Your Child And The New Age:

Children of the New Age Steven Sutcliffe, 2003 As the first true social history of New Age culture this presents an unrivalled overview of the diverse varieties of New Age belief and practise from the 1930s to the present day *The New Age*, 1928 *New Age and Neopagan Religions in America* Sarah M. Pike, 2004 Sarah Pike traces the history of New Age and Neopagan religions in the United States from their origins in the nineteenth century to their reemergence in the 1960s counterculture She also considers the differences and similarities between the New Age and Neopagan movements as well as the antagonistic relationship between these two practices and other religions in America particularly Christianity Covering such topics as healing gender and sexuality millennialism and ritual experience she offers a sympathetic yet critical treatment of religious practices often marginalized yet soaring in popularity Her book is a rich analysis of these spiritual worlds and social networks and questions why these faiths are flourishing at this point in American history *Raising Our Vibrations for the New Age* Sherri Cortland, ND, 2015-12-16 A group of entities on the other side of the veil came together for the specific purpose of dictating this material to Sherri through automatic writing This was originally introduced in her first book *Windows of Opportunity* As they stated The purpose of this book is simple It is to help people make it through the Shift with as little stress and drama as is humanly possible during a sensation of this type and it is sensational as it is something that beings are gathering from all corners of the universe to see It is something that entities would give their soul teeth to be part of because it is so juicy and so new and so historic Being on your side and having to worry about weather changes and storms and disasters isn't fun and we all know that but on this side we know that every one of you who is there signed up for it and you were chosen to be there It is not something that you are part of because of bad luck **American Feminism and the Birth of New Age Spirituality** Catherine Tumber, 2002-09-18 Contrary to popular thought New Age spirituality did not suddenly appear in American life in the 1970s and 80s In *American Feminism and the Birth of New Age Spirituality* Catherine Tumber demonstrates that the New Age movement first flourished more than a century ago during the Gilded Age under the mantle of New Thought Based largely on research in popular journals self help manuals newspaper accounts and archival collections *American Feminism and the Birth of New Age Spirituality* explores the contours of the New Thought movement Through the lives of well known figures such as Mary Baker Eddy Madame Helena Petrovna Blavatsky and Edward Bellamy as well as through more obscure but more representative New Thinkers such as Abby Morton Diaz Emma Curtis Hopkins Ursula Gestefeld Lilian Whiting Sarah Farmer and Elizabeth Towne Tumber examines the historical conditions that gave rise to New Thought She pays close attention to the ways in which feminism became grafted with varying degrees of success to emergent forms of liberal culture in the late nineteenth century progressive politics the Social Gospel humanist psychotherapy bohemian subculture and mass market journalism *American Feminism and the Birth of New Age Spirituality* questions the value of the new age movement then and now to the pursuit of women's rights and democratic renewal

Psychic and Spiritual Development For The New Age - Revised Edition C L Moore, 2012-02-22 *Psychic and Spiritual Development for the New Age _ Revised Edition* is a fresh look at Spiritual subjects that many Seekers have become blas_ about A lot of the true meaning of many of these subjects has become lost over time For the Beginner as well *Confronting the New Age* Doug Groothuis, 2010-01-04 The first book to tell you how to confront the New Age The threat is growing So not only do we need to understand the New Age we need to stem the tide of this growing religious movement Here s the first book that tells how You ll find all you need to know for Witnessing to New Age adherents Identifying New Age influences in business seminars Exposing New Age curriculum in our public schools Discerning New Age influences in pop psychology biofeedback therapy visualization and New Age music This book takes you a step beyond other books with its practical advice and sound suggestions *Catalog* Food and Nutrition Information Center (U.S.), 1974 **Encyclopedia of New Age Beliefs** John Ankerberg, John Weldon, 1996 This comprehensive indexed volume includes short one page listings of pertinent facts about a particular movement its founder how it claims to work scientific evaluations done and its potential dangers Some topics covered are angels visualization shamanism hypnosis new age medicine and martial arts *Feminism's New Age* Karlyn Crowley, 2011-06-01 Finalist for the 2011 ForeWord Book of the Year in the Women s Issues Category Crystals Reiki Tarot Goddess worship why do these New Age tokens and practices capture the imagination of so many women How has New Age culture become even more appealing than feminism And are the two mutually exclusive By examining New Age practices from macrobiotics to goddess worship to Native rituals *Feminism s New Age Gender Appropriation and the Afterlife of Essentialism* seeks to answer these questions by examining white women s participation in this hugely popular spiritual movement While most feminist approaches to the New Age phenomenon have simply dismissed its adherents for their politically problematic racial appropriation practices Karyln Crowley looks honestly at the political shortcomings of New Age beliefs and practices while simultaneously reckoning with the affective political and cultural motivations which have prompted New Age women s individual and collective spiritualities New Age spirituality is in fact the dynamic outgrowth of a long standing tradition of women s social and political power expressed through religious writings art and public discourse and is key to understanding contemporary women s history and religion s role in modern American culture alike Crowley offers a new and provocative assessment of the significance of the New Age movement seen through a feminist and critical race studies lens **Biblical Counsel** , 1993 **Reiki, Yoga, Meditation & Yagyas: New Age Practices** Marc Edwards, 2005-04-25 Reiki Yoga Meditation and Yagyas presents a case for practicing these ancient disciplines While many people are meditating some have had difficulties with meditation because they were not doing Hatha Yoga It is essential to do yoga meditation to obtain the best results Reiki is useful as an added adjunct to keep the body healthy and also open the inner channels often called the meridians or nadis Yagyas are the third aspect of the yoga meditation triangle The purpose of yagyas is to strengthen ones spiritual connection to the Higher Power however yagyas effect all areas of an individual the

body mind and spirit These Hindu ceremonies can reduce problems even if youve had them for decades This book provides practical tips about these disciplines and how they can help anyone achieve higher states of consciousness Enlightenment in one lifetime *The New Age of Soul* Ray S. Anderson,2001-11-27 In *The New Age of Soul* the broad appeal of new age spirituality is identified and defined with special attention to the claim that the soul may be understood as both the repository of divine energy and a source of spiritual healing and hope Through dialogue with sources and perspectives on the spiritual nature of the soul the book attempts to win the respect and appreciation of the reader already persuaded by the claims and benefits of new age spirituality while at the same time convincing the reader who has suspicions and concerns about new age spirituality that a better alternative may be found The book thus has a two fold purpose first to expose the inadequacy indeed the superficiality of new age spirituality through this dialogue and discussion attracting the attention and interest of the reader already influenced by this genre Second the author makes a case for a more traditional orthodox and biblical view of the soul and human spirituality so that the reader who is inclined toward new age spirituality will rediscover the more traditional biblical content of the soul and spirituality while providing the committed more traditional Christian reader a tool by which to communicate a biblical faith with the growing segment of our population attracted toward new age spirituality In its own way this book is an apologetic for a more traditional Christian theology of human spirituality and self identity presented in a positive dialogue with new age spirituality
