VOICE OF GODS

A golden eagle with its wings spread wide, flying across the cover. The eagle is holding a circular mirror in its talon. The mirror reflects a classical building with columns, possibly a temple or a palace. The eagle's feathers are detailed with a golden-yellow color.

Extracted Out of the Royals Edicts, Regulation of the Marshals, and Records of Parliament ... Sir Richard Steele,1720 *Ancient [Destroyers Series, Book Five]* Holly Hook, AS IF BEING A LITERAL WALKING DISASTER ISN T BAD ENOUGH With her bio mother now an insane storm goddess Janelle and her friends have no choice but to seek out Huracan the ancient Mayan god of storms to combat her And that won t be easy Huracan is an old god who craves power and human sacrifice and handing over power to him could be worse than anything they ve faced so far But Janelle and her friends are determined to end their nightmare no matter what the cost And unfortunately that cost could be the world

The Destroyers Series Complete Series Box Set Holly Hook,2025-11-13 This complete series box set includes all five books of the Young Adult Destroyers Series Tempest Inferno Outbreak Frostbite and Ancient This is a young adult fantasy book series centered around gods magic and natural disasters Book One Lies secrets and a terrifying force within await Janelle in paradise Moving to Florida should have been simple start a new high school make new friends join the honor society and make her strict father proud But instead she watches a mysterious boy materialize out of a dying hurricane Gareth is cute running from something and has a spiral birthmark on his arm that matches Janelle s own And there s

something dangerous about him she can't put her finger on But Gareth isn't the only one who isn't normal As strange things happen around Janelle and an ominous force stirs within she needs answers her suddenly distant father won't give Without a mother and betrayed by her father her only desperate hope for the truth is Gareth And it's horrifying An unspeakable nightmare is screaming closer and if Janelle doesn't escape she'll kill innocent people Nothing will be sane or orderly again For the first time in Janelle's life she's breaking the rules But running away might not be enough Gareth is also fleeing and those who pursue him also have their sights on Janelle Told from the point of view of five different characters this is the conclusion to the Destroyers Series *The Church. Homosexuality. Human Rights.* Ohenewaa Danso, 2024-04-24 This book was delivered to me in one word separation I felt it drop in my spirit like a coin I asked in my meditation what about separation what about it The answer is what you have in your hands now reading The title The Church Homosexuality Human rights hardly made any complete sense to me until I was able to liaise it with the mother word separation The title is punctuated for a purpose each of the three nouns is supposed to be a full separate and sovereign entity I mean each is because each exists However the reality of society and relationships challenges this persuasion and thus leaves the reader even me to figure out whether it's worth any effort to marry these sovereign bodies or not The writer's style is passably argumentative it is purposed to allow the reader release him/herself into the billowing wave of opinions and facts on the subject so as to arrive at the shore of conviction that is very personal and independent in nature One could agree or disagree with me when I say that the of the three bodies constituting the title human rights cannot be recognized as a sovereign entity because it is owned by others all humans for that matter The same claim cannot be made for the remaining two Church is a person wife and sovereign homosexual is a person and sovereign Human rights therefore exist only as the middleman mandated to oversee the peaceful coexistence of the two But how is this peaceful coexistence to be attained rather organically For a start the middleman has asked the church and the homosexual to move a step away from entrenched positions identities and ideologies to the common floor of united sovereigns Tolerance is the only way out says the middleman But will the two commit to this tolerance method or like some contracting states of the UN will they resort to the game of unfaithfulness it's human right when it suits us and when it's convenient to get by Whatever your view whatever your prevailing conviction whatever your deeply held belief and whatever your well thought through stance regarding the marriage of the two sovereigns that is what this book in essence is about taking a stand
