Voices From The Harem Human Trafficking Series Book 3:

Voices from the Harem Nancy Hartwell Enonchong, 2016-11-29 Reviews for *Voices from the Harem* If you are the parent of a teenage girl you should put this book on your must read list It is a fascinating but extremely disturbing collection of anecdotes from girls who describe how they wound up in a slave harem One reviewer said that there was too much fantasy but I think she completely missed the point A number of girls have gone insane and have retreated into fantasy worlds where they feel safe because they could no longer deal with their real lives locked away forever in a harem Carmen F This was an unexpected treat because I wasn't sure about what I was getting into All 111 girls in Prince Ibrahim's Il Giardino Posteriore harem tell their own stories of how they wound up in the harem and what they think about it Some of them tell really spooky stories about where they had been before like the girl who used to belong to a guy who flunked out of medical school but bought slaves so he could operate on people anyway Of course most of them died but he got to indulge his desire Or the one who had been in a mad scientist's laboratory and he would run bizarre experiments on the unfortunate victims there Touching moving heart breaking stories Marie C This is an excellent book describing the dreary unrewarding life of Harem Slaves Their personal stories of how they got there is both riveting and also horrifying At times it left me shaking my head in bewilderment when some of these women described their feelings towards their enslaver A fascinating read even on its own Flavius J Horribly heartrending Jamie R I cannot believe this still goes on to this day Gripping unbelievable but most of all heart breaking I wish there was more being done to combat this Natalie S Some of the women in the harem are ones that were also ones who were killed at the Rodeo in horrible ways Some girls were killed after only being in the harem a few months for poor performance because they had trouble adjusting to having been kidnapped from their families and country Prince Ibrahim killed a girl a month just because he could Some of the women had gone quietly insane after years of being cooped up in a pretty cage with no way out Karbie *Forthcoming Books* Rose Arny, 2002 [Harem Slave](#) Nancy Hartwell Enonchong, 2014-08 Inspired by actual events inspiring and enlightening Ann B A heart wrenching but inspiring tale of courage resilience and human survival Beautifully written Jane R A must read Tammy refuses to surrender and no matter what they do to her her spirit is not broken Rachel M The suspense is intense A sad story but extremely well written Marie C This book really took me by surprise It's fundamentally a horror story a fascinating psychological study of what slavery does to the victim and to her owners An unflinching look at human trafficking carried out with finesse and grace Kristin W I stayed up reading this book until five a.m. then called in sick so I could finish it I simply could not put it down Best book by far I have ever read Chad K A fantastic book on a terrifying topic I just wanted to curl up somewhere and keep reading Fell in love with the gutsy heroine Doug H I didn't want to put this book down even long enough to eat A revealing and restrained treatment of an explosive topic Riveting John H This book made me cry and shook me to the core I was moved beyond words Leigh I simply could not put this book down and polished it off in one day The heroine's amazing strength of character and good

heart shine through on every page Cathy D *Behind Her Smile* Andre Harris,2021-02-10 Monsters often go unseen I want to reveal them This book shows the destructive results of adolescent rape and human trafficking The ultimate goal is to give the victims a voice power and the strength to seek help while regaining control **One Thousand Elsewhere** Keeya Vawar,2022 Every year more than 300 000 youth are victims of human trafficking and sexual exploitation across the United States What s scarcely known is that Black Girls are disproportionately at risk of being trafficked and their stories often go untold for reasons far more complicated than mere reporting or statistical oversight She was given the opportunity to escape the abusive and tumultuous home life and faced with the prospect of meeting some of the biggest and most influential names in the music industry She was presented with the possibility of creating the life she always wanted 16 year old Keeya found herself on a Greyhound bus to Atlanta Georgia in the Spring of 1992 Lured into a life of debauchery and exploitation that would leave her hollow and disaffected for years to come she survived One of the most harrowing accounts of the reality of juvenile abuse and victimization ever told One Thousand Elsewhere takes you into a world where innocence is traded for survival where trust is sacrificed on the altar of instinct and where love and safety are dreams scarcely obtained Few have come out of the shadows to tell their truth and fewer even would dare divulge the kind of raw and unforgettable details shared here by Keeya Vawar In this brave account of a survival story Keeya leaves readers mesmerized and on the edge of their seats as she details the incredible twists and turns on the unforgettable path that led to ultimate freedom One Thousand Elsewhere will etch an indelible inscription on the walls of the heart and soul of anyone who dares to indulge in this triumphant true story Turned Out Lisamarie Thomas,2020-06-12 An Original Memoir The True Story of Lisa Marie Thomas a bright 21 year old African American girl After leading a life filled with tragedy she searches for something the only thing she now knows is survival Based in Atlanta Ga the novel Turned Out portrays the darkness underneath a beautiful cityIt would take one young woman s courage to figure out how to escape the grip of a human trafficking ring It would take much more determination and faith to keep a strong mind for the child that she was given to protect
