For Hopeless Souls Like Me Emma Dray, 2020-08-18 A Collection of 32 poems written by me

Welcome to the Suck Stacey Peebles, 2011-04-15 Our collective memories of World War II and Vietnam have been shaped as much by memoirs novels and films as they have been by history books In *Welcome to the Suck* Stacey Peebles examines the growing body of contemporary war stories in prose poetry and film that speak to the American soldier's experience in the Persian Gulf War and the Iraq War Stories about war always encompass ideas about initiation masculinity cross cultural encounters and trauma Peebles shows us how these timeless themes find new expression among a generation of soldiers who have grown up in a time when it has been more acceptable than ever before to challenge cultural and societal norms and who now have unprecedented and immediate access to the world away from the battlefield through new media and technology Two Gulf War memoirs by Anthony Swofford *Jarhead* and Joel Turnipseed *Baghdad Express* provide a portrait of soldiers living and fighting on the cusp of the major political and technological changes that would begin in earnest just a few years later The Iraq War a much longer conflict has given rise to more and various representations Peebles covers a blog by Colby Buzzell *My War* memoirs by Nathaniel Fick *One Bullet Away* and Kayla Williams *Love My Rifle More Than You* a collection of stories by John Crawford *The Last True Story I'll Ever Tell* poetry by Brian Turner *Here Bullet* the documentary *Alive Day Memories* and the feature films *In the Valley of Elah* and the winner of the 2010 Oscar for

Best Picture The Hurt Locker both written by the war correspondent Mark Boal Books and other media emerging from the conflicts in the Gulf have yet to receive the kind of serious attention that Vietnam War texts received during the 1980s and 1990s With its thoughtful and timely analysis Welcome to the Suck will provoke much discussion among those who wish to understand today's war literature and films and their place in the tradition of war representation more generally

Welcome to the Spirit World Sharon Margolis, 2018-08-22 Welcome to the spirit world Allow me to introduce you to the universe of metaphysics Based on my personal experiences this book explains the fundamental concepts of psychic phenomena While in the spirit world my thoughts and emotions were shared first by my friend Ruth and later by others as though we had one mind I felt their fears and desires their awe and adventurous spirit They knew mine as well Yet back in our body we could only communicate through the spoken word We journeyed to the land of the dead danced in the eternal light delved into spirit worlds none of us dreamed existed Specters of the dark side guided us through their realms Shaman in the twilight wolf wilderness Spirit Bird in the Valley Of The Birds Joel the medieval Irishman in the Record Of All Time Ruth and I thought our travels together were wondrous accidents until it happened again and again Each experience was more complex and powerful than the last Our journeys were never planned nor did we discuss beforehand places we had discovered while there alone Neither of us wanted to plant subconscious hints as to where we should go or what we should do But once we were there we led each other to our secret places dimensions and past lives of which the other person had no knowledge This book tells of my experiences on the astral planes with Ruth alone and with other travelers It also includes explanations of metaphysical topics such as astral travel channeling and metaphysical energy This should help you to understand the goings on during my journeys as well as afford you a sound base for further investigations Take my hand and let us begin our voyage

Welcome to Wally World Stephen Newman, C. Newman, 2008-04 Welcome to Wally World is a journal of one man's two years in retail management at Wal-Mart Stores Inc The journal chronicles his personal experiences working with the mega retailer and exposes the good bad and sometimes the ugly side of the retail business giant in a humorous and whimsical way There is no book like this that gives you a detailed look into to the day to day operations at such a grassroots level If you loved the outrageous and situational comedy of Laura Weisberger's The Devil Wears Prada with the heart felt realism of Barbara Ehrenreich's Nickel and Dimed you'll love Welcome to Wally World Written in a journal format each day tells a different story with familiar themes While each day ends another adventure always seems to be just around the corner Each story stands on its own as a mixture of humor anecdotes and some seriousness Readers will laugh at the hilarious and sometimes insane behind the scenes antics If shoppers only knew the story behind the scenes and now they do Welcome to Wally World represents a real grassroots effort to capture experiences emotions and goings on inside the world's largest retailer A number of books may have been written from the corporate perspective but this work focuses on the people behind the power those hardworking clerks and managers who actually move the products and stock the shelves

to achieve those sales and gross profits Having spent nearly two years involved with the detailed experiences depicted in the book I feel uniquely qualified to bring these stories and anecdotes to the public eye Mixed with humor seriousness and irony Welcome to Wally World is a personal journey of my professional life with the company The take away from my experiences with Wal mart led me to the writing style you ll find in the book No personal names are used What is important is that these events portrayed would happen regardless of the individuals involved The implication is that people are simply cogs in the corporate machine Each day via diary format illustrates my belief that the journey was like a series of crazy wild and unpredictable movies or sub journeys all rolled into one brief career Each day at work stood on its own
