Foss, Sonja K.

Foss, Alena Amato Ruggerio, 2021-09-23 [Feminism in Practice](#) uses feminism as a blueprint for exploring change strategies. It features twenty contemporary feminists from diverse arenas including activists, comedians, musicians, politicians, poets, and showrunners. The women come to life through line drawings, brief biographies, extensive quotations, their definitions of feminism, and the change strategies they employ. Questions for reflection encourage readers to think through their own relationship to feminism and change. Chapter 1 defines feminism, raising issues with the typical definition of feminism as the effort to achieve equality between women and men. It concludes with a description of over twenty types of feminism. Chapter 2 describes the triggering events, happening places, and key ideas of the four waves of feminism. The opening chapters provide a comprehensive understanding of the diversity and complexity of feminist movement. The book is organized around five primary objectives that animate contemporary change efforts: proclaiming identity, naming a problem, enriching a system, changing a system, and creating an alternative system. Each objective is developed through theoretical assumptions and twelve change strategies that show it at work in feminist movement. [Feminism in Practice](#) also serves as a practical handbook that readers can use to experiment with the strategies and expand their toolkits for creating change in their lives and worlds. The authors are uniquely qualified to explore issues of feminism and change. Karen Foss and Sonja Foss are second-wave feminists who have written extensively on alternative change strategies, feminist communication, and feminist theory. Alena Ruggerio brings to the project the standpoint of a third-wave feminist at home in pop culture. Her scholarship lies at the intersection of rhetoric, feminism, and religious studies. Author: A free thinker and an independent soul. That's the shorthand when it comes to the worldwide perception of Keanu Reeves. But there's more to the real Keanu than pop culture talking points, and in [Keanu Reeves' Excellent Adventure: An Unauthorized Biography](#) by New York Times bestselling author Marc Shapiro, the star of *Speed*, *John Wick*, *Point Break*, and countless big and small films, proves to be a lot more contrary and anti-establishment than most Hollywood cookie-cutter celebrities. Equal parts biography and character study, [Keanu Reeves' Excellent Adventure: An Unauthorized Biography](#) is an ink blot rat in a maze journey as the actor deals with his life and times in a straightforward, often philosophical and spiritual manner. He can be shy, self-effacing, an introvert, and somebody who has been a pain in the side of the Hollywood establishment. He's also found time to be an all-around good guy as he deals with life's ups and downs. But at the end of the day, Keanu Reeves is nothing less than human. He's dealt with the deaths of those he's loved the most. He makes no bones about the fact that he comes from a dysfunctional upbringing. He

s walked away from big budget studio films in favor of doing Hamlet for peanuts And early on he didn t think twice about starring in the overtly gay themed way out of the mainstream theater production Wolfboy He s readily admits to having done drugs and has had his run ins with the law And along the way his risen to that rarified air of international star

Trump This! The Life and Times of Donald Trump: An Unauthorized Biography written by New York Times Bestselling Author Marc Shapiro, 2016-02-26 Who is Donald Trump? Even after a yearlong presidential campaign and constant media coverage, many Americans don't know if he's for real or just a businessman turned showman turned politician who has become President of the United States. His path to the White House from early childhood through the 2016 campaign and Election are laid bare in Trump This. Bringing insight into the psychology and motivation of Donald Trump was the equivalent of solving a mystery. What guides Trump to the decisions he makes? Is his personality real or just a caricature driven smokescreen? Is he the living embodiment of a brand or does a heart and soul lurk beneath his flamboyant and often bullying exterior? In answering those questions, many heretofore unknown facts came to life. Trump's grandfather ran brothels during The Gold Rush years. His father allegedly ran with The Ku Klux Klan. Trump punched out a teacher in the second grade. Trump lived a wild, sexually charged life at Studio 54. The true story of how Trump avoided the draft. The affair that wrecked his first marriage. Why Trump sued a man because he had the same last name. His biggest business successes and failures. If you only discovered Donald Trump with the television show The Apprentice or with his race for President of the United States, the chances are you think you know quite a bit about Donald Trump. But the reality is that like all larger than life personalities, Trump has cultivated his public image well.

He's been selective in what he's let out and when pressed he's been quick to deny Trump. This The Life and Times of Donald Trump: An Unauthorized Biography has dug deep into the truth that is Donald Trump. And this is what we've found. The Princess of 42nd Street Romola Hoda, 2018-09-06 The eldest daughter of the Times Square King of Porn Romola Hoda recounts her chaotic childhood amid the turmoil of publically growing up as the daughter of the man who almost single handedly built New York City's pornography and adult entertainment empire from the 1960s to the 1980s before his spectacular and public fall from grace. Behind the salacious headlines Marty's family paid a terrible price. In her shockingly honest no holds barred memoir Romola describes hanging out as a child in her father's porn shops on 42nd Street and meeting the eclectic clientele who frequented the stores making friends with the girls who performed live sex acts on stage and spying on her parents sex orgies and crazy all night swinger parties. Romola relates in moving detail how she cared for her three younger siblings when her brilliant bipolar mother broke with reality and how she survived verbal physical and emotional abuse a year in reform school her father's three stints in prison two kidnapping attempts by the mob one while at summer fat camp and how her baby brother Jarrett actually was briefly kidnapped by mobsters wanting to send Marty Hoda a clear unambiguous message. For all its darkness The Princess of 42nd Street is at its heart an uplifting and inspirational story of how one young woman overcame incredible odds to become a successful businesswoman who now devotes her life to helping others. Raw unflinching and devoid of self pity The Princess of 42nd Street is a one of a kind story. **Year of Yes** Shonda Rhimes, 2015-11-10 In this 10th Anniversary Edition Shonda Rhimes executive producer of Grey's Anatomy Scandal Bridgerton Queen Charlotte and more not only revisits her galvanizing New York Times bestseller but gives readers an extraordinary cache of brand new stories that showcase the continuing power that saying YES has had on her life.
