Zen Penguins The Art Of Keeping Chill:

Zen Penguins Jonathan Chester, Patrick Regan, 2016-01-12 What is the sound of one flipper flapping It s a long way from the Zen temples of the Himalaya to the barren icescapes of Antarctica but as this little book discovers the chubby flightless birds of the far south are true masters of the Zen way Their life lessons bring a little lighthearted enlightenment to us all The obstacle is the path Live the life in front of you Be Still Stay Chill What better creature to teach us to live in the moment and be flexible and chill out so we won t flip out than the biped birds at the bottom of the earth Penguins are intuitive practical and cooperative they naturally know the art of keeping chill Jonathan Chester s renowned penguin photography whimsically illustrates the sage Zen wisdom presented here in every enlightened spread With their preternatural composure it s easy to imagine penguins as little Zen masters They are patient tolerant aware of their surroundings and live in the moment all tenets of the Zen philosophy A penguin s life is not an easy life and yet the Zen masters of the Antarctic waddle on What can they teach us As this little book shows quite a lot actually To endow animals with human emotions has long been a scientific taboo But if we do not we risk missing something fundamental about both animals and us Frans de Waal
