Atari to Zelda Mia Consalvo, 2022-06-07 Examining the cross cultural interactions of Japanese videogames and the West from corporate sales strategies and game development to DIY localization by fans In the early days of arcades and Nintendo many players didn't recognize Japanese games as coming from Japan they were simply new and interesting games to play But since then fans media and the games industry have thought further about the Japaneseness of particular games Game developers try to decide whether a game's Japaneseness is a selling point or stumbling block critics try to determine what elements in a game express its Japaneseness cultural motifs or technical markers Games were localized subjected to sociocultural and technical tinkering In this book Mia Consalvo looks at what happens when Japanese games travel outside Japan and how they are played thought about and transformed by individuals companies and groups in the West Consalvo begins with players first exploring North American players interest in Japanese games and Japanese culture in general and then investigating players DIY localization of games in the form of ROM hacking and fan translating She analyzes several Japanese games released in North America and looks in detail at the Japanese game company Square Enix She examines indie and corporate localization work and the rise of the professional culture broker Finally she compares different approaches to Japaneseness in games sold in the West and considers how Japanese games have influenced Western games developers Her account reveals surprising cross cultural interactions between Japanese games and Western game developers and players between Japaneseness and the market

The Legend of Zelda: Majora's Mask Gabe Durham, 2020-10-26 You've met with a terrible fate haven't you Those grim words hang over the entirety of Majora's Mask the sixth entry in the Legend of Zelda series In his darkest adventure Link must relive the same three days over and over again to prevent the moon from colliding into the kingdom of Termina and ending the world Made with a small team in a single year for the Nintendo 64 from the assets of its predecessor Majora's Mask could have been a shameless cash in but instead has gained wide recognition as the most mysterious mature and touching game in the series It's also the Zelda game that has inspired more inventive fan theories and bone chilling internet horror stories than might be expected from a high fantasy adventure Through rigorous research and a new in depth interview with Majora's North American localizer Jason Leung writer and editor Gabe Durham investigates the relationship between Majora's fast paced adaptive development and the meaning projected onto its story by players and shines a light on the strange and tumultuous romance between art and fandom

Manga Cultures and the Female Gaze Kathryn Hemmann, 2020-03-31 The female gaze is used by writers and readers to examine narratives from a perspective that sees women as subjects instead of objects and the application of a female gaze to male dominated discourses can open new avenues of interpretation This book explores how female manga artists have encouraged the female gaze within their work and how female readers have challenged the male gaze pervasive in many forms of popular media Each of the chapters offers a close reading of influential manga and fancomics to illustrate the female gaze as a mode of resistant

reading and creative empowerment By employing a female gaze professional and amateur creators are able to shape and interpret texts in a manner that emphasizes the role of female characters while challenging and reconfiguring gendered themes and issues The Legend of Zelda: Legendary Edition, Vol. 1 Akira Himekawa,2016-11-01 A young boy named Link must defeat evil at every turn on his long perilous quest to find the Triforce and deliver it to Princess Zelda The Legend of Zelda Legendary Edition contains two volumes of the beloved The Legend of Zelda manga series presented in a deluxe format featuring new covers and color art pieces by Akira Himekawa The battle for Hyrule and the Sacred Realm has begun A young boy named Link must defeat evil on his long perilous quest to find the spiritual stones that hold the key to the Triforce and deliver them to Zelda princess of the land of Hyrule Young Link embarks on a perilous quest to find three spiritual stones that hold the key to the Triforce the wielder of which will rule the world Link s plan is to deliver the stones to the Princess of the mystical land of Hyrule Zelda But obstacles abound and his long journey has only just begun The Legend of Zelda: Twilight Princess, Vol. 5 Akira Himekawa,2023-09-26 Midna has been Link s traveling companion and ally since the start of their journey but will her ultimate goal of saving the Twilight Realm drive her away from Link Link s own quest to save Hyrule leads him to seek the advice of Princess Zelda and learn that to defeat the ultimate evil plaguing the world they will need a particular weapon the Master Sword VIZ Media **The Legend of Zelda. The History of a Legendary Saga Vol. 2** Valérie Précigout,2019-02-19 Continue the discovery of the famous game The Legend of Zelda Featuring in the pantheon of video games the Breath of the Wild episode of the mythical Zelda saga is fully covered in this new book Following the first Chronicle volume of a legendary saga this second part focuses exclusively on the episode Breath of the Wild decrypting its references its game system and the inspiration of its developers EXTRACT Starting production on a title that sought to radically redefine the core elements of a franchise as iconic as The Legend of Zelda involved a certain amount of risk for Nintendo To fully understand the situation we feel it is essential to start by determining what was really at stake in this challenging effort by looking at the many promises that The Legend of Zelda Breath of the Wild carried with it from the earliest announcement of its development until the moment it was released With this perspective in mind we will first step back in time to examine any clues potentially found in other recent installments of the franchise as to the creators desire to rethink the game s most basic conventions We will then consider what fans were expecting from this attempt to go back to basics and revive the ambitions of the original Legend of Zelda We will also look at Nintendo s communications strategy by way of the trailers and other official presentations that were used to introduce the game and consider the credibility of Breath of the Wild s claim to innovation in its approach to the open world genre Of course we will also focus considerable attention on director Hidemaro Fujibayashi s history with the series and listen to the development team s thoughts as we attempt to better understand the origins of this latest Zelda game We then close the chapter with a look at initial reactions from fans and video game journalists when the game was first released on March 3 2017 ABOUT THE AUTHOR Better known

by her pseudonym Romendil Val rie Pr cigout spent 15 years as a journalist for Jeuxvideo com Europe s largest video game website A fan of Japanese RPGs she managed to establish herself as an online critic when the Internet was still struggling to keep up with print media She loves manga culture and Japanese leisure activities and shares her impressions about video gaming news at Extralife fr She is also the author of Dragon Ball The Tribute from the Force label at Third ditions and contributes articles to the Level Up book series from the same publisher
