*Spiritual Grit* Rick Lawrence, 2018-04-24 Why do some people thrive in the midst of great challenges and others don't? The answer is grit, the strength that fuels a scrappy response to threats, fear, confusion, and pain. But grit is more than a personal success tool. Without a passion for Jesus and practical ways to develop grit, it's doomed to disappoint. *Spiritual Grit* seeks a better outcome by delving into why Jesus sometimes chooses to inject hardship into our lives rather than remove it. The book also includes ways to access the strength needed to live a resilient life through a dependent relationship with Jesus. Biblical stories of those who grew a grit backbone through their interactions with Jesus. An extensive menu of life habits that fertilize grit, plus a method for identifying habits that undermine it. A way for readers to assess their own spiritual grit. Without Jesus, grit is little more than a gimmick. With Jesus, grit can infuse the world and our lives with hope. [Spiritual Stamina](#) D. Stuart Briscoe, 1988

*Sacred Endurance* Trillia Newbell, 2023-11 God promises to finish the good work he began in us, but that doesn't come without bumps in the road. Life can be hard, faith can waver, and distractions abound. Too many today are at risk of compromising their integrity or giving up on their faith. How can we persevere to the end? Trillia Newbell, a fellow struggler on the journey, offers encouragement and hope for us to run the race well. While life may be full of challenges, we have a true and real hope in Jesus, who provides us with what we need to endure through pain and doubt. Newbell shares theological insights and practical disciplines to train us for faithful, godly living over the long haul. The race is hard, but you are not running it alone. Find strength and courage here to endure and finish well.
