

Water Corporation Submits 267 Memberships To Engineer

The Murran Water Supply Corporation submitted a list of 267 paid memberships in the organization to the engineering firm of Tatum & Towler this week, according to County Judge Huddie Fletcher.

That list is by no means final, said Pincus, who admits that he is unable to put an estimate on the ultimate number of members expected for the co-op.

“We still don’t know exactly how this thing off Microsoft is going

In turn," explained Fischer, "although it now looks as if they intend to upgrade their present system and progress on their own. However, Morris isn't the only person that we can't make an estimate," Fischer continued. "There are many others who have expressed a definite interest in our technology and our team members. We are still working the Brookridge area as well as several other areas."

outside the county. "According to the judge, the majority of the 267 members now listed are Shoshone. County residents are from Idaho, Oregon, Nevada, Wyoming, Utah, California, Montana and Throckmorton, Co. Tex. "We have from 40 to 50 members from the west side of Hellsburg and we find that this area could mean more to something big. These people were not able to obtain water from the Stephens County River when they bought their land some years ago. It was not economically feasible to provide water service to them because of the natural beauty of the area. It is a good idea to get water to them through our system."

"Unfortunately, and as everyone who has been involved in this knows, we have a very limited number of people who are trained in this area," said Dr. Robert L. Thompson, director of the program. "We have a very limited number of people who are trained in this area, and we have a very limited number of people who are trained in this area."

The corporation has engaged an attorney, David Hardman, to supply the exhibits and financial data to the committee. The corporation has the right to select the attorney and the right to select the number of the representatives, a financial statement must be filed and the corporation must be a

The company's latest application showed the school needs \$22.5 million more to build 15 new classrooms, replace roof trusses and install air conditioning.
