timeline and biographical entries to make this riveting saga accessible to a broad audience of scholars and general readers *Summer Camps and Teen Tours* Adrienne Popper,1988 Covering all aspects of the camping and teen tour experience this guide will prove invaluable to parents Includes information on safety facilities supervision scheduling special events homesickness and much more
