Youth In A Suspect Society Democracy Or Disposability:

Youth in a Suspect Society H. Giroux, 2009-09-14 Through the lens of education this book attempts to situate young people within a number of theoretical and political considerations that offer up a new analytic of youth one that posits not only the emergence of a new way to talk about youth but also a new language for understanding the politics that increasingly frame their lives

Youth Studies in Transition: Culture, Generation and New Learning Processes Thomas Johansson, Marcus Herz, 2019-01-29 This book provides an updated and fresh introduction to recent theoretical developments in youth studies It expands upon these developments and introduces new discussions and perspectives It presents three central theoretical traditions in youth studies and explores the possibilities of redefining some of the central concepts but also of combining different theoretical perspectives After depicting the theoretical landscape of youth studies the book explores generations and new subjectivities Next it examines subcultures and transitional spaces mediatization and learning processes One chapter is set aside for a discussion on the body the self and habitus and this is followed by a chapter on postcolonial spaces Before presenting its conclusions the book delves into the development of youth studies theory and everyday life All together the book taps into what is happening in the everyday lives of young people and employs a methodology that can be used to create bridges between young people's voices and experiences on the one hand and societal and cultural transformations on the other

Zygmunt Bauman on Education in Liquid Modernity Shaun Best, 2019-06-25 Zygmunt Bauman on Education in Liquid Modernity evaluates the contribution that Bauman has made to education studies It outlines the central themes within social analysis in Bauman's writings and examines how researchers have applied his key ideas to explore current theoretical issues The book focuses on Bauman's ideas in relation to the management and consumption of education including topics such as student voice and individual identity relationships and inclusive education Identifying and discussing underpinning assumptions about Bauman's work and its application to education the book addresses the connection between his work and wider debates providing a critical and clarifying re-examination of Bauman's contribution to the role of education within solid post and liquid modernity This book will appeal to academics researchers and postgraduate students of education theory and the sociology of education It will be of great interest to readers seeking a critical appreciation and application of Bauman's work to an educational context and Bauman scholars interested in the application of contemporary social theory to education and its role in identity formation in areas such as sex and relationships education

Marginality and Condemnation, 3rd Edition Carolyn Brooks, Bernard Schissel, 2021-12-13T00:00:00Z Includes test bank and PowerPoint slides for professors who have adopted the text in their course Contact examrequest@fernpub.ca for more information This well received criminology textbook now in its third edition argues that crime must be understood as both a social and a political phenomenon Using this lens Marginality and Condemnation contends that what is defined as criminal how we respond to crime and why individuals behave in anti social

ways are often the result of individual and systemic social inequalities and disparities in power Beginning with an overview of criminological discourse mainstream approaches and new directions in criminological theory the book is then divided into sections based on key social inequalities of class gender race and age each of which begins with an outline of the general issues for understanding crime and an introduction that guides readers through the empirical chapters that follow The studies provide insights into general issues in criminology ranging from the historical and current nature of crime and criminal justice to the various responses to criminality Readers are encouraged and challenged to understand crime and justice through concrete analyses rather than abstract argumentation In addition to a new introductory chapter that confronts how we define crime measure crime and understand and use criminology in this millennium the third edition provides new chapters examining crime in relation to the environment terrorism masculinity children and youth and Aboriginal gangs and the legacy of colonialism

Neoliberalism's War on Higher Education Henry Giroux, 2014-03-18 Addresses what educators young people and concerned citizens can do to reclaim higher education from market driven neoliberal ideologies

Where Do You Stand? Yael Ohana, Hendrik Otten, 2012-02-02 This publication takes up the many and often controversial debates about the nature content methods and political significance of intercultural learning in and for the European youth field Its starting point is the current depoliticisation of intercultural learning in this field and especially in the programmes of the European Commission and the Directorate of Youth and Sport of the Council of Europe over the last several years At the same time the elevation of intercultural dialogue to panacea for all societal problems from civil war to educational failure is putting the mobilisational value of intercultural learning to the test

How Dogmatic Beliefs Harm Creativity and Higher-Level Thinking Don Ambrose, Robert J. Sternberg, 2012-04-23 This volume introduces the problem of dogmatism broadly explores the nature and nuances of dogmatic thinking from various disciplinary perspectives and applies the gleaned insights to what is known about creativity and the education of creative young minds

Echoes from Freire for a Critically Engaged Pedagogy Peter Mayo, 2012-12-20 In this concise and accessible text Peter Mayo outlines some of the major concepts in Freire's praxis In pursuit of a critically engaging pedagogy Mayo compares Freire's work with a range of other thinkers and educators including Lorenzo Milani Antonia Darder John Dewey Margaret Ledwith Antonio Gramsci and Henry Giroux Chapters in the book include discussions of the State's role in education specifically higher education a critical analysis of the dominant discourse in education centering on competences and the type of slant this discourse takes a study of adult education through a Freirean lens an historical view of Nicaragua's Freire inspired literacy and popular education campaigns of 1980 a fresh perspective on the role of social movements in the contexts of social transformation a new analysis of the relevance of Freirean concepts for transformative research and an exploration of educators as intellectuals and social actors The result is a compelling study of how Paulo Freire's writings continue to resonate around the world and of how we must continue to apply and interpret them anew

Conflict Transformation and Religion Ellen Ott Marshall, 2016-08-08 Writing from a variety of contexts the contributors to this volume describe the ways that conflict and their efforts to engage it constructively shape their work in classrooms and communities Each chapter begins with a different experience of conflict a physical confrontation shooting and killing ethnic violence a hate crime overt and covert racism structural violence interpersonal conflict in a family and the marginalization of youth The authors employ a variety of theoretical and practical responses to conflict highlighting the role that faith power and relationships play in processes of transformation As these teachers and ministers engage conflict constructively they put forward novel approaches toward teaching training care solidarity and advocacy Their stories demonstrate how conflict can serve as a site for positive change and transformation

The Joke Is on Us Julie A. Webber, 2018-12-11 This edited volume brings together scholars of comedy to assess how political comedy encounters neoliberal themes in contemporary media Central to this task is the notion of genre under neoliberal conditions where market logics motivate most actions genre becomes mixed Once stable discreet categories such as comedy horror drama and news and entertainment have become blurred so as to be indistinguishable The classic modern paradigm of comedy tragedy no longer holds if it ever did Moreover as politics becomes more economic and less moral or normative under neoliberalism we are able to see new resistance to comedic genres that support neoliberal strategies to hide racial and gender injustice such as unlaughter ambiguity and anti comedy There is also an increasing interest with comedy as a form of entertainment on the political right following both Brexit in the UK and the election of Trump in the U S Several essays confront this conservative comedy and place it in context of the larger humor history of these debates over free speech and political correctness For comedians too entry into popular media now follows the familiar neoliberal script of the celebration of self

help with the increasing admonishment of those who fail to win in market terms Laughter plays an important role in shaming and valorizing often at the same time the precarious subject in the aftermath of global recession Doubling down on austerity self help policies and equivocation in the face of extremist challenges right and left politics foils the critical comedian's attempt to satirize and parody its object Characterized by ambiguity mixed genre and the increasing use of anti humor political comedy mirrors the social and political world it mocks parodies and celebrates often with lackluster results suggesting that the joke might be on us as audiences *Education Pack "all different - all equal" 2021* Rui

Gomes, Anca-Ruxandra Pandea, Patricia Brander, Laure de Witte, Gavan Titley, 2021-11-22 It is easy to say I have no prejudices I'm not racist so it has nothing to do with me I didn't invite those refugees It is hard to say I may not be to blame for what happened in the past but I want to take responsibility for making sure it doesn't continue in the future The Education Pack all different all equal was originally produced in 1995 as an educational resource for the European youth campaign against racism antisemitism xenophobia and intolerance Soon after its publication it became a reference work for those involved in intercultural education and training with young people across Europe and beyond Translated into many languages it remains today one of the most successful and most sought after publications of the Council of Europe The usefulness of the pack stems from the variety and creativity of the methodologies proposed More than twenty years after the all different all equal campaign the role plays simulation exercises case studies and cooperative group work that it proposes remain an inspiration to many youth workers trainers teachers and other people actively involved in intercultural education European societies continue to suffer from a growth of racist hostility and intolerance towards minorities and foreigners the necessity for intercultural youth work remains undiminished and the relevance of this pack remains unquestionable Little bit has been changed in this new edition of the pack apart from an updating of references Most changes are visible and usable only in the online version which offers relevant links with other resources for human rights education which continue the legacy of the campaign equality in dignity and rights respect for broader appreciation of diversity *The Routledge Handbook of Disability Activism* Maria Berghs, Tsitsi Chataika, Yahya El-Lahib, Kudakwashe Dube, 2019-10-28 The onslaught of neoliberalism austerity measures and cuts impact of climate change protracted conflicts and ongoing refugee crisis rise of far right and populist movements have all negatively impacted on disability Yet disabled people and their allies are fighting back and we urgently need to understand how where and what they are doing what they feel their challenges are and what their future needs will be This comprehensive handbook emphasizes the importance of everyday disability activism and how activists across the world bring together a wide range of activism tactics and strategies It also challenges the activist movements transnational and emancipatory politics as well as providing future directions for disability activism With contributions from senior and emerging disability activists academics students and practitioners from around the globe this handbook covers the following broad themes Contextualising disability activism in global activism Neoliberalism and

austerity in the global North Rights embodied resistance and disability activism Belonging identity and values how to create diverse coalitions for rights Reclaiming social positions places and spaces Social media support and activism Campus activism in higher education Inclusive pedagogies evidence and activist practices Enabling human rights and policy Challenges facing disability activism The Routledge Handbook of Disability Activism provides disability activists students academics practitioners development partners and policy makers with an authoritative framework for disability activism

Radical Voices for Democratic Schooling P. Orelus, C. Malott, 2012-11-09 Comprised of in depth interviews and conversations with key figures in education and activism that thoroughly examine the intersection of neoliberalism neocolonialism and racism this first rate collection critically explores through their teaching various important issues situated in the context of Western neoliberalism

and neocolonialism **Failure of Corporate School Reform** Kenneth J. Saltman, 2015-11-17 Corporate school reforms especially privatization union busting and high stakes testing have been hailed as the last best hope for public education Yet as Kenneth Saltman powerfully argues in this new book corporate school reforms have decisively failed to deliver on what their proponents have promised for two decades higher test scores and lower costs As Saltman illustrates the failures of corporate school reform are far greater and more destructive than they seem Left unchecked corporate school reform fails to challenge and in fact worsens the most pressing problems facing public schooling including radical funding inequalities racial segregation and anti intellectualism But it is not too late for change Against both corporate school reformers and its liberal critics this book argues for the expansion of democratic pedagogies and a new common school movement that will lead to broader social renewal Education and Emancipation in the Neoliberal Era Noah De Lissovoy, 2014-11-18 This book describes how neoliberalism as societal philosophy works to limit human potential in our school systems Analyzing contemporary school reform and control punishment and pathologization in schools this book outlines a theory of emancipation and a process by which pedagogy can build solidarity in classrooms and society more broadly **Drawing Deportation** Silvia Rodriguez Vega, 2023-02-14 This book shows the impact of immigration laws policies under Obama and Trump on undocumented children and children of immigrants through art methods curriculum and creativity such as drawings theater and journaling
