You Think Joyce Bortnick, 2012-11 That's What You Think chronicles Sara Ellis's journey from independence to dependence. Although the story is based on her own mother's dilemmas in aging, beginning when her mother turned eighty-eight years old, Joyce found the writing to be both joyous and cathartic to fictionalize. The writing helped me to believe that my mother really thought these things that make this book my heartfelt gift to her memory. For a long time, sadness blocked me from finishing our story, but my mother's dignity and the time I spent with her encouraged me to translate the traumas of aging into a story of love and respect. Thank you, Mom, for taking me with you in your final hours. **Tender Is the Knight** Jackie Ivie, 2005

Sweeping from the cultured salons of 19th-century London to the wild Scottish Highlands, Jackie Ivie's seductive new novel weaves the tale of a desperate lady and a ruthless laird whose only common ground is the territory of desire. A Lady Of Ice: Beautiful and elegant, Elise, the Duchess of Wynd, has survived among the nobility by carefully cultivating a facade of cutting wit and heartlessness. Nothing ruffles her. And no man can break through her defenses. A Man Of Fire: A fierce Scottish warrior, Colin, is the new Duke of MacGowan and in polite circles looked upon as no better than a barbarian. Nevertheless, he is a lord who brooks no defiance and holds no rein on his pleasures. A Promise Of Passion: Colin's very presence ties Elise's sharp-edged tongue. She is all too aware that he could be the answer to her prayers or her worst nightmare. For Elise harbors secrets that could change the course of both their lives. But before she can reveal them, she must make the wild knight her own.
