From that Exceptional Balcony Alfred S. Iskander, 2022-02-03 Plain and simple here is the thing Hillary did not win because Hillary was not going to win Russia the Russians and Vladimir Putin Enough is enough with that Throw that cheap talk out the window Hillary went too far She is nothing more than a former first lady But she wants to make believe that she is larger than life She is not and nobody is Yes a lot of people voted for her Translation You were a good president Mr Clinton we do appreciate you See when it comes to what takes place on the political stage there is always room for translation Look at what happened with Jeb Bush He was thrown out of the race at a very early moment Poor Jeb did not have a chance Translation We don't want another George W Bush The rejection here was not meant for Jeb Bush as much as it was meant for George W Bush's brother Now then going back to Hillary with the same measuring scale the appreciation there was not meant for Hillary as much as it was meant for president Clinton's wife Hillary is inadequate she never was meant for the presidency of mighty United States of America More to the point even the position of Secretary of State was not really meant for her President Obama gave her the position mainly to heal the wounds of the party and move on He definitely was fully aware that others among the individuals that surrounded him were far more qualified than her Ask him Let us hear his answer He just

wanted to show the whole world that he forgave her for what she said to him and about him Shame on you Mr Obama Remember that language Well the truth is Hillary does not have the capacity to understand complex issues at depth just to give you an example here when the Muslim Brotherhood became in charge of Egypt she stood out there and announced Hey that is democracy smiling approvingly and nodding wholeheartedly in all directions Oh yeah Democracy eh Was it democracy when Hitler became in charge of Germany That was brainwashing utter deception and intimidation all the way Mr Trump I urge you to declare the Muslim Brotherhood the most violent terrorist organization on earth For that is precisely who they are a bunch of street thugs hardaEURcore criminals from anywhere you look at them Then you look at the other side and there you see the North Korean and the Chinese leaders one of them was born in Extortionsville and the other was born in Deceptionsville We don t know what will happen however whether the North Korean is driving toward war or toward peace China loves it anyway On the one hand the lengthy issue of North Korea is the best distraction to the whole world while China is colonizing and militarizing the South China Sea China has never ending territorial ambitionsaEURclaiming and disputing here and there all the time And having swallowed one region after another in the space of time I can sure tell you if you live on the moon China will have territorial disputes with you Now then on the other hand China is using the North Korean issue to blind the issue of those massive trade imbalances Five hundred and fifty billion Dollars a year What are we buying from China that we cannot make for ourselves at an unsurpassable degree of excellence What the hell is going on here That is not trade That is throat cutting and blood sucking That can t be Five hundred and fifty billion Get out of my face That is the biggest robbery in the history of mankindaEURsomeone is smoking something out thereaEURin the meantime someone is getting paid handsomely by the Chinese government to keep our relations with Russia at their lowest point It is in the Chinese book of secrets to make sure that the Americans wouldn t have friends in the Kremlin and the Russians wouldn t have friends in the White HouseaEURand by the way how could we end up paying China interest on borrowed money that had been stolen from us in the form of intellectual property and industrial secrets A serious confrontation with China is what is neededaEUR Not negotiations you do not negotiate with a thiefaEURread We Were Witches Ariel Gore,2017-09-05 This inspirational magic infused narrative is a moving account of a young writer and mother striving to claim her own agency and find her voice Publishers Weekly Buying into the dream that education is the road out of poverty a teen mom takes a chance on bettering herself and talks her way into college But once she s there phallocratic narratives permeate every subject Wryly riffing on feminist literary tropes We Were Witches documents the survival of a demonized single lesbian mother as she s beset by custody disputes homophobia and America s ever present obsession with shaming unconventional women into passive citizenship But even as the narrator struggles to graduate a question uncomfortably lingers If you re dealing with precarious parenthood queer identity and debt what is the true narrative shape of your experience *John Brown* Captain R. W. Campbell ,2014-12-25 Example in this ebook CHAPTER I THE CADET SCHOOL No doubt you have seen in the

highways and byways a lot of youths in khaki with white bands round their caps These boys are called cadets and are usually men home from the front to train for commissions In Sandhurst they are officially styled gentlemen cadets but apparently we are not supposed to be gentlemen we re just cadets Funny isn t it But that s the way of the army Well my name is John Brown a very ordinary name and I m one of those fellows Before the war I evaded toil by becoming a student and spent a lot of time on ologies and osophies Now I m learning to be a pukka officer and the leader of sixty men to the cannon s mouth When I left my battalion for the cadet school I shed no tears They were in the trenches or rather in the mud And it cost a pair of brand new boots to get on to the road However I survived and in due time landed at Windmoor This is a blasted heath swept by the winds and isolated from picture shows barmaids and revues not a petticoat in sight and at every corner a notice which amounts to England expects that every cadet this day will do his duty This is no Utopia I muttered falling into the first hut by the way Ye gods There was an old colonel with eyes like a hawk and cheeks like dumplings and what do you think he was doing Cutting his corns What the why the who the devil are you sah John Brown sir I said meekly for never in my life had I seen such a perfect relic of the Napoleonic wars Get to blazes out of this John Brown he roared putting his fat feet on the floor and banging the door I was again alone on the blasted heath The old gent inside was Colonel Eat All the commandant Rumour says he devoured two dervishes at Omdurman I stumbled on once more and found the orderly room This way said Sergeant Major Kneesup introducing me to the adjutant I clicked my heels in the style of a Guardsman and saluted like a railway signal Well said a blas looking gent with three pips looking up at me from his papers John Brown sir Who sent you here The War Office Umph I know nothing about you You had better go back to your regiment for your papers But I can t go all the way to France sir Well no perhaps not Wait a minute he said ringing a bell A clerk answered Have you any papers dealing with Cadet John Brown Yes sir Came a fortnight ago Thank you That s all The clerk went out Oh it s all right Brown Just go over to No 1 Company You ll see Sergeant Major Smartem there He ll fix you up Good luck he concluded with a genial smile I saluted and went out marvelling at the methods of the British Army I dug out the sergeant major and again announced that I was John Brown That s a fine name to go to bed with It s the one my mother gave me Oh well you can t help it Here s your blankets there s your bed You ll get your equipment to morrow Shove this white band on your cap Tea s at five o clock The lavatory s down there That s the canteen over yonder And when you want writing paper hymns or free salvation there s a Y M C A down the road Now push off John Brown I was extremely grateful for all this information in tabloid form but I had a lurking suspicion that my name was going to be a subject of rude jest However I am an optimist I pitched my bag into a corner of the hut pulled out a little book called The Pleasures of Hope and commenced to read till tea time But I was disturbed Cadet after cadet came filing in They were all new and rather green except one man called Beefy Jones What a ruddy place for a cadet school he roared My dear chap it is designed to protect our morality muttered a spectacled youth who looked like and proved to be an ex parson To be continue in this ebook *Paint it White* Gary Edwards,2011-11-25 In his

dedication to Leeds United Gary Edwards has no rivals He has seen every Leeds game since 17 January 1968 home and away League Cup and Europe And pre season friendlies Hell he even watches the reserves in his spare time Following Leeds he s been there done that and designed the T shirt Although a painter and decorator cum signwriter cum cartoonist he s never taken a break from his life as a full time football fan He s made a name for himself covering over red paint with white for free He s visited every country in Europe and flown all over the rest of the world to watch Leeds play If Leeds organised a five a side on the moon he d be on the first shuttle flight there Travelling the world to watch hundreds of players run around acres of grass he s also found time to drink gallons of ale see oceans of flesh and protect hundreds of animals He s saved lobsters in Barcelona clay pigeons in Worksop frogs in Kuala Lumpur and worms yes worms in Yorkshire He s been shot at in Greece run over in Denmark frightened the king in Sweden and had a beer with an elephant in Bangkok All this and still found the time to never miss a match or another chance to rid the world of the evil that is red in all its forms Behind him are almost four decades of Leeds lunacy laughter and white paint
