

Your Best Self: Touched by God

Eleven Steps to Inner Strength through His Personal Touch

God can accomplish more in us with one single, finger-tip touch, one singular moment of an encounter in spirit than in thirty years of self-discipline and striving. Just one touch, one tiny tap of His fingertip can close out the world and usher heaven into the soul.

Your Best Self Touched By God:

Touching God Peter Kevern, 2025-05-27 The dread of dementia has a unique hold over us because dementia seems to eat away at what makes us human. If we lose our capacity to remember to think to act and even to speak what is left of us. And where is the God who promised to be with us. These are profound theological questions that go beyond a need for better pastoral care or more welcoming churches; they hold up a mirror to what we really believe about human beings, about God, and about dementia itself. The purpose of this book is to explore what these questions have to teach us by reflecting theologically on the faith journey of people who live with dementia. It is a personal theological pilgrimage digging down into the theological meaning of dementia itself, looking for hidden pearls of insight. But it is also an attempt to look past the details to see the big picture of God's grace and faithfulness embodied in the person and life of the crucified and risen Christ. It will speak not just to people who are challenged or troubled by dementia but to anybody seeking to grapple with their faith in challenging times.

Tears of Christepona Carter Heyward, 2021-10-14 Early one morning in November 2019 Carter Heyward awoke to a voice she figured was hers but then again maybe it wasn't exactly her own. Grief-stricken because her horse Feather had just been diagnosed with a rare equine cancer in pain with a freshly broken arm of her own and horrified by the morally bankrupt state of the nation under Donald Trump, Carter begins a conversation with someone. Herself. Her higher power. Friends who have passed on. The persistent voice names herself or themselves Christepona. Thus begins Carter Heyward's mystical presentation of her ever-deepening passion for justice, love at every level of our life together, from the very personal to the larger social and political contexts. Moving into her grief, Carter wrestles with the problem of evil. She dives into her own anger and hatred and that of others and surfaces in enthusiastic bursts of gratitude, joy, and hope.

Life Thoughts for Young Women Mosheim Rhodes, 1884 **Letting Go, Hanging On** John L. Graden, 2015 **Touched by God** Luigi Gioia, 2018-09-20 Luigi Gioia's second spiritual book deals with the art of contemplation. Say it to God. In Search of Prayer was chosen as the 2018 Archbishop of Canterbury's Lent Book and welcomed by many as an honest, accessible guide to freshen their practice of prayer in the midst of busy modern life. In *Touched by God*, Gioia moves on to explore the art of contemplation. He points out that contemplation is not a more advanced way of praying but a silent and loving attentiveness to God which has nothing in common with disembodied, a historical and impersonal forms of spirituality. Contemplation begins when we are touched by God through Scripture and become aware of his presence in us. Gioia shows how this happens concretely in the lives of the characters of the Gospel of John, his chosen guide to learn how to welcome God in our lives and interact with him. Gioia's way to contemplation takes the reader not only through Scripture but also through plays and novels where God is never mentioned or is seen as absent, distant, or even as an enemy. By engaging with both religious and non-religious authors, the reader can discover that contemplation is not some kind of spiritual wonderland but coexists with doubts, thrives in the middle of struggles, is discovered even in suffering, dissolves guilt, and leads to authentic self.
