Deliver Us From Abortion Brian Fisher,2015-01-15 The author of *Abortion The Ultimate Exploitation of Women* offers a blueprint for the American Church to handle abortion in our country Consider that for the past forty years a staggering fifty six million Americans have been killed by abortion It claims the lives of over 1 2 million children every year or roughly one child every twenty five seconds So why isn t the American church doing something to stop this atrocity which is the greatest holocaust in American history The majority of American churches God s institutions for spreading the gospel of peace and defending the weak and innocent remain silent Feeding the poor stopping human trafficking rescuing children from abuse and protecting women from exploitation are all issues the church is addressing Yet abortion remains eerily absent from the list of church priorities in America Why isn t it the church s highest priority Is the American church silent because abortion has become politicized and church leaders are afraid to discuss it or because we simply don t know what the Bible says about it What will cause the church to wake up rise up and take this issue to task to save our children In his latest book *Deliver Us From Abortion* Brian Fisher co founder and president of *Online for Life* breaks the veil of silence and uncovers the reality of

A New Creation Sharon Schwartz,2012-07-31 This book is a group of poems I have compiled on my journey of healing God has brought to my life When I asked God to forgive me for the life I had lived and to come into my life He did However just because I had invited Him into my life and given my heart to Him didn t mean my life was perfect I had so much emotional baggage from the way I had chosen to deal with life God made us to have emotions He made us to feel hurt laugh cry and be angry He wants us to use these emotions by sharing them with Him and others in a healthy way He doesn t give us feelings to shove down into the depths of our soul or numb them with things Unfortunately that s easier to do than express them We turn to alcohol drugs materialism unhealthy relationships food and anything else we can Pain is a part of life and if we neglect it it festers and remains We can carry it around for years and it will come out in many different and disastrous ways God wants us to allow Him into our pain so He can heal us and use us When I opened my heart completely to Him the process began I didn t know it would come out in the form of poetry or even that I would write anything down I do know that I felt compelled to write and I did I cried a lot I received relief and restoration from storing years of bad decisions pain and consequences I would like to dedicate this book to my brother William Boling III and my best friend Robin Baird Bramblett Both of their deaths have made the strongest impacts on my life William s death took me deeper into sin muck and mire by choice Instead of our family drawing close to God and each other to deal with it we all went our separate ways with our pain Robin s death and the pain from it caused an awakening in my soul to stop taking life for granted I had already given my life to God but I wasn t living like it I wasn t giving life all I have or the important relationships in my life I am also thankful for my husband and children who have been Jesus to me through it all I am thankful that God led me to a church that prayed for me I am thankful for every person who has been a part of my journey Those who have hurt me loved me or helped me I am thankful for my pain because without it I wouldn t have needed a Healer or a Savior to help me In closing I also want to

dedicate this book to the youth I pray that somehow the words of this book will inspire them not to squander themselves their time or their talents for the fleeting pleasures of this world I pray they will turn to God and do extraordinary things by following His plans for them instead of their own 1 Timothy 4 12 don't let anyone despise you in your youth but set an example for the believers in speech in life in love and in purity 2 Timothy 2 22 so flee youthful passions and pursue righteousness faith love and peace along with those who call on the Lord from a pure heart Jeremiah 29 11 for I know the plans I have for you says the Lord They are plans for good and not disaster to give you a future and a hope
