Master Piece Andy Dane Nye, As far as Norman Penkridge is concerned there s only one problem with having an angel floating above his living room carpet He s an atheist When reclusive computer geek Norman starts receiving heavenly visitations his fiercely logical brain assumes he s going mad But as attempts to prove they re a figment of his imagination fail he s faced with a far more alarming scenario If real he must accept he s been chosen from the whole of humanity to prevent EVERYTHING in the Universe and a few extra dimensions he s never even heard of ceasing to exist That not only includes a Supreme Being he doesn t believe in but of far more immediate concern to Norman his own bedsit off the Bayswater Road Writing in a refreshingly original style that s been described as Douglas Adams meets Terry Pratchett meets Dan Brown Andy Dane Nye casts a satirical eye over the subject of religion whilst encouraging the reader to explore the true nature of spirituality in this engaging humorous quirky mystery adventure Just brilliant Witty clever and totally enthralling Couldn t put it down Amazon review Captivating from beginning to end Amazon review An unfolding intelligent puzzle that s gripping all the way through Amazon review A rollicking good read Amazon review Brilliant surreal and laugh out loud funny Amazon review So good I read it twice Amazon review If you re looking for an unputdownable thought provoking read centred around a mysterious international art conspiracy featuring spiritual paradoxes and Templar intrigue where an unlikely hero has to do battle with a group of ruthless industrialists who ve chosen to style themselves on the Gods of Ancient Greece two crack CIA operatives whose corrupt boss is in the latter s pay an eccentric tramp with a posh voice who claims to talk to the dead an increasingly irate and problematic landlord with the same surname as the father of the atomic bomb and where the hero s toughest opponent might turn out to be himself
