Con Buckley, 2015-02-12 These introductions homilies reflections and prayers are not theory but a priest's experience of a liturgical approach that works The testimony of the faithful who say what a lovely mass what a moving homily could I have a copy is his touchstone So is the popularity of the homilies on his internet web A Priest Reflects

This book works because it treats each Sunday liturgy as a seamless robe of rich interwoven themes. Thus the introduction identifies the links between the Old Testament reading and the Gospel and adds any gems from the second reading. Then when the scripture is read, people are clued in to the overall import, listen more profitably. The homily elaborates the key themes from the readings further and relates them to life with stories, anecdotes, newspaper headlines, references to common events, etc. The aim is that the Word should light up our contemporary experience. The final doxology reinforces the point that the Word is life for this world, not just the next. The creed introduction summarizes the whole, and the prayers carry that on into petitions for church leaders, civil authorities, youth, the sick, the dead, and special needs. There are special prayers for our youth, that gaps in our congregations there will be bridged. And the presiding minister should add other topical issues of the day. The reflection after holy communion again reinforces the overall message but also leaves the people of God with something spicy and memorable to take home. So all in all, this book should light up our masses or services and make them gospel-based, relevant, inspirational, and focused. The homilies are timed at about five minutes, people's normal attention span. So don't miss out on this innovative book. Buy it, and it will light up your Sunday mass and provide spiritual food for the following week.

The Way of Faith 2016: Keeping Lent, Triduum, and Easter Time Stephen S. Wilbricht, CSC, 2016-01-21. The Way of Faith enables parishes to provide their parishioners with simple materials that invite them to pray with Scripture throughout Lent, the Sacred Paschal Triduum, and Easter Time. Original full-color artwork throughout enhances parishioners' understanding and experience of the scriptural themes that run throughout the booklet. This resource includes daily Scripture and reflections throughout Lent, helping parishioners to reflect on their Lenten journey and practices in light of the stories of some of our ancestors in faith, including Moses, David, and Abraham. Reflections on Scripture are also included for each day of the Sacred Paschal Triduum, along with rich artwork that helps parishioners to connect the celebration of the liturgy on these days to the Scripture that we hear. The weekly materials for Easter Time help parishioners to reflect on their experience of Lent and the Triduum and apply these spiritual lessons to their ongoing growth in faith.
