You Dont Look Sick Living Well With Chronic Invisible Illness:

You Don't Look Sick! Joy H. Selak, Steven S. Overman, 2013 Chronicles one person's true life story of illness and her physicians' compassionate commentary as they journey through the four stages of chronic illness: Getting Sick, Being Sick, Grief and Acceptance, and Living Well. Designed for people at all stages of the chronic illness journey, this book is also illuminating for caregivers and loved ones.

You Don't Look Sick! Joy H. Selak, Steven S. Overman, MD, 2012-12-17 You Don't Look Sick chronicles one person's true life story of illness and her physicians' compassionate commentary as they journey through the four stages of chronic illness: Getting Sick, Being Sick, Grief and Acceptance, and Living Well. The authors address such practical aspects as hiring a doctor, managing chronic pain, coping with grief and loss of function, winning battles with health and disability insurers, countering the social bias against the chronically ill, and recognizing the limitations of chronic illness care and charting a path for change and more. This warmhearted resource helps you focus on building a meaningful life as opposed to a life of frustration and fear. This book is thoroughly revised and updated based upon feedback from readers of the first edition. The authors have added a new section on Grief and Acceptance, address the passage of the Affordable Health Care Act, and Dr. Overman has added practical travel tips that bring organization and focus to each phase of the journey. Designed for people at all stages of the chronic illness journey, this book is also illuminating for caregivers and loved ones.

You Don't LOOK Sick! Joy Selak, Steven Overman, 2005-03-04 Coming to terms with this reality was a lot like accepting the death of a loved one. You Don't LOOK Sick Living Well with Invisible Chronic Illness chronicles a patient's true life accounts and her physician's compassionate commentary as they take a journey through the three stages of chronic illness: Getting Sick, Being Sick, and Living Well. This resource helps you focus on building a meaningful life that contains illness as opposed to a life of frustration and fear. Designed for patients in at all stages of the chronic illness journey, this book will also be illuminating for caregivers and loved ones. From the book, I've learned that having a chronic illness is not a prison sentence. It does not mean I must spend the rest of my life feeling depressed and angry, locked away from the world inside my little sick box. It does not mean that I am useless and no longer have any gifts to share, but it may mean that I must develop some new ones. You Don't LOOK Sick addresses practical aspects of chronic illness such as hiring a doctor, managing chronic pain, coping with grief and the loss of function, winning battles with health and disability insurers, countering the social bias against the chronically ill, recognizing the limitations of chronic illness care, and charting a path for change. In *You Don't LOOK Sick Living Well with Invisible Chronic Illness*, you will find stories, dialogue, humor, examples, and analogy of the three stages to illustrate a challenging but navigable journey. You will also find suggested reading materials for learning to live well, medical Internet resources, illness-specific Web sites, names and addresses of national associations, and a bibliography of medical books by topic. The short chapters and straightforward language of the book will be helpful for readers who are weary and dispirited. From the authors, I've learned that having a chronic illness is not a prison sentence. It does not mean I

must spend the rest of my life feeling depressed and angry locked away from the world inside my little sick box It does not mean that I am useless and no longer have any gifts to share but it may mean that I must develop some new ones Joy H Selak My goal is to work with patients so that like world class athletes they can perform at their peak capacity My job is more than giving answers I must educate counsel and encourage patients to set goals and implement a personal care program as well as take appropriate medications Dr Steven Overman The authors are experienced public speakers If you wish to inquire about their availability to speak to patients or health care professionals please contact Joy Selak by email at JoyWrites austin rr com
