In His Grip ... a Walk Through Breast Cancer Amy K. Hauser,2012-09 Amy's story is a most inspiring one to read for anyone going through life's struggles one that will give encouragement whatever one may be dealing with First and foremost this is an account of a cancer journey a journal revealing an absolute faith that God is willing to walk the journey alongside of you all the way If you are reading this and you are someone setting out on or already in the middle of a similar journey this is an important read for you Amy's story will certainly not hide any of the rough but it will tell you about many positive aspects as well and how faith is the only way to make the trip This book is not just for cancer sufferers but also for anyone experiencing life's many trials whatever they may be Amy's raw and emotive style tells it just like it is You will feel the emotion shed some tears and certainly draw many smiles There is little more powerful than hearing this story told literally while experiencing each and every aspect of the journey along with her The power is in hearing God's story as told through Amy and that's just what this is You will be encouraged that it's okay to have roller coaster emotions to feel anger to experience joy to feel spiritually low and equally high that it's okay to ask why me Amy is one amazing lady who turned what could have been a very negative experience focusing on

feeling sorry for herself to one that focuses on making an impact on others For example Amy refused to wear a wig once she lost her hair so she would not miss opportunities to testify to others who would otherwise not have approached her Perhaps most compelling is how many people have told Amy that while they should have been supporting her in keeping a positive attitude she was in fact being the inspiration for them I know I was one of those people I pray for them every day and I know that they do the same for me It is this together with God that will keep us all positive and moving forward whatever the challenges of life that are thrown our way

Move Towards Your Purpose Juglan Abadía, 2024-06-05

We are here for a reason. We have a purpose. It drives us every day and motivates us to keep moving forward with faith and hope. We believe that something better will come. We believe that life is preparing us for great things. We believe in the transcendence of being and in the evolution of people as human beings, luminous beings that radiate energy and vibrate with the universe. We believe in a superior force in the Creator of life. We believe that we always have a new day to do things differently. Today I want you to know with absolute certainty and conviction that nothing will ever change the reason why you have come to this world. You are not a chance in this life. You are not here by chance. It doesn't matter where you come from, the circumstances in which you were brought to this world, or anything else. The events that have happened since your childhood or since your gestation have shaped you into the person you are today. You have a reason to be and to exist. Every act, every experience, every desert and valley crossed is preparing you and bringing you closer to it, even if you cannot see it at that moment. You will always face challenges. The storms of life come to all of us, and they will take us to that point of questioning or meditation on what is the real purpose of our existence, why we are here, and when we will achieve the mission entrusted to us. What path should you take, and what decisions should you make? If you're facing a challenging situation today or want to know how to get closer to your purpose, read this book. You'll face challenges and storms throughout your life, but you can overcome them. Your human part is exposed to fragility, but you must not lose hope or faith. There is an immovable purpose for your life. Do not allow frustration to take root in your heart. You may be in the middle of a storm under a gray sky, but you will get through it. If you're facing a challenging situation or want to take the next steps to achieve your purpose, read this book. Life will always throw you challenges and storms, but you can overcome them. Don't lose hope or faith. An immovable purpose for your life means you must not allow frustration to take root in your heart. You may be in the middle of a storm under a grey sky, going through the worst desert of your season, or you may be passing through a desolate valley. The key is to not allow that storm to enter and contaminate your heart. Don't let the external world break into you. Don't let circumstances control your life. Learn to be stable from the inside out. Moving towards your purpose gives you tips you can consciously apply to be calm and quiet. The voices of your mind connect with creation, and your calling, and walk deeper in your life, living intentionally, not only from what you see on the surface.
