We Reap What We Sow Modeling Positive Adulthood For Adolescents:

We Reap What We Sow Anne W. Nordholm, 2013-07 As anyone who lives works or spends any time with teenagers knows adolescence can be both the best of times and the worst of times Teenagers are undergoing miraculous world altering shifts In light of these changes how can society help adolescents move safely from teen to adult How can adults and adolescents engage with each other in ways that are positive and mutually beneficial to one another s journeys In *We Reap What We Sow* author Dr Anne W Nordholm blends philosophical and educational approaches to demonstrate how you can cocreate an abundant future and help you guide a young person toward an engaging and meaningful adult life She first describes what it means to know ourselves and the difference that knowledge can make She then offers strategies that when modeled by adults adolescents absorb not from what we say but how we behave Every person must figure out a life that is individual is connected to a community and has a particular historical context This guide explores how we know and connect to our communities and how historical consciousness assists us in finding and creating meaningful work It also considers how we can be better guides to the next generation via skilled and disciplined communication and reconsiders the institutions we ve established for adolescent learning to better reflect what we understand as effective adult maturation Through the strategies presented in *We Reap What We Sow* adults can help youth navigate adolescence to become healthy thriving human beings

Parents: Adolescents Are Adults-With-Less-Sense Winston B. Stanley, 2013 Winston B Stanley PhD has spent many years serving as a pastor to adolescents At youth conferences retreats and other events he has always sought out to provide wisdom and guidance This guidebook for parents and youngsters alike is his way of sharing how to steer the lives of young people in a positive direction You ll learn how adolescents think differently than adults how examples of adolescents in biblical times provide lessons for today how guidance from God can be applied to help young people and how modeling nurturing and teaching can aid adolescents Stanley also offers guidance on promoting healthy essentials for physical development tips on discipline and ways to help young people take responsibility for their actions It s important to get the knowledge you need to confront the tough issues of being a parent and of becoming an adult As a parent or young person you need to understand the psychology and dynamics that define adolescence You ll find the answers you need from a longtime pastor who has spent long hours listening encouraging and counseling young people in *Parents Adolescents are Adults with Less Sense*
