Trisha Ful Biography:

Speaking of Dance Joyce Morgenroth, 2005-07-08 *Speaking of Dance Twelve Contemporary Choreographers on Their Craft* delves into the choreographic processes of some of America's most engaging and revolutionary dancemakers. Based on personal interviews, the book's narratives reveal the methods and quests of, among others, Merce Cunningham, Meredith Monk, Bill T. Jones, Trisha Brown, and Mark Morris. Morgenroth shows how the ideas, craft, and passion that go into their work have led these choreographers to disrupt known forms and expectations. The history of dance in the making is revealed through the stories of these intelligent, articulate, and witty dance masters. *Crimes and Trials of the Century* Frankie Y.

Bailey, Steven Chermak Ph.D., 2007-10-30 What do O. J. Simpson, the Lindbergh baby, and Gary Gilmore have in common? They were all the focus of famous crimes and/or trials in the United States. In this two-volume set, historical and contemporary cases that not only shocked the nation but that also became a part of the popular and legal culture of the United States are discussed in vivid and sometimes shocking detail. Each chapter focuses on a different crime or trial and explores the ways in which each became famous in its own time. The fascinating cast of characters, the outrageous crimes, the involvement of the media, the actions of the police, and the trials that often surprised combine to offer here one of the most comprehensive sets of books available on the subject of famous U.S. crimes and trials. The public seems fascinated by crime. News and popular media sources provide a steady diet of stories, footage, and photographs about the misfortunes of others in order to satisfy this appetite. Murder, rape, terrorism, gang-related activities, and other violent crimes are staples. Various crime events are presented in the news every day, but most of what is covered is quickly forgotten. In contrast, some crimes left a lasting impression on the American psyche. Some examples include the assassination of President John F. Kennedy, the bombing of the Murrah building in Oklahoma City, and the September 11th attacks. These events and other significant cases are immediately or on reflection talked about as crimes of the century. They earn this title not only because they generate enormous publicity but because of their impact on American culture; they help define historical eras, influence public opinion, about crime, change legal process, and focus concern about important social issues. They seep into many other shared aspects of social life: public conversation, fiction, and nonfiction, songs, poems, films, and folk tales. This set focuses on the many crimes of the century of the last 100 years. In vivid detail, each crime is laid out; the investigation is discussed; the media reaction is described; the trial, if there was one, is narrated; the resolution is explored; and the significance of the case in terms of its social, political, popular, and legal relevance is examined. Illustrations and sidebars are scattered throughout to enliven the text. Print and electronic resources for further reading and research are offered for those wishing to dig deeper. Cases include the Scopes Monkey trial, Ted Bundy, Timothy McVeigh, O. J. Simpson, Leopold and Loeb, Fatty Arbuckle, Al Capone, Jon Benet Ramsey, the Lacy Peterson murder, Abu Ghraib, Columbine, and more. *Writers' & Artists' Yearbook 2023* Bloomsbury
