You Only Have To Die Leading Your Congregation To New Life:

You Only Have to Die Rev. Dr. James A. Harnish, James A. Harnish, 2010-09-01 A moving testimony to how a church can experience rebirth by discerning its core mission The key to becoming a Spirit energized people loving life giving community transforming congregation says James A Harnish is really very simple All you have to do is be willing to die This ebook describes how God calls each congregation to a specific mission how God grants discernment to understand what that mission is and how God enables the congregation to die to its entrenched attitudes and behaviors in order to be resurrected to a new life of ministry and witness *Surprised by Mary* James A. Harnish, 2024-05-21 There s more to Mary than the carols we sing and the stories we tell at Christmas James A Harnish draws on Scripture tradition and contemporary experience to explore the surprising claim that the same Christ who was born into the world through Mary can be born into the world again through us This invites you to live into Mary s story right now As you follow her from the day Gabriel invited her to bear the Son of God to the birth of the church on Pentecost it will help you become a follower of Jesus who brings hope and healing to a broken world Through Mary s story you will discover that Christian life is not only about how you can be born again but about how Christ can be born again through you *The Lord and Giver of Life* David Hadley Jensen, 2008-01-01 In this exciting collection an array of contemporary theologians reflect on the work of the Holy Spirit in relation to some of the worlds most pressing issues and problems Offering a corrective to disembodied discussions of the Spirit this book provides a look at the Holy Spirit set loose and sustaining the gift and struggle for life in the midst of todays troubled world Among other topics the contributors examine the Spirits activity in the reading of Scripture the reality of religious pluralism the growing ecological crisis the rise of consumerism and issues of empire Contributors include John B Cobb Jr Roger Haight SJ Barbara A Holmes David H Jensen Molly T Marshall Sallie McFague Amy Plantinga Pauw Joerg Rieger Eugene F Rogers Jr and Amos Yong **Living with the Mind of Christ - eBook [ePub]** Rev. Dr. James A. Harnish, 2005-12-01 This is the 11th year for a thematic Lenten study offering This study will include 7 sessions one for each Sunday in Lent including Easter Sunday Each session features a scripture reference a personal reading and questions for personal reflection or group discussion suggestions for ways to deepen the Lenten journey or a focus for the coming week may also be included This particular study is based on Philippians 2 1 11 Let the same mind be in you that was in Christ Jesus The goal is to discover what it might look like for us in very practical ways to live with the mind of Christ *Strength for the Broken Places* James A. Harnish, 2009 Explores how God s grace brings strength and healing to the broken places in people s lives *Becoming a Leader Is Becoming Yourself* Russ S. Moxley, 2015-07-04 People yearn for leaders who are authentic who show their own face and not a game face who find and use their voice in appropriate ways and act with a tangible sense of integrity Those who engage in the process of leadership each of us at some point want to do so as our true self But staying true to one s self is not easy We are continually moving in and out of authenticity We are present one moment and absent the

next We often say yes when we want to say no We act from our core values some of the time but give them a wink when the heat is on There is no formula for being integral and authentic Becoming and being ourselves requires confidence and courage Drawing on the author s 40 years in leadership training this book discusses the things we can do along the way recognizing our strengths and limitations speaking truth to power trusting our companions as we strive to fulfill our leadership potential Instructors considering this book for use in a course may request an examination copy here [An Ecumenical Field Guide For Fresh Expressions](#) Michael Adam Beck,2024-08-20 Learn the essentials of fresh expressions for your church An Ecumenical Field Guide for Fresh Expressions is a practical manual for understanding and implementing Fresh Expressions for a church in any denominational setting The Fresh Expressions movement is a new way of thinking about the local church and a new way of doing church as a congregation It refers to new fresh iterations or types expressions of ministry usually outside the confines of the church building These iterations or types of ministries are formed intentionally but organically out in the community where people are They are based on shared activities or interests where people are gathering already and where the people are open to or interested in learning about Jesus Christian people share their own stories of how Jesus is part of their lives Often these gatherings become regular and increasingly begin to adopt the practices of a church community like worship service study and giving Thus they become fresh expressions of the church from which they sprang *Simple Rules for Money* Rev. Dr. James A. Harnish,2011-12-01 What would it take for you to make a radical change in the way you earn save and spend your money On a deeper level what would be required for us to experience a fundamental shift in the relationship between our faith and our finances From the Introduction Faith and finances these two areas of our lives sometimes seem poles apart And yet shouldn t our finances be shaped by our faith Guided by the Bible and the timeless wisdom of John Wesley popular author James A Harnish challenges Christians to face the issue of money head on with God s help Ideal for individual or group use this book s contents include When Crisis Forces Change Gain All You Can A New Opportunity Save All You Can The New Frugality Give All You Can A New Generosity **Pathway to Renewal** Daniel P. Smith,Mary K. Sellon,2008-11-30 No pastor can lead a congregation to renewal alone it requires a complete change of heart for the whole congregation Congregational renewal occurs when people engage communally in a transition in their very understanding of the nature and purpose of their church This goes far beyond a simple retooling of the mission statement or addition of a few programs Authors Mary Sellon and Daniel Smith lead congregations through this process of renewal breaking down into understandable components what is happening in the people themselves that makes renewal efforts successful Pathway to Renewal offers pastors and congregational leaders a framework for understanding and addressing the deep cultural shift facing the people of a congregation during congregational renewal This book will help leaders make sense of where their congregation could get stuck and guide them in thinking through what needs to be addressed next as a congregation seeks renewal The realigning of a congregation s heart and sense of purpose can be a long

process but one that ultimately all congregations must experience in order to fully live out the world transforming mission that God has given them to do A Field Guide to Methodist Fresh Expressions Michael Adam Beck, 2020-03-23 According to Fresh Expressions U S a Fresh Expression is a form of church for our changing culture established primarily for the benefit of those who are not yet part of any church Fresh Expressions are introducing people to Jesus expanding the kingdom and revitalizing churches Congregations need a practical and theological resource that can help them cultivate Fresh Expressions As consultants who work nationwide and as innovative pastors authors Michael Beck and Jorge Acevedo awaken congregational leaders and ministry teams to a distinctive Wesleyan approach for the Fresh Expressions movement In Wesleyan Fresh Expressions they show congregations how to cultivate and customize fresh expressions that fit their local context They motivate ministry teams to take risks experiment and when necessary fail well On April 2 1739 John Wesley went to a field just outside what was then the city limits of Bristol England There he tried a missional innovation called field preaching Thousands of people showed up many of whom who had no connection with a church Today most Methodists and other Wesleyans don t know their own story Lost in the milieu of divisive issues that threaten to tear the church apart Wesleyans have forgotten their DNA as a renewal movement born not from doctrinal disputes but from a missional imperative In this sense the Fresh Expressions movement is the most Methodist thing in the denomination today This iteration of the Spirit is taking it to the fields again Wesleyan Fresh Expressions will help guide the way *Make a Difference* Rev. Dr. James A. Harnish, 2017-09-05 Every day we see that things are not right in our world and as followers of Jesus Christ we have an impulse to do something about it We long to connect our passions and gifts with the world s great needs making a unique contribution for the healing of the world In *Make a Difference* author James A Harnish helps United Methodists answer the questions How can I contribute to God s healing work in this world and How can I find my place to serve and make a difference Drawing upon biblical wisdom and real stories of real people who have found their place to serve he provides practical guidance to help every disciple make a difference as a participant in God s transformation of the world This six week study is perfect for anyone desiring to engage service or mission as a vital part of discipleship find a place to serve in the church the community and or the world engage in God s work in the world The study includes a book leader guide and DVD featuring six engaging and lively discussions with the author and several special guests highlighting opportunities and outcomes of making a difference in this world Radical Renovation - eBook [ePub] Rev. Dr. James A. Harnish, 2010-09-01 *Radical Renovation Living the Cross Shaped Life A Lenten Study for Adults* James A Harnish *Radical Renovation* is a powerful image of what can happen in our lives during the season of Lent Just as a house can be rebuilt after it has fallen into disrepair or devastation author James A Harnish says so God can enter in to our brokenness and completely rebuild our lives so that we can become the kind of people in whom the living Christ can take up residence and through whom the loving purpose of God can become a tangible reality in this world As the great cathedrals were built in the shape of

a cross the author tells us the traditional Lenten disciplines invite us to allow the Spirit of God to reshape the way we think act and live into the likeness of Jesus on his way to the cross This seven session study appropriate for both group and individual use will provide one lesson for each week in Lent Each lesson includes a Scripture reference a brief reflection questions for discussion or reflection a brief prayer and a focus for the coming week JAMES A HARNISH is senior pastor of Hyde Park United Methodist Church in Tampa Florida He is the author of Journey to the Center of the Faith An Explorer s Guide to Christian Living Passion Power and You Only Have to Die Leading Your Congregation to New Life and he served as a contributor to both 365 Meditations for Young Adults and 365 Meditations for Men Chapter titles and key Scripture verses Discipleship Living the Cross Shaped Life Mark 8 27 38 Servanthood A Peculiar Way to Greatness Mark 9 33 37 10 35 45 Surrender Nothing Short of Everything Mark 10 17 34 Forgiveness Rebuilding Damaged Relationships Mark 11 25 26 Luke 23 32 34 Love The Radical Center Mark 12 28 34 Sacrifice It s Nothing if It Costs Nothing Mark 14 1 19 Hope He Goes Before You Mark 16 1 8

Majoring in the Minors Richard A. Gallo, 2021-07-05 If you or someone you know has never experienced racism bigotry injustice abuse or domestic violence then this book is not for you But if you or someone you know has been such a victim and suffered from such societal evils then perhaps you are not reading these words by chance Perhaps God has brought you to this moment to make a difference for deep down in your heart you know that this is fundamentally wrong And just maybe God through his Spirit has brought you to this very moment to say Enough is enough and start doing something to begin eliminating racism bigotry injustice abuse and domestic violence Rev Gallo lays out a twelve step process that he has termed A Blueprint of Hope from a Christian Perspective Utilizing twelve messages or themes of hope one from each of the minor prophets as well as the teachings of Jesus he formulates a plan This plan incorporates both small group ministry within the local church and neighborhood outreach to the surrounding community where these societal evils rear their ugly heads and have devastated individuals for generations These twelve messages as well as a unique perspective and insights that he has gained over forty two years of police work and active ministry he formulates a blueprint of hope that encourages individuals to catch a vision of what might be if people begin to look at each other through eyes of love and hope rather than hate and despair

Easter Earthquake James A. Harnish, 2017-10-01 Have you ever been in an earthquake Earthquakes shake our most basic assumptions that the ground will remain steady beneath our feet that the world s current existence is the way it will always be But when tectonic plates shift under the earth s surface and the ground shakes beneath our feet it rattles the bedrock assumptions on which we build our lives The Gospel of Matthew reports that on the first Easter morning an earthquake rocked the earth ripped open the tomb and scared the Roman guards at the tomb who shook with fear and became like dead men Matthew 28 4 This is the second earthquake reported by Matthew The first one took place on Good Friday when the noonday sky turned black and Jesus died In Easter Earthquake James Harnish invites us to place the resurrection at the center of our Lenten journey This 6 week study explores

how Christ's resurrection shakes some of our most basic assumptions about ourselves and God. The earth-shaking promise of Easter is that God has not forsaken any of us. Harnish writes, "The risen Christ will meet us along the confused, chaotic, fearful paths of our lives and speak the same words the women hear at the tomb: Do not be afraid." This book reverses the usual focus of Lenten studies by starting at the empty tomb and seeing the entire journey in light of the resurrection. Join James Harnish in this energizing exploration that will inspire you to live as a more faithful disciple of Jesus Christ.

FEATURES A guide for daily meditation and prayer. An outline for small group meetings. Begins with Ash Wednesday and continues through Easter. Each week contains 5 readings, a prayer focus, and suggestions for small group interaction. Includes a hymn each week.

The Workbook on the Beatitudes Maxie Dunnam, Kimberly Dunnam Reisman, 2017-02-01. Want to become more Christlike in your daily life? Best-selling father-daughter authors Dunnam and Reisman will help you do that through this 8-week study. When we wrote our previous workbook on the 10 Commandments, we intended to add a workbook on the Beatitudes, said Dunnam and Reisman. The 10 Commandments from Mount Sinai and the Beatitudes from the mount in Capernaum combine to provide a way to be, to walk, and to relate. They offer critical values and principles to guide our every decision. While the 10 Commandments bear the notion of terrible judgment and what not to do, the Beatitudes offer promise and blessedness to the humblest, the weakest, the weariest. Jesus' masterpiece sermon is the blueprint for Christlike living. Journey to the slopes above Capernaum where Jesus delivered history's greatest, most sublime sermon. Be challenged to view the Beatitudes not just as a code of conduct to obey but as ethics of grace leading to kingdom living. As with other workbooks by Dunnam, this book connects wisdom from the Bible, Christian tradition, and theological insight with how you live your life each day. You'll find these helpful tools: daily readings tied to biblical text; exercises for reflection; and blank space to record responses, practical suggestions for weaving ideas into your life, detailed plans for weekly group meetings. Live the lifestyle of the new creation by adopting the true Jesus way of life.

God's Pattern for Revitalization Robert Beckett, 2023-03-30. The most common question that most pastors and church leaders ask themselves is, "Where do I start in revitalizing my church?" Revitalizing a church can seem like a daunting task, but there are some key steps that pastors and church leaders can take to begin the process of transforming their church into an active and vibrant center of the Christian community. The first step that pastors should take is to prayerfully assess the current state of the church. This will involve reflecting on the church's current successes and challenges to better understand where changes need to be made. That understanding can come only from God himself. God has provided us with an example of how revitalization and revival can take place in a church. This book will enlighten and inform on the way that God intends for his church to be vibrant and alive again in the community of believers and surrounding neighbors. Using Scripture as the pattern and guide, readers will gain confidence and courage to move their church forward in revitalization.

Leading with Love Elaine A. Robinson, 2023-10-31. The first principle of ministry leadership is love—love that emerges from life rooted in God. We might have decent skills for leading a human

institution or getting people involved in church but truly transformative ministry calls us to lead God's people into the depths of spiritual life those places where love is activated fully Before we can help others though we must first cultivate this love in ourselves In *Leading with Love* Elaine Robinson helps ministry professionals recognize that healthy leadership requires a deeper spirituality that enlivens us to move beyond rigid dualistic frameworks Only through life in Christ can we cope with and creatively address the challenges of ministry in an era characterized by a lack of trust in institutions and the anxieties of global pandemic political division and uncertainty about the future Robinson provides practical tools for cultivating spiritual practices that lead ministers into the world as agents of faith hope love and justice With its thematically targeted chapters and questions for reflection readers will finish Robinson's book feeling refreshed and equipped for the good work of love that lies ahead
