Right From Wrong Michael Riera, Joseph Di Prisco, 2009-02-23 Does your child have a conscience Is he remorseful when caught in a lie Very high on any wise list of dreams for our children is the hope that they become people of integrity But integrity is not simply something that happens as a result of unconditional love healthy genes or good luck it emerges if it does because parents make it a priority to exercise influence in this arena Combining stories of children experiencing the day to day struggles of growing up with compassionate in depth analysis and pragmatic counsel Right From Wrong makes nurturing the qualities of integrity tangible to parents and to the others who might be actively involved in guiding a child's moral life Through the authors wise and discerning eyes we witness children as they experience loss or sadness react to sibling rivalries schoolyard violence and academic pressures or even while they interact at the family dinner table The ways in which parents use listening praise discipline honesty and consequences to react to these situations reinforces a child's sense of right and wrong from these

choices readers will learn valuable lessons about a parent's power to nurture character and morality in young children

Finding Your Inner Mama Eden Steinberg, 2007-07-10 Motherhood can be one of the most intense and transformative experiences of a woman's life. While there are many books that offer the do's and don'ts of effective parenting, few offer guidance on navigating the tumultuous inner experience of being a mother with all its joy, pain, change, and uncertainty. This collection of writing by psychologists, poets, novelists, spiritual teachers, and everyday moms explores the rich, transformative journey of motherhood. Poet and novelist Louise Erdrich captures the sheer wonder and awe of early motherhood. Self-described hip momma Ariel Gore reflects on the challenges of dealing with her daughter's adolescent rebellion. Journalist Joan Peters highlights the rise of the Power Mom and the risks of overparenting to our children and ourselves. Zen teacher Cheri Huber shares a spiritual perspective: sometimes it's us parents who need a time out so that we can be more fully present and loving with our children. Previously published in hardcover under the title *Your Children Will Raise You*.

Help! I Teach Children's Sunday School B. Max Price, 2003 A teacher in a Sunday school program is a valuable asset in a child's spiritual formation. Much of what they do lays the foundation for a child's growth in the Christian faith and life. They are a vital resource to children and their parents. What they do during this crucial Sunday morning time truly matters. *Help! I Teach Children's Sunday School* is an aid book for these special teachers of infants through sixth graders. This guidebook to teaching excellence in the Sunday school will be a help to beginning and experienced teachers alike. A *Therapist's Guide to Child Development* Dee C. Ray, 2025-09-15 A Therapist's Guide to Child Development gives therapists and counselors the basics they need to understand their clients in the context of development and to explain development to parents. The chapters take the reader through the various physical, social, and identity developments occurring at each age, explaining how each stage of development is closely linked to mental health and how that is revealed in therapy. This ideal guide for students as well as early and experienced professionals will also give readers the tools to communicate successfully with the child's caregivers or teachers, including easy-to-read handouts that detail what kind of behaviors are not cause for concern and which behaviors mean it's time to seek help. In the new edition, each chapter also includes new sections on brain development and cultural identity development, as well as updates on child development in the age of technology. As an aid to practitioners, this book matches developmental ages with appropriate evidence-based mental health interventions. [The Power of Validation](#) Karyn D. Hall, Melissa Cook, 2011-12-01 By recognizing and accepting their child's feelings, parents can improve their child's emotional resilience. *The Power of Validation* is the first book to explain this critical process and offer parents skills they can use to validate and empower children in order to reduce behavioral problems, instill confidence, and increase children's ability to regulate their own emotions. [It Runs in the Family](#) Frida Berrigan, 2015-01-22 Expanding on the stories in her popular column for the website *Waging Nonviolence*, Berrigan has crafted a welcome antidote to the various parenting fads currently on offer from French moms and tiger moms and mean moms. She offers a unique perspective on

parenting that derives from hard work deep reflection and lots of trial and error Preparing Teachers for National Board Certification Kathleen Anderson Steeves, Barbara C.
