Way Of Love Way Of Love:

The Way of Love Church Publishing Incorporated, 2018-12-01 A brief guide on how this spiritual practice can enrich your life Jesus teaches us to come before God with humble hearts boldly offering our thanksgivings and concerns to God or simply listening for God's voice in our lives and in the world Whether in thought word or deed individually or corporately when we pray we invite and dwell in God's loving presence Jesus often removed himself from the crowds to quiet himself and commune with God He gave us examples of how to pray including the Lord's Prayer Will you continue in the prayers I will with God's help This series of seven Little Books of Guidance are designed for you to discover how following certain practices can help you follow Jesus more fully in your daily life *Cosmology of Love* Laura Smith Biswas, 2022-02-20 Experiencing love in life is the paramount wish for all of us Join in with your loved ones to discover your specific needs so that greater love can flow in your life and to the ones you love It is with grace that author Laura Smith Biswas elucidates many forms of love to allow you to build from small specific steps to a love filled life Her proven discovery process will open your eyes to what you need and what those you love are seeking in return Uncovering the ways that you desire to be loved will allow you to better communicate them and see the actions to foster deeper connection and intimacy In addition the *Cosmology of Love* will inspire you to lay the foundation for loving yourself more fully The *Cosmology of Love* is supported by the companion book *Affirmations of Love* that takes this discovery process further to provide over 400 affirmations for integration and practice of the ways of loving described in this book *The Phenomenology of Love and Reading* Cassandra Falke, 2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature's relationship to our ethical lives Jean Luc Marion's articulation of a phenomenology of love provides this philosophical grounding The *Phenomenology of Love and Reading* accepts Jean Luc Marion's argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love's habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life **The Power of Love** Bishop Michael Curry, 2018-10-30 Love is the way Love is the only way Those who follow in my way follow in the way of unconditional unselfish sacrificial love And that kind of love can change the world Bishop Michael Curry Two billion people watched Bishop Michael Curry deliver his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle now the Duke and Duchess of Sussex at Windsor Castle Here he shares the full text of the sermon plus an introduction and four of his favorite sermons on the themes of love and social justice The world has met Bishop Curry and has been moved by his riveting hopeful and deceptively simple

message love and acceptance are what we need in these strange times **Mission of Love** Roger Cole,2013-01-01 This is a generous and genuinely sustaining book It offers as much through its story of Roger Cole s own profound spiritual development as through the many compelling stories he tells This is not a book about dying it s a book about the whole rich brew of existence of which dying is just a part Stephanie Dowrick Fear of illness and death and the threat of being separated from loved ones affect us all Often those diagnosed with serious and life threatening illnesses including their families and loved ones have to face intense challenges before they can begin to heal and find peace In Mission of Love a palliative care specialist recounts the stories of people who have faced their greatest fears and have healed their lives through acceptance inner peace and love DR ROGER COLE s observations and insights are informed by his own spiritual journey which began in a workshop with Elisabeth K bler Ross in 1984 and later led him to India where his meditation practice deepened His message is one of hope and compassion we can transform our lives and experience acceptance and peace He explains the benefits of meditation and includes healing meditation exercises to aid self transformation to help focus the mind and to cultivate positive qualities In describing the spiritual path Dr Cole makes compelling arguments for the existence of an afterlife and includes a moving personal account of the stages of spiritual transformation its practices and rewards and the promise of self discovery *Reconciliation, Healing, and Hope* Jan Naylor Cope,2022-02-22 Powerful sermons from Washington National Cathedral that inspire and a foreword by John Meacham Through their sermons Cathedral clergy and guest preachers such as Jon Meacham Kelly Brown Douglas and Presiding Bishop Michael B Curry share inspiring words Collectively they offer lasting guidance for difficult times reinforcing that even in the midst of loss and chaos God is at work among us lifting us up and giving us hope for the future Topics include hope faith during times of distress love grief and the presence of God With a foreword by Jon Meacham **The Triumph of Love** Eric Reitan,2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same sex marriage Many Christians see these changes as a defeat for Christian values often painting Christian opponents as sell outs to secular culture But can there be a genuinely Christian case for same sex marriage This book makes that case While sensitive to scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach **The Analogy of Love** Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as

basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians
