Anytime Crafts Kids Can Make Highlights, Highlights for Children Editorial Staff, 1981-12 **Rethinking Environmental Education in a Climate Change Era** Tonya Rooney, Mindy Blaise, 2022-12-23 As the impact of climate change has become harder to ignore it has become increasingly evident that children will inherit futures where climate challenges require new ways of thinking about how humans can live better with the world This book re-situates weather in early childhood education examining people as inherently a part of and affected by nature and challenges the positioning of humans at the centre of progress and decision making Exploring the ways children can learn with weather this book for researchers and advanced students works with the pedagogical potential in children's relations with weather as a vital way of connecting with and responding to wider climate concerns **Strange as This Weather Has Been** Ann Pancake, 2007-09-10 A West Virginia

family struggles amid the booms and busts of the Appalachian coal industry in this powerful sure-footed and haunting novel with echoes of John Steinbeck New York Times Book Review Set in present day West Virginia this debut novel tells the story of a coal mining family a couple and their four children living through the latest mining boom and dealing with the mountaintop removal and strip mining that is ruining what is left of their hometown As the mine turns the mountains to slag and wastewater workers struggle with layoffs and children find adventure in the blasted moonscape craters *Strange as This*

Weather Has Been follows several members of the family with a particular focus on fifteen year old Bant and her mother Lace Working at a motel Bant becomes involved with a young miner while her mother contemplates joining the fight against the mining companies As domestic conflicts escalate at home the children are pushed more and more frequently outside among junk from the floods and felled trees in the hollows the only nature they have ever known But Bant has other memories and is as curious and strong willed as her mother and ultimately comes to discover the very real threat of destruction that looms as much in the landscape as it does at home **Hardware World** ,1925 *Toys and Novelties* ,1913 Billboard
