Sound, Space and Society Kimberley Peters, 2017-11-30 In 1964, rebel radio stations took to the seas in converted ships to offer listening choice to a young, resistant audience against a backdrop of restrictive broadcasting policies. This book draws on this exceptional moment in social history and the decades that followed, teasing out the relations between sound, society and space that were central to pirate broadcasting activities. With a turn towards mediated life, in geography studies of radio have been largely absent. However, radio remains the most pervasive mass communications medium. This book breaks new ground, discussing in depth the relationship between radio, space and society, considering how space matters in the production, consumption and regulation of audio transmission through the geophysical spaces of sea, land and air. It is relevant for readers interested in geographies of media, sensory spatial experience, everyday geopolitics and the turn towards elemental and more-than-human geographies.

Community Radio in South Asia Kanchan K. Malik, Vinod Pavarala, 2020-06-09 This book explores the state of community radio, a significant independent media movement that began about two decades ago in different parts of South Asia. The volume outlines the socioeconomic and historical contexts for understanding the evolution and functioning of community radio in an increasingly globalised media environment. It provides a ring-side view of how various countries in South Asia have formulated policies that enabled the emergence of this third sector of broadcasting.

public and private being the other two through radio rendering the media ecology in the region more pluralistic and diverse. The chapters in the volume interspersed by practitioner perspectives discuss a range of key issues related to community radio: radio policies, NGOisation of community radio, spectrum management and democratisation of technology, disasters, emergencies, gender issues, sustainability and conflicts. One of the first of its kind, this volume will appeal to scholars and researchers of community media and independent media studies, cultural studies as well as sociology and social anthropology and South Asian studies.

The Radio Station John Hendricks, Bruce Mims, 2018-05-01. The Radio Station offers a concise and insightful guide to all aspects of radio broadcasting, streaming and podcasting.
