Your Church In Rhythm The Forgotten Dimensions Of Seasons And Cycles:

Your Church in Rhythm Bruce B. Miller, 2011-03-01 A gentle new way for church leaders to survive stress and burnout Bruce Miller debunks the idea of balance basically trying to have it all all the time Most churches and their pastors try to do everything at once and feel guilty if any one aspect worship ministries outreach etc is neglected He replaces the exhausting concept of balance with the idea of rhythm churches like people need to give attention to different programs and ministries at different times basically by attending to their seasons and cycles Offers an innovative new model for church leaders Miller has been influential in the formation and promotion of Church Based Training as in international movement Offers a proven method for avoiding burnout for church leaders and members by doing the right things at the right time The author offers much need help to overwhelmed leaders and shows them how to apply Miller's seasonal cyclical approach to church life

Church Transfusion Neil Cole, Phil Helfer, 2012-09-19 Just as our life is in our blood the life for Christ's body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn't enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of Organic Church Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadership shifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn't die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don't be satisfied with less [The Post-Black and Post-White Church](#) Efreem Smith, 2012-08-14 A blueprint for missional multi ethnic Christian community Efreem Smith an internationally recognized and innovative African American leader offers a workable plan for connecting theology practical ministry models

and real stories of people in multi ethnic Christian communities Using the example of Jesus Smith develops a theology of multi ethnic and missional leadership Embracing urban and ethnic subcultures such as hip hop this book provides a rich mix of multi ethnic church development reconciliation theology missional church thinking and Christian community Provides a common sense approach to creating a multi ethnic Christian community Includes practical ministry models and real stories of people who are members of thriving multi ethnic congregations Author is acclaimed African American thought leader who planted and led a multi ethnic churches of close to 1 000 and now leads a regional division of a denominational committed to ethnic multi ethnic and missional churches This book is written for anyone wrestling with what it means to be a Christian in an increasingly multi ethnic world polarized by class politics and race **The Other 80 Percent** Scott Thumma, Warren Bird, 2011-04-12 A research based approach to developing more active and involved congregations In this practical resource well known and respected researcher Scott Thumma and professional co writer Warren Bird draw upon new and heretofore unpublished research across a broad range of Protestant churches of all sizes and show how to create more active members Offers solid information of what church leaders need to know about the factors and practices that create church members who are more actively and passionately involved in their congregations Offers a first of its kind resource for developing engaged congregations Lead author Scott Thumma is a noted researcher and writer on congregational studies Warren Bird is coauthor of *Culture Shift* and *Viral Churches* This book offers advice for moving church members from being spectators to living a life of discipleship and faith *Better Together* Jim Tomberlin, Warren Bird, 2012-02-27 Thousands of Protestant churches are perplexed by plateaued or declining attendance while other congregations nearby thrive Is there a way for them to combine forces drawing on both their strengths in ways that also increase their missional impact Church merger consultant Jim Tomberlin with co writer Warren Bird makes the case that mergers today work best not with two struggling churches but with a vital momentum filled lead church partnering with a joining church In this new book they provide a complete practical hands on guide for church leaders of both struggling and vibrant churches so that they can understand the issues develop strategies and execute a variety of forms of merger for church expansion and renewal to reinvigorate declining churches and give them a second life **The Permanent Revolution** Alan Hirsch, Tim Catchim, 2012-01-06 A new brand of apostolic ministry for today s world The Permanent Revolution is a work of theological re imagination and re construction that draws from biblical studies theology organizational theory leadership studies and key social sciences The book elaborates on the apostolic role rooted in the five fold ministry from Ephesians 4 apostles prophets evangelists shepherds and teacher and its significance for the missional movement It explores how the apostolic ministry facilitates ongoing renewal in the life of the church and focuses on leadership in relation to missional innovation and entrepreneurship The authors examine the nature of organization as reframed through the lens of apostolic ministry Shows how to view the world through a biblical perspective and continue the permanent revolution that Jesus started Outlines the essential

characteristics of apostolic movement and how to restructure the church and ministry to be more consistent with them Alan Hirsch is a leading voice in the missional movement of the Christian West This groundbreaking book integrates theology sociology and leadership to further define the apostolic movement Missional Communities Reggie McNeal,2011-08-15

The third book in the trilogy that explores the popular missional movement From Reggie McNeal the bestselling author of *The Present Future* and *Missional Renaissance* comes the third book in the series that helps to define and illuminate the popular missional movement This newest book in the trilogy examines a natural outgrowth of the move toward a missional orientation the deconstruction of congregations into very small Christian communities For all those thousands of churches and leaders who have followed Reggie McNeal s bold lead this book details the rise of a new life form in churches Discusses how to move a church from an internal to an external ministry focus Reggie McNeal is a recognized leader in the missional movement Outlines an alternative to the program church model that is focused on the projects and passions of the congregants This book draws on McNeal s twenty years of leadership roles in local congregations and his work over the last decade with thousands of clergy and church leaders *In Pursuit of Great AND Godly Leadership* Mike Bonem,2011-11-15

Is it possible for church leaders to use biblical and secular leadership concepts in a way that keeps Christ not the marketplace at the center of their mission Drawing on biblical material and business wisdom *In Pursuit of Great AND Godly Leadership* explores the critical leadership decisions and practices that shape the success of Christian organizations These decisions are illustrated in compelling interviews with over forty leaders of churches universities denominational bodies and international ministries Mike Bonem leverages his background as an MBA trained manager and an experienced church leader to bridge the gap between the analytical and structured world of business and the faith driven approach that is essential for healthy churches Written to offer practical solutions for senior pastors executive pastors key laypeople and leaders of other Christian entities *In Pursuit of Great AND Godly Leadership* clearly shows the ways that secular practices can be imported into their organizations Bonem addresses a variety of topics such as planning finances personnel management measurement team dynamics and organizational change In doing so he points to the AND that every spiritual organization should strive to achieve **Prodigal Christianity** David E. Fitch,Geoffrey Holsclaw,2013-02-01 An engaging and thoughtful book that guides readers into the frontiers of being a missional Christian *Prodigal Christianity* offers a down to earth accessible and yet provocative understanding of God s mission of redemption in the world and how followers of Christ can participate in this work It speaks into the discontent of all those who have exhausted conservative liberal and even emergent ways of being Christian and are looking for a new way forward It offers building blocks for missional theology and practice that moves Christians into a gospel centered way of life for our culture and our times Offers a compelling and creative vision for North American Christians Puts forth a theology and ten critical signposts that must be observed to follow a missional way of life post Christendom missio Dei incarnation witness scripture gospel church sexuality justice pluralism

Asks questions and points to issues that trouble many leaders in the post modern post denominational post Christendom church This book can fill the gap for the average Christian left discontented with the current options after evangelicalism

Just Lead!
