High-Impact Letters for Busy Principals Marilyn L. Grady, 2006-07-21 Grady's book encourages principals who are perpetually pressed for time to get to correspondence that languishes at the bottom of their to do lists My own correspondence has doubled since getting my hands on this book Cathie West Principal Mountain Way Elementary School Granite Falls WA The letters cover a wide variety of topics and give administrators ideas on what kind of letters to write After going through the letters I realize that I need to send more letters of appreciation to parents and organizations Gina Segobiano Principal Superintendent Signal Hill School District 181 Belleville IL Build a culture of care with positive communication As the key communicators for schools principals write a wide range of correspondence from thank you letters and congratulations to best wishes and other personal notes Yet this critical responsibility can easily fall victim to every administrator's busy schedule Marilyn Grady's updated and expanded collection of letters is truly a time saving starter kit with user friendly and easy to personalize templates to revitalize every busy administrator's communications repertoire This practical resource provides jargon free templates useful for Improving communication with parents teachers and other school stakeholders Initiating a letter a day plan to improve school culture Advancing parent education health and wellness and safety initiatives among others Reminding you to communicate with all stakeholders Evaluating your current written communication Identifying areas where you could communicate more This targeted collection will add a new level of organization efficiency and effectiveness to your communication tasks Unlock the secrets of effective communication and watch relationships on all levels flourish Includes a PC and Mac compatible CD ROM containing all letters for easy customization Back to School Grades 4-6 Creative Teaching Press, 2000-03 Classroom Record Keeping Made Simple Diane Mierzwik, 2005-06-15 Record Keeping Made Simple provides excellent tips and would be perfect for both new and experienced teachers I picked up a number of useful pointers that I had never thought of in my 28 years of teaching Sharon Jeffery National Board Certified Teacher Plymouth Public Schools MA This book will help teachers deal effectively with students and parents protect themselves with adequate and proper documentation and improve student achievement It's also

easy to read and gets to the point Charles F Adamchik Jr Director of Curriculum Learning Sciences International Blairsville PA Transform record keeping from a dreaded chore into a strategy for success It s no secret that even the most successful teachers struggle to make the best use of their time This enlightening text provides tips strategies and best practices for how all teachers from novices to veterans can find additional daily time while also improving documentation through better record keeping management Included in this resource are dozens of reproducible forms to assist teachers in maintaining accurate records from lesson plans to records of parent teacher conferences These forms along with invaluable author insight will assist teachers in Developing lifelong habits in good record keeping Helping their school meet accountability measures while reducing liability threats Discovering the real life benefits that result from good record keeping Learning how to tailor record keeping strategies to meet the needs of special populations parents and more Learn how fast and accurate record keeping can save time and result in even more successful teaching **ERS Spectrum** ,1993 *The Conduct of Composition Work in Grammar Schools* Henry Lincoln Clapp,Katharine W. Huston,1902 *124 High-Impact Letters for Busy Principals* Marilyn L. Grady,2000-08-16 The letters that can make a difference in the principalship often are the letters that principals have no time to prepare Often must write negative letters consume the principal s letter writing energies This collection of letters is primarily focused on the letters that principals have no time to prepare Clearly principals know how to write letters They simply have incredible time constraints The letters in this manual are not a substitute for the personalized letters that principals will craft This collection is merely a starter kit The timesaving templates are easy to personalize and customize with the CD that provides a powerful and effective tool ready at the click of the computer mouse

Everyland Lucy W. Peabody,Helen Barrett Montgomery,1913 *The Conscious Teacher* Deborah Nichols Poulos,2020-01-13 The Conscious Teacher is about all kinds of strategies and techniques educators might employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes The Conscious Teacher unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every

minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night s Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling *Everyland* ,1914 **The Union Pacific Magazine** ,1930 Employee magazine of the Union Pacific System **The Disston Crucible, a Magazine for the Millman** ,1914 News-letter ,1946 **Instructor** ,1995 *The Organized Teacher's Guide to Your First Year of Teaching, Grades K-6, Second Edition* Steve Springer,Brandy Alexander,Kimberly Persiani,2019-06-22 Make your first year and every year a success with this essential guide As a new teacher you can be completely overwhelmed feeling lost and not knowing where to start when you receive the keys for the first time The Organized Teacher s Guide to Your First Year of Teaching Second Edition will be your guide during these first few days and weeks and put you on the road to success Written by an award winning author team this practical guide will help you successfully navigate your new role You ll find a series of checklists charts and diagrams and guidelines you can use to organize your lessons schedule and classroom There s a ton of reproducible content in the book and an additional 50 pages of content can accessed online This essential resource will help you thrive in your first year and beyond The Organized Teacher s Guide to Your First Year of Teaching Second Edition features All in one resource and checklist for teachers of grades K 6 Expert advice on organizing your classroom Suggestions for planning lessons and creating schedules Reproducible content in the book and available online ready for you to use Charts diagrams and checklists for organizing a new classroom Tips on increasing productivity and more *Normal Instructor and Teachers World* ,1924 New York Teachers' Monographs ,1916 **Teachers Monographs** ,1916 **The Etude** ,1900
