Sherman, 2022-10-20 Aliens They have taken the form of immigrants invaders lovers heroes cute creatures that want our candy or monsters that want our flesh For more than a century movies and television shows have speculated about the form and motives of alien life forms Movies first dipped their toe into the genre in the 1940s with Superman cartoons and the big screen s first story of alien invasion 1945 s The Purple Monster Strikes More aliens landed in the 1950s science fiction movie boom followed by more television appearances The Invaders My Favorite Martian in the 1960s Extraterrestrials have been on screen mainstays ever since This book examines various types of the on screen alien visitor story featuring a liberal array of alien types designs and motives Each chapter spotlights a specific film or TV series offering comparative analyses and detailing the tropes themes and cliches and how they have evolved over time Highlighted subjects include Eternals War of the Worlds The X Files John Carpenter s The Thing and Attack of the 50 Foot Woman The 1990s Teen Horror Cycle Alexandra West, 2018-06-08 Many critics and fans refer to the 1990s as the decade that horror forgot with few notable entries in the genre Yet horror went mainstream in the 90s by speaking to the anxieties of American youth during one of the country s most prosperous eras No longer were films made on low budgets and dependent on devotees for success Horror found its way onto magazine covers fashion ads and CD soundtrack covers Girl power feminism and a growing distaste for consumerism defined an audience that both embraced and rejected the commercial appeal of these films This in depth study examines the youth subculture and politics of the era focusing on such films as Buffy the Vampire Slayer 1992 Scream 1996 I Know What You Did Last Summer 1997 Idle Hands 1999 and Cherry Falls 2000 Work Family History, 1969 Henry Work was born about 1680 and died about 1738 in Lancaster County Pennsylvania **The Choates of Southern Illinois and Related Families**, 2000 Christopher Choate Sr was born in 1660 in England He emigrated in 1676 and settled in Anne Arundel County Maryland He married in about 1686 and had two sons He died in 1692 Descendants and relatives lived mainly in Maryland Virginia Tennessee Michigan and Illinois **United States Law and Policy on Transitional Justice** Zachary Daniel Kaufman, 2016 In United States Law and Policy on Transitional Justice Principles Politics and Pragmatics Zachary D Kaufman explores the U S government s support for or opposition to certain transitional justice institutions By first presenting an overview of possible responses to atrocities such as war crimes tribunals and then analyzing six historical case studies Kaufman evaluates why and how the United States has pursued particular transitional justice options since World War II This book challenges the

legalist paradigm which postulates that liberal states pursue war crimes tribunals because their decision makers hold a principled commitment to the rule of law Kaufman develops an alternative theory prudentialism which contends that any state liberal or illiberal may support bona fide war crimes tribunals More generally prudentialism proposes that states pursue transitional justice options not out of strict adherence to certain principles but as a result of a case specific balancing of politics pragmatics and normative beliefs Kaufman tests these two competing theories through the U S experience in six contexts Germany and Japan after World War II the 1988 bombing of Pan Am flight 103 the 1990 1991 Iraqi offenses against Kuwaitis the atrocities in the former Yugoslavia in the 1990s and the 1994 Rwandan genocide Kaufman demonstrates that political and pragmatic factors featured as or more prominently in U S transitional justice policy than did U S government officials normative beliefs Kaufman thus concludes that at least for the United States prudentialism is superior to legalism as an explanatory theory in transitional justice policymaking *Michigan Ensian* ,1987 **Screen World 1993** John Willis,2000-02-01 Screen World John Willis Screen World has become the definitive reference for any film library Each volume includes every significant U S and international film released during that year as well as complete filmographies capsule plot summaries cast and characters credits production company month released rating and running time You ll also find biographical entries a prices reference for over 2 000 living stars including real name school place and date of birth A comprehensive index makes this the finest film publication that any film lover could own The New York Dramatic Mirror ,1910 *Pope Co, II - Vol III - Pictorial* ,1995-06-15 The Billboard ,1928 **The Open Shelf** ,1929 **Billboard Music Week** ,1943 Princeton Alumni Weekly ,1973 **A Herman Melville Encyclopedia** Robert L.
