in less than 30 pages One who wants to get joy of book reading especially in very less time can go for it About The Book
Twenty Years After In this first rate romance which is a sequel to The Three Musketeers and was published in 1845 we have
D Artagnan and the three musketeers in the prime of middle life Their efforts on behalf of Charles I are amazing worthy of
anything done when they were twenty years younger All the characters introduced are for the most part historical and they
are all drawn with spirit so that our interest in them never flags A remarkable point in regard to these historical romances of
Dumas is that in spite of their enormous length no superfluous dialogue or long descriptions prolong them Dumas took
considerable liberties with the facts of history in several places as for instance in the introduction of D Artagnan and his
friends to Charles I and in making his trial and execution follow as quickly on his surrender as we are made to believe in
Twenty Years After The story is further continued in The Vicomte de Bragelonne For more eBooks visit www.kartindo.com
