George Van Pelt Campbell,Derek Van Pelt Campbell,2024-09-24 The Old Testament book of Deuteronomy is the Bible s most elaborate explanation of what it means to love God and love neighbor In fact the book contains the Bible s first explicit command to love God in Deut 6 4 5 often referred to as the Shema Jesus quoted heavily from Deuteronomy during his ministry and this book still contains many practical teachings for his followers today Drawing from recent understanding of the book s previously perplexing structure we find that while the Ten Commandments are famously framed mostly as brief negatives such as do not murder they were written to teach an open ended array of positive ways to demonstrate love for God and neighbor This book offers a positive restatement of each commandment to establish how Deuteronomy presents each commandment s full meaning This book will help readers discover the riches of the book of Deuteronomy by reading it with understanding It will also offer the resources needed to lead a Bible study on or preach through Deuteronomy so that Christians are better prepared to love God and neighbor **Revisiting Mister Rogers' Neighborhood** Kathy Merlock

Jackson,Steven M. Emmanuel,2016-02-08 During its 33 season run Mister Rogers Neighborhood 1968 2001 left an indelible mark on millions of children and their caregivers Perhaps no series in the history of children s television has done more to develop the identity and ethics of the child More than a decade after Fred Rogers death he continues to attract an audience online Yet despite the show s lasting impact it has been largely ignored by scholars This collection of new essays focuses on Rogers contributions to children s lives to the media and to American culture at large The contributors discuss his stance on the individual and the perception of self his ideas about meaningful participation in a community and his use of television Clearly Mr Rogers ideas still strongly resonate The Baby Is Here! ,2015-01-06 A new generation of children love Daniel
