Congressional Record United States. Congress,1982-08 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Western Theater of the Civil War* Charles River Editors,2025-05-01 While the Lincoln Administration and most Northerners were preoccupied with trying to capture Richmond in the summer of 1861 it would be the little known Ulysses S Grant who delivered the Union s first major victories over a thousand miles away from Washington Grant s new commission

led to his command of the District of Southeast Missouri headquartered at Cairo after he was appointed by The Pathfinder John C Fremont a national celebrity who had run for President in 1856 Fremont was one of many political generals that Lincoln was saddled with and his political prominence ensured he was given a prominent command as commander of the Department of the West early in the war before running so afoul of the Lincoln Administration that he was court martialed In January of 1862 Grant persuaded General Henry Old Brains Halleck to allow his men to launch a campaign on the Tennessee River As soon as Halleck acquiesced Grant moved against Fort Henry in close coordination with the naval command of Flag Officer Andrew Hull Foote The combination of infantry and naval bombardment helped force the capitulation of Fort Henry on February 6 1862 and the surrender of Fort Henry was followed immediately by an attack on Fort Donelson on the Cumberland River which earned Grant his famous nickname Unconditional Surrender Grant s forces enveloped the Confederate garrison at Fort Donelson which included Confederate generals Simon Buckner John Floyd and Gideon Pillow In one of the most bungled operations of the war the Confederate generals tried and failed to open an escape route by attacking Grant s forces on February 15 Although the initial assault was successful General Pillow inexplicably chose to have his men pull back into their trenches ostensibly so they could take more supplies before their escape Instead they simply lost all the ground they had taken and the garrison was cut off yet again

LiveJournal and Russian Disinformation J.J. Sylvia IV,2025-11-13 In LiveJournal and Russian Disinformation J J Sylvia IV analyzes the role of blogging platform LiveJournal in Russia s information warfare strategy examining its evolution and co optation as a case study Through rigorous analysis Sylvia demonstrates how epistemic sabotage became central to the Kremlin s efforts to manipulate truth and more broadly how the ever increasing reach of the internet and social media platforms can be weaponized by authoritarian regimes to disrupt knowledge systems and destabilize democracies While the growing ubiquity of the internet and its networks have ushered in countless opportunities and benefits on individual organizational and international levels Sylvia emphasizes the double edged sword of the new risks that must be considered in turn As fascism is on the rise worldwide and anti democratic governments wield social media as a tool to stoke division and spread disinformation among citizens worldwide democratic countries being no exception he contends that understanding this tactical shift is critically relevant not only to the Russian context but also to the challenges of navigating truth and democracy on a global scale in the 21st century LiveJournal and Russian Disinformation coherently identifies documents and interprets the logics and implications of this evolution in warfare leaving readers with a more nuanced understanding of the platform as an early battle in a new digital arena one which is not likely to be the last

Disobedience and Conspiracy in the German Army, 1918-1945 Robert B. Kane,2008-04-24 This work examines among other topics the personal oath of loyalty that the officers of the German army swore to Adolf Hitler on August 2 1934 It discusses how the majority of officers those who did not become conspirators against him complied with Hitler s orders until May 1945 despite his cruel treatment of soldiers militarily unsound strategy and tactics and the

widespread destruction and crimes he and his forces committed The oath taken by the officers had a strong psychological effect among a proud corps with a long history of obedience and honor They followed Hitler to the end even though they knew they were fighting a losing battle The author also examines why and how only a few officers the conspirators began to break away lose trust in Hitler oppose him and finally stage an assassination attempt This history traces the development within the German army from 1918 of the philosophies of loyalty and disloyalty and obedience and disobedience as challenged by the Hitlerian oath of loyalty **Military Review** ,1990 Review of Current Military Literature ,1990
 Professional Journal of the United States Army ,1990
