Welfare Reform And Sexual Regulation:

Welfare Reform and Sexual Regulation Anna Marie Smith, 2007-07-09 Inspired by the political interventions of feminist women of color and Foucauldian social theory Anna Marie Smith explores the scope and structure of the child support enforcement family cap marriage promotion and abstinence education measures that are embedded within contemporary United States welfare policy Presenting original legal research and drawing from historical sources social theory and normative frameworks the author argues that these measures violate the rights of poor mothers Drawing on several historical precedents the author shows that welfare policy has consistently constructed the sexual conduct of the racialized poor mother as one of its primary disciplinary targets The book concludes with a vigorous and detailed critique of Sen Hillary Rodham Clinton's support for welfare reform law and an outline of a progressive feminist approach to poverty policy

Feminist and Queer Legal Theory Martha Albertson Fineman, Jack E. Jackson, Adam P. Romero, 2016-04-15 Feminist and Queer Legal Theory Intimate Encounters Uncomfortable Conversations is a groundbreaking collection that brings together leading scholars in contemporary legal theory The volume explores at times contentious convergences and departures among a variety of feminist and queer political projects These explorations foregrounded by legal issues such as marriage equality sexual harassment workers rights and privacy re draw and re imagine the alliances and antagonisms constituting feminist and queer theory The essays cross a spectrum of disciplinary matrixes including jurisprudence political philosophy literary theory critical race theory women's studies and gay and lesbian studies The authors occupy a variety of political positions vis vis questions of identity rights the state cultural normalization and economic liberalism The richness and vitality of feminist and queer theory as well as their relevance to matters central to the law and politics of our time are on full display in this volume

Intimacies Alan Frank, Patricia T. Clough, Steven Seidman, 2013-07-24 In the last decade or so there has been a shift in the popular and academic discussion of our personal lives Relationships and not necessarily marriage have gravitated to the center of our relational lives Many of us feel entitled to seek intimacy an emotionally depthful social bonding rather than simply security or companionship from our relationships Unlike in a marriage centred culture intimacy is today pursued in varied relationships from familial to friends and to romances And intimacies are being forged in multiple venues from face to face to virtual cyber contexts A new scholarship has addressed this changing terrain of personal life there is today a vast literature on cohabitation parenthood without marriage sex and love outside marriage queer families cyber intimacies and friendships However much theorizing and research has focussed either on the interior subjective or sociocultural aspects of intimacies not their interaction This volume aims to break new ground Intimacies explores the psychological terrain of intimacy in depthful ways without abandoning its sociohistorical context and the centrality of power dynamics Drawing on a rich archive that includes the social sciences feminism queer studies and psychoanalysis the contributors examine changing cultures of intimacy fluid and solid attachments and intimacies from hook

ups to sibling bonds to erotic love a politics of intimacy that may involve state enforced hierarchies class misrecognition social exclusion and violence embodied experiences of intimacy and dynamics of endings and loss a pluralization of intimacies that challenge established ethical hierarchies This volume aims to define the cutting edge of this emerging field of scholarship and politics It challenges existing paradigms that assume rigid hierarchical approaches to relational life Intimacies will be of interest for psychoanalysts and for students or scholars in sexualities gender studies family studies feminism studies queer studies social class cultural studies and philosophy

Political Worlds of Women Mary Hawkesworth, 2018-04-19 Political Worlds of Women provides a comprehensive overview of women's political activism comparing formal and informal channels of power from official institutions of state to grassroots mobilizations and Internet campaigns Illuminating the politics of identity enmeshed in local national and global gender orders this book explores women's creation of new political spaces and innovative political strategies to secure full citizenship and equal access to political power Incorporating case studies from Africa Asia Europe and the Americas Mary Hawkesworth analyzes critical issues such as immigration and citizenship the politics of representation sexual regulation and gender mainstreaming in order to examine how women mobilize in this era of globalization Political Worlds of Women deepens understandings of national and global citizenship and presents the formidable challenges facing racial and gender justice in the contemporary world It is an essential resource for students and scholars of women's studies and gender politics

We Just Keep Running the Line LaGuana Gray, 2014-11-05 The poultry processing industry in El Dorado Arkansas was an economic powerhouse in the latter half of the twentieth century It was the largest employer in the interconnected region of South Arkansas and North Louisiana surrounding El Dorado and the fates of many related companies and farms depended on its continued financial success We Just Keep Running the Line is the story of the rise of the poultry processing industry in El Dorado and the labor force composed primarily of black women upon which it came to rely At a time when agricultural jobs were in decline and Louisiana stood at the forefront of rising anti welfare sentiment much of the work available in the area went to men driving women into less attractive labor intensive jobs LaGuana Gray argues that the justification for placing African American women in the lowest paying and most dangerous of these jobs like poultry processing derives from longstanding mischaracterizations of black women by those in power In evaluating the perception of black women as less than white women less feminine less moral less deserving of social assistance and less invested in their families and communities well being Gray illuminates the often exploitative nature of southern labor the growth of the agribusiness model of food production and the role of women of color in such food industries Using collected oral histories to allow marginalized women of color to tell their own stories and to contest and reshape narratives commonly used against them We Just Keep Running the Line explores the physical and psychological toll this work took on black women analyzing their survival strategies and their fight to retain their humanity in an exploitative industry

Rethinking Sexual Citizenship Jyl J.

Josephson,2016-05-01 Public policy often assumes there is one correct way to be a family Rethinking Sexual Citizenship argues that policies that enforce this idea hurt all of us and harm our democracy Jyl J Josephson uses the concept of sexual citizenship a criticism of the assumption that all families have a heterosexual at their center to show how government policies are made to punish or reward particular groups of people This analysis applies sexual citizenship not only to policies that impact LGBTQ families but also to other groups including young people affected by abstinence only public policies and single parent families affected by welfare policy The book also addresses the idea that the normal family in the United States is white It concludes with a discussion of how scholars and activists can help create a more inclusive democracy by challenging this narrow view of public life Research Handbook on Feminist Jurisprudence Robin West,Cynthia Grant Bowman, The Research Handbook on Feminist Jurisprudence surveys feminist theoretical understandings of law including liberal and radical feminism as well as socialist relational intersectional post modern and pro sex and queer feminist legal theories

The Cultural Politics of U.S. Immigration Leah Perry,2016-09-27 How the immigration policies and popular culture of the 1980 s fused to shape modern views on democracy In the 1980s amid increasing immigration from Latin America the Caribbean and Asia the circle of who was considered American seemed to broaden reflecting the democratic gains made by racial minorities and women Although this expanded circle was increasingly visible in the daily lives of Americans through TV shows films and popular news media these gains were circumscribed by the discourse that certain immigrants for instance single and working mothers were feared censured or welcomed exclusively as laborers In *The Cultural Politics of U S Immigration* Leah Perry argues that 1980s immigration discourse in law and popular media was a crucial ingredient in the cohesion of the neoliberal idea of democracy Blending critical legal analysis with a feminist media studies methodology over a range of sources including legal documents congressional debates and popular media such as *Golden Girls* *Who s the Boss* *Scarface* and *Mi Vida Loca* Perry shows how even while multicultural immigrants were embraced they were at the same time disciplined through gendered discourses of respectability Examining the relationship between law and culture this book weaves questions of legal status and gender into existing discussions about race and ethnicity to revise our understanding of both neoliberalism and immigration *Public Affairs* Paul Apostolidis,Juliet A. Williams,2004-01-14 Collection of essays analyzing political sex scandals and U S political culture from a variety of theoretical angles including feminism cultural studies Marxist critical theory queer theory and critical race theory **Strange Bedfellows** Alison Lefkowitz,2018-05-15 *Strange Bedfellows* recounts the unlikely ways in which the efforts of feminists and divorced men s activists dovetailed with the activity of lawmakers judges welfare activists immigrant spouses the LGBTQ community the Reagan coalition and other Americans to redefine family and marriage without relying on traditional gender norms **Neoliberal Culture** Patricia Ventura,2012 *Neoliberal Culture* presents a framework for analysing neoliberalism in the United States as a culture or structure of feeling which shapes American everyday life The book proposes five components as the keys to any study of

American neoliberal culture biopower corporatocracy globalization the erosion of welfare state society and hyperlegality Carefully organized according to its central themes and adopting a case study approach in order to allow for thorough illustrated analyses this book is an important tool for scholars and students of contemporary cultural studies popular culture American Studies and sociology

Neoliberal Culture Dr Patricia Ventura, 2012-11-01 Departing from the conventional understanding of neoliberalism as a set of economic and political policies favoring free markets Neoliberal Culture presents a framework for analyzing neoliberalism in the United States as a culture or structure of feeling which shapes American everyday life The book proposes five components as the keys to any study of American neoliberal culture biopower corporatocracy globalization the erosion of welfare state society and hyperlegality these five components enabling rich analyses of key artifacts of the neoliberal era including the Iraq War Las Vegas welfare reform Walmart and Oprah's Book Club Carefully organized according to its central themes and adopting a case study approach in order to allow for thorough illustrated analyses this book is an important tool for scholars and students of contemporary cultural studies popular culture American Studies and sociology

Fostering Autonomy Elizabeth Ben-Ishai, 2012-02-01 Building on a feminist conception of individual autonomy explores the obligation of the state to foster autonomy in its citizens particularly the most vulnerable through social service delivery Draws on both successful and less successful examples of service delivery to generate a theoretical account of the autonomy fostering state Provided by publisher

America and the Misshaping of a New World Order Giles Gunn, Carl Gutiérrez-Jones, 2010-06 An important and telling critique of the myth and rhetoric of contemporary American expansionism and grand strategy What is particularly original about these essays and unusually rare in studies of American foreign policy is their provocative combination of cultural and literary analysis with a subtle appreciation of the historical transformation of political forms and principles of world order Stephen Gill author of Power and Resistance in the New World Order

God Forbid Kathleen M. Sands, 2000-11-16 Since the 1980s religion has been most visible in American public life when issues of sexuality and reproduction are at stake Paradoxically however the voices that speak most loudly in the name of religion are often unschooled in religious history world religions theology or ethics As a result religion in America is misrepresented as anxiously and obsessively concerned with sex and as uniformly supporting the conservative agenda of family values This volume corrects that distortion in American public discourse Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family gay rights abortion welfare policy prostitution and assisted reproduction They richly display the complexities and conflicts that exist not only between but within America's various religious traditions for example the pro choice strain within Christian history the support of many religious denominations for gay rights and the criticism of patriarchal family structures within religious communities past and present In these essays contributors put forth views of sexual ethics that are just and compassionate respectful of cultural pluralism and attentive to democratic processes Thoroughly researched lucidly written and carefully argues this

anthology will debunk the claims of the Religious Right to be the only religious word on sexuality in America **American Marriage** Priscilla Yamin, 2012-07-24 As states across the country battle internally over same sex marriage in the courts in legislatures and at the ballot box activists and scholars grapple with its implications for the status of gays and lesbians and for the institution of marriage itself Yet the struggle over same sex marriage is only the most recent political and public debate over marriage in the United States What is at stake for those who want to restrict marriage and for those who seek to extend it Why has the issue become such a national debate These questions can be answered only by viewing marriage as a political institution as well as a religious and cultural one In its political dimension marriage circumscribes both the meaning and the concrete terms of citizenship Marriage represents communal duty moral education and social and civic status Yet at the same time it represents individual choice contract liberty and independence from the state According to Priscilla Yamin these opposing but interrelated sets of characteristics generate a tension between a politics of obligations on the one hand and a politics of rights on the other To analyze this interplay American Marriage examines the status of ex slaves at the close of the Civil War immigrants at the turn of the twentieth century civil rights and women s rights in the 1960s and welfare recipients and gays and lesbians in the contemporary period Yamin argues that at moments when extant political and social hierarchies become unstable political actors turn to marriage either to stave off or to promote political and social changes Some marriages are pushed as obligatory and necessary for the good of society while others are contested or presented as dangerous and harmful Thus political struggles over race gender economic inequality and sexuality have been articulated at key moments through the language of marital obligations and rights Seen this way marriage is not outside the political realm but interlocked with it in mutual evolution **Not Just Roommates** Elizabeth H. Pleck, 2012-04-16 The late twentieth century has seen a fantastic expansion of personal sexual and domestic liberties in the United States In Not Just Roommates Elizabeth H Pleck explores the rise of cohabitation and the changing social norms that have allowed cohabitation to become the chosen lifestyle of more than fifteen million Americans Despite this growing social acceptance Pleck contends that when it comes to the law cohabitators have been and continue to be treated as second class citizens subjected to discriminatory laws limited privacy a lack of political representation and little hope for change Because cohabitation is not a sexual identity Pleck argues cohabitators face the legal discrimination of a population with no group identity no civil rights movement no legal defense organizations and often no consciousness of being discriminated against Through in depth research in written sources and interviews Pleck shines a light on the emergence of cohabitation in American culture its complex history and its unpleasant realities in the present day [Handbook of Neoliberalism](#) Simon Springer, Kean Birch, Julie MacLeavy, 2016-07-07 Neoliberalism is easily one of the most powerful discourses to emerge within the social sciences in the last two decades and the number of scholars who write about this dynamic and unfolding process of socio spatial transformation is astonishing Even more surprising though is that there has until now not been an attempt to provide a wide

ranging volume that engages with the multiple registers in which neoliberalism has evolved The Routledge Handbook of Neoliberalism seeks to offer a comprehensive overview of the phenomenon of neoliberalism by examining the range of ways that it has been theorized promoted critiqued and put into practice in a variety of geographical locations and institutional frameworks With contributions from over 50 leading authors working at institutions around the world the volumes seven sections will offer a systematic overview of neoliberalism s origins political implications social tensions spaces natures and environments and aftermaths in addressing ongoing and emerging debates The volume aims to provide the first comprehensive overview of the field and to advance the established and emergent debates in a field that has grown exponentially over the past two decades coinciding with the meteoric rise of neoliberalism as a hegemonic ideology state form policy and program and governmentality It includes a substantive introductory chapter and will serve as an invaluable resource for undergraduates graduate students and professional scholars alike

Regulating Desire J. Shoshanna Ehrlich, 2014-09-30 Examines the organized efforts to reshape the law relating to young women s sexuality in the United States Starting with the mid nineteenth century campaign by the American Female Moral Reform Society to criminalize seduction and moving forward to the late twentieth century conservative effort to codify a national abstinence only education policy *Regulating Desire* explores the legal regulation of young women s sexuality in the United States The book covers five distinct time periods in which changing social conditions generated considerable public anxiety about youthful female sexuality and examines how successive generations of reformers sought to revise the law in an effort to manage unruly desires and restore a gendered social order J Shoshanna Ehrlich draws upon a rich array of primary source materials including reform periodicals court cases legislative hearing records and abstinence curricula to create an interdisciplinary narrative of socially embedded legal change Capturing the complex and dynamic nature of the relationship between the state and the sexualized youthful female body she highlights how the law both embodies and shapes gendered understandings of normative desire as mediated by considerations of race and class Extremely thorough and very enjoyable to read this book provides an authoritative scholarly voice on its subject matter Alesha E Doan coauthor of *The Politics of Virginity Abstinence in Sex Education*

Political Worlds of Women, Student Economy Edition Mary Hawkesworth, 2018-04-19 This book examines female engagement in both traditional and unconventional political arenas including female sociability salons child rearing and education health consumption religious reform and nationalism

Welfare Reform And Sexual Regulation Introduction

In today's digital age, the availability of Welfare Reform And Sexual Regulation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Welfare Reform And Sexual Regulation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Welfare Reform And Sexual Regulation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Welfare Reform And Sexual Regulation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Welfare Reform And Sexual Regulation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Welfare Reform And Sexual Regulation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Welfare Reform And Sexual Regulation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Welfare Reform And Sexual Regulation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Welfare Reform And Sexual Regulation books and manuals for download and embark on your journey of knowledge?

FAQs About Welfare Reform And Sexual Regulation Books

What is a Welfare Reform And Sexual Regulation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Welfare Reform And Sexual Regulation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Welfare Reform And Sexual Regulation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Welfare Reform And Sexual Regulation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like

Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Welfare Reform And Sexual Regulation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
