XL Love How The Obesity Crisis Is Complicating Americas Love Life:

XL Love Sarah Varney, 2014-08-19 With two out of every three Americans overweight or obese it's all hands on deck scientists are studying how excess fat changes physical and mental health demographers are calculating how it's shortening life spans and economists are debating the impact it has on America's productivity and global competitiveness But how weight affects intimacy and sexuality is barely discussed Yet it's a question of high importance for the tens of millions of Americans who are overweight or obese and having difficulty sexually and romantically It is changing and complicating the mating game and married life alike stunting the ability of young people to find happiness and tipping some heavy but otherwise happy couples into divorce For many a larger body has meant a more troubled mind a decline in sexual quality an increase in self loathing and a tendency to let these factors stand in the way of love In *XL Love* Varney travels the country and tells the personal stories of men and women who are experiencing what millions of others feel every day along with the stories of those who are in the business of helping them physicians researchers scientists psychologists sociologists and more Analytic and immersive personal and eye opening *XL Love* tackles the question How is sex changing in America as the shape of Americans changes
