Yama Pit Aleksandr Kuprin:

Yama Aleksandr Kuprin,2020-12-21T23:13:16Z Yama The Pit recounts the lives of a group of prostitutes living and working in Anna Markovna s brothel in the town of K The women subject to effective slavery through the removal of their papers and onerous debts act out a scene of easy affability every evening for the part ignorant part monstrous clients while keeping secret their own pasts and wished for futures The book was Kuprin s attempt to denormalize the cultural ambiguity of the legal brothels of the time His dedication to mothers and youths expresses his desire that there should no longer be a silent acceptance of the actions of the fathers husbands and brothers The novel was notable for portraying the inhabitants of the brothels as living breathing people with their own hopes and desires not purely as a plot point or scenario The critical response was mixed many found the subject matter beyond the pale Kuprin himself placed his hopes on a favourable review from Leo Tolstoy which didn t come but there was praise for Yama as both social commentary and warning and an appreciation for Kuprin s attempt to detail the everyday lives of his subjects The novel had a troubled genesis with the first part taking nine years between initial proposal and first publication the second and third parts followed five years later It was a victim of the Russian censors who tellingly disapproved more of scenes involving officials visiting the brothels than the brothels themselves It was only later during preparations for an anthology of his work that an uncensored version was allowed to be released This edition is based on the translation to English by Bernard Guilbert Guerney of that uncensored version and was first published in 1922 This book is part of the Standard Ebooks project which produces free public domain ebooks

Yama = the Pit, a Novel in Three Parts A. I. (Aleksandr Ivanovich) Kuprin, 2016-02-29 Aleksandr Ivanovich Kuprin was a Russian writer pilot explorer and adventurer who is perhaps best known for his story *The Duel* Other well known works include *Moloch* *Olesya* *Junior Captain Rybnikov* *Emerald* and *The Garnet Bracelet*

Yama Aleksandr Kuprin, 2013-11-09 With us you see Kuprin makes the reporter Platonov his mouthpiece say in *Yama* they write about detectives about lawyers about inspectors of the revenue about pedagogues about attorneys about the police about officers about sensual ladies about engineers about baritones and really by God altogether well cleverly with finesse and talent But after all all these people are rubbish and their life is not life but some sort of conjured up spectral unnecessary delirium of world culture But there are two singular realities ancient as humanity itself the prostitute and the moujik And about them we know nothing save some tinsel gingerbread debauched depictions in literature And curiously enough it is another great Russian Kuprin who is supreme if not unique as a painter of the universal scourge of prostitution per se and not as an incidental background for portraits True he may not have entirely escaped the strange allure aforementioned of the femininity he paints for femininity even though fallen corrupt abased is still femininity one of the miracles of life to Kuprin the lover of life But even if he may be said to have used too much of the oil of sentimentality in mixing his colours for the portraits his portraits are subordinate to the background and there his eye is true and keen his hand steady and unflinching his colours and brushwork unimpeachable

his fascinating portraits of the Fair Imperia and the romantically realistic in his *Splendeurs et Miseres des Courtisanes* Reads Peg Woffington may be called the literary parallel of the costume drama Defoe's *Moll Flanders* is honestly realistic Zola's *Nana* is rabidly so There is one singular fact that must be noted in connection with the vast majority of such depictions Punk or bona roba lorette or drab put her before an artist in letters and lo and behold ye such is the strange allure emanating from the hussy that the resultant portrait is either that of a martyred Magdalene or at the very least has all the enigmatic piquancy of a *Monna Lisa* Not a slut but what is a hetaera and not a hetaera but what is well nigh *Kypris* herself I know of but one depiction in all literature that possesses the splendour of implacable veracity as well as undiminished artistry where the portrait is that of a prostitute despite all her tirings and trappings a depiction truly deserving to be designated a portrait the portrait supreme of the harlot eternal Shakespeare's *Cleopatra* Furthermore it will be observed that such depictions for the most part are primarily portraits of prostitutes and not pictures of prostitution It is also a singular fact that war another scourge has met with similar treatment We have the pretty spotless grenadiers and cuirassiers of Meissonier in plenty Vereshchagin is still alone in the grim starkness of his wind swept snow covered battle fields with black crows wheeling over the crumpled masses of gray And curiously enough it is another great Russian Kuprin who is supreme if not unique as a painter of the universal scourge of prostitution per se and not as an incidental background for portraits True he may not have entirely escaped the strange allure aforementioned of the femininity he paints for femininity even though fallen corrupt abased is still femininity one of the miracles of life to Kuprin the lover of life But even if he may be said to have used too much of the oil of sentimentality in mixing his colours for the portraits his portraits are subordinate to the background and there his eye is true and keen his hand steady and unflinching his colours and brushwork unimpeachable Whether like his own *Platonov* who may be called to some extent an autobiographical figure and many of whose experiences are Kuprin's own came upon the brothel and gathered his material unconsciously without any ulterior thoughts of writing we do not know nor need we rummage in his dirty linen as he puts it
