Triple Heritage Documentary By Ali Muzuri:

Renewing the Promise Julius Fondong ,2022-08-08 In this very riveting and well researched essay Julius Fondong ruminates on the continued relevance of the promises and principles that underpinned the creation of the post colonial Cameroon nation state sixty years after unification in 1961 *Renewing the Promise A Treatise on the Refoundation of the Cameroon Nation* chronicles Cameroon s experiment in statehood an experiment which according to the author sprung out of a desire and a promise to forge a new nation through the fusion of two territories with contrasting historical experiences and colonial legacies Writing from the vantage position of a policy analyst a governance expert and a conflict management practitioner Fondong contends that a combination of policy inconsistencies imperial arrogance institution capture leadership deficiencies and the brazen travesties of the nation s foundational principles and promises has led to violent internal dissent decreased state capacity for public service delivery and a development gridlock So what can be done to re align the nation to its founding promises and save it from possible disintegration Fondong proposes an overarching governance based praxis for the re engineering of the Cameroon nation from the bottom up His proposed remedy is predicated on the principles of decentralized governance the redistribution of power in a manner that addresses the right to self determination of Anglophone Cameroonians enhanced public service delivery and a strategic shift from a transactional to a transformational leadership paradigm *Renewing the Promise* is a thought provoking and captivating political essay written with exhilarating passion and prototypical clarity It can serve as a blueprint for a much needed reform of Cameroon s governance architecture

Neo-Panafricanism Foreign Powers and Non-State Actors Francisco Kofi Nyaxo Olympio,2013 Apart from decolonization and the liquidation of apartheid the Organization of African Unity OAU has had three goals unity security and development In none of these three areas did the OAU live up to its expectation The transformation of the OAU was designed to inject institutional vim mainstream its social forces and keep abreast with challenges of the 21st century This book explores Pan Africanism from a perspective of a rapidly changing international system Key obstacles remain to the leadership conundrum and endemic capacity gaps *Series African Politics Politiques Africaines Vol 6 Educators Guide to Free Videotapes* Educators Progress Service,2002-04

A Giant Tree has Fallen Seifudein Adem,Jideofor Adibe,2016-09-01 This book memorialising the life and work of Ali Alamin Mazrui comprises more than 130 tributes written by people ranging from heads of state to journalists Presented here are those tributes for which copyright permissions were received from among the hundreds that appeared online and print In preparing this book it was made very clear that unlike other books of tributes to great men and women there would be no segmentation of the sections based on writers and speakers positions in life Instead it was decided that the tributes be presented in alphabetical order based on writers and speakers last names The decision hinged on the fact that Mazur would not have apposed any segmentation of people by class race ethnicity and gender etc Nonetheless out of great respect for Mazurs immediate family members their tributes are presented first followed

by those from his global family members Also included at the beginning of the book are three chapters that comprise an introductory essay a brief biography of Mazur and an essay on metaphorical linguistic analysis of the tributes that follow The book also has a preface by the coeditors and a forward by Salim Ahmed Salim the former Prime Minister of the United Republic of Tanzania and Secretary General of the Organisation of African Unity OAU now known as the Africa Union Dr Salim who served as the Secretary General of the OAU from 1989 to 2001 was Mazuris friend and contemporary Mazruri once described Salim as Mr Africa and the first real postcolonial Secretary General of the OAU *Social Action* ,1999
