above each Hebrew and Greek word along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. Its use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew Greek words in the Hebrew Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text the Interlinear Bible is a welcome aid to Bible students laymen and pastors who wish to continue working with the original languages. Jay P Green Sr 1918 2008 is Translator and Editor of The Interlinear Hebrew Greek English Bible and the translator of the Modern King James Version of the Holy Bible The Teenage Version of the Holy Bible and the Literal translation of the Holy Bible. He has written numerous books on textual criticism. O wanderer O man unrepentant though you go about seeking for that certainty as if it were a thing unknown yet you could have known Even Christ But you are given to the inhabitation of the times and that has carried the day for you But there is another that shall come even death and his inhabitation shall take the times away from you What worth your claim ignorance For the glory of the Lord even Christ Jesus is it not to fill all the earth But betaken with the times you reject the glory of God Yet to that one who is weary repentance would have reconciled this one wanderer with a road back in spite of the times You have been beckoned all your life that you have a purpose It was but for the glory of the Lord your Creator There is a drawing down to that inescapable day and in that day the answer must be made. **The Church School Journal**, 1877. **The Golden Book Magazine**, 1928.
