Welcome To The Family What To Expect Now That Youre A Christian

Welcome To The Family What To Expect Now That You're A Christian:

Welcome to the Family John F. MacArthur, 2008-07-13 You've responded to God's call surrendering yourself to His will and now your life will never be the same. By becoming a follower of Jesus Christ you've not only secured an eternal home in heaven but you've also begun a one-on-one relationship with the Maker of the universe. When you received Jesus as your Lord and Savior you became part of His family, one filled with brothers and sisters in the faith, both within your local church as well as around the world. This is an exciting time for you as a new believer; the guilt of your sins has been forever lifted from your shoulders. The gray cloud of hopelessness has left. The light of Christ has penetrated your life and you're experiencing life like never before. Dr. John MacArthur wants to be one of the first to welcome you to God's family and to help you along the way.

Revelation John F. MacArthur, 2006-09-03 The book of Revelation unveils Jesus Christ in glory. Written by the apostle John, Revelation was a letter to churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides. This book was a reminder that encouraged them to remain faithful. Through vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth. Revelation's message of hope assures Christians that God is in sovereign control of all past, present, and future events and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic opposition. The MacArthur Study Guide Series provides a twelve-week verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups. Features include: Twelve-week study, thought-provoking questions, verse-by-verse commentary, space provided for note-taking. **Welcome to the Family**

Stephen R. Lawhead, 1982 Becoming a Christian is more than joining a club or subscribing to an idealistic lifestyle. In many ways, becoming a Christian is like being adopted. Suddenly we have a new father, a new home, a new family, a new identity. Any one of those changes can overwhelm a person, but taken all together, they are mind-boggling. Many new Christians never fully understand what has happened to them until much later in life. And that's too bad because the more fully we grasp the significance of what it means to be a Christian, the more immediate our enjoyment of our incredible good fortune. page 4 of cover

Religion Vs Christianity Steven Channing, 2008-04 It has been said that an 8-year-old should be able to understand all but about 80 of the terms within the Holy Bible. So why then is it so difficult for an adult? With so many Bible versions out there, is there a right or a wrong one? Who is Jesus and what did he have to say about such issues? Who is the Holy Spirit, which is spoken of by Christians? And as for touching upon Christians, who are they? What do they believe in? Where are they right? Where are they wrong? Are there doctrines which won't hold up? Inside of this book are the foundational building blocks to finding out the truth in these questions and many more. Are we all under the same God but just serving him in different ways, or for that matter, who or what is this God? Every religion has its own version. Even the Atheists could learn something from this book. This book should help to expose hypocrisy for what it truly is. If you have ever had any questions

about how to deal with those who would try to impress their religion upon you then read this book It will start to expose the hidden truths in Religion versus Christianity The things which the people of this world do not want you to know This book is not propaganda but rather a search for the truth behind religious belief systems Years of research are at your fingertips you now have a guide to get you started What you don't know can hurt you but what you think that you know may be worse yet
