And I've helped HUNDREDS of aspiring fashion entrepreneurs discover what the right steps are and build their own successful boutiques. It might not be easy, but IT IS simple. I know how easy it is to get stuck in a cycle of worrying. It seems like there's so much to think about: Start-up capital, Acquiring your initial inventory, Finding the right space, Locating suppliers, Sourcing materials, Contracts and agreements. And so much more. And all of a sudden, months have gone by, and you're no closer to your goal. Your dream is dying on the vine. First, you start worrying. Then you read a few articles to try to find some help. Then you don't know which answer is the right one or who you can trust. And then you start worrying again. Do you see what's missing in that process? Action. Most people who want to open a boutique spend so much time bouncing back and forth between worrying and reading that they never take any action at all. They don't send out emails. They don't make phone calls. They don't set up meetings. They don't find a mentor. And then they're right back where they started. It's time to break the cycle. It's time for you to get on board with a proven plan for building a boutique that you can count on to help you meet your goals. boutique4 It's time to stop spending hours and hours of your precious time worrying and reading amateur opinions about what you should do.
