War With Hannibal Authentic Latin Prose For The Beginning Student

RJ Alexander

War With Hannibal Authentic Latin Prose For The Beginning Student:

War with Hannibal Brian Beyer, 2008-11-24 This edition of Book III of Eutropius's *Breviarium ab urbe condita* is designed to be a student's first encounter with authentic unabridged Latin prose. Written in a simple and direct style, the *Breviarium* covers the period of Roman history that students find the most interesting: the Second Punic War fought against Carthage and the original Latin text is supplemented with considerable learning support. Full annotations on every page, detailed commentary on grammar and syntax, and a glossary designed specifically for the text allow students to build both their confidence and their reading skills. The commentary in the back of the book is cross-referenced to the following commonly used textbooks: Wheelock's Latin 6th Edition, Latin An Intensive Course by Moreland and Fleischer, *Ecce Romani* II 3rd Edition, Latin for Americans Level 2, Jenney's Second Year Latin, Allen and Greenough's New Latin Grammar. Macrons have been added to the entire text in accordance with the vowel quantities used in the Oxford Latin Dictionary. Additional resources include an unannotated version of the text for classroom use, supplementary passages in English from other ancient authors, and appendixes with a timeline of events and maps and battle plans. The text may be used in secondary schools and colleges as early as the first year of study. The copious translation help notes and cross references also make it ideal for independent learners.

Legends of Early Rome Brian Beyer, 2015-08-14 In this text for upper beginner and intermediate students, Brian Beyer collects authentic Latin prose from Book I of Eutropius's *Breviarium ab urbe condita*, which covers Roman history from its foundation to the sack of Rome by the Gauls. Eutropius's easy style and accessible vocabulary make his *Breviarium* ideal for students transitioning from the simplified Latin of a first year textbook. Bottom of the page glosses passages in English from the Roman historian Livy, a running commentary on grammar and syntax, historical notes, and compiled vocabulary allow students insight into the foundational myths of ancient Rome and the historical context of Eutropius's narrative.

Cornelius Nepos, Life of Hannibal Bret Mulligan, 2015-10-05 Trebia, Trasimene, Cannae. With three stunning victories, Hannibal humbled Rome and nearly shattered its empire. Even today, Hannibal's brilliant if ultimately unsuccessful campaign against Rome during the Second Punic War, 218-202 BC, makes him one of history's most celebrated military leaders. This biography by Cornelius Nepos, c. 100-27 BC, sketches Hannibal's life from the time he began traveling with his father's army as a young boy through his sixteen-year invasion of Italy and his tumultuous political career in Carthage to his perilous exile and eventual suicide in the East. As Rome completed its bloody transition from dysfunctional republic to stable monarchy, Nepos labored to complete an innovative and influential collection of concise biographies. Putting aside the detailed chronological accounts of military campaigns and political machinations that characterized most writing about history, Nepos surveyed Roman and Greek history for distinguished men who excelled in a range of prestigious occupations. In the exploits and achievements of these illustrious men, Nepos hoped that his readers would find models for the honorable conduct of their own lives. Although most of Nepos's works have been lost, we are fortunate to have his biography of

Hannibal Nepos offers a surprisingly balanced portrayal of a man that most Roman authors vilified as the most monstrous foe that Rome had ever faced Nepos straightforward style and his preference for common vocabulary make Life of Hannibal accessible for those who are just beginning to read continuous Latin prose while the historical interest of the subject make it compelling for readers of every ability

The Devil Knows Latin E. Christian Kopff, 2014-05-27 The Devil Knows Latin is a provocative and illuminating examination of contemporary American culture Its range is broad and fascinating Whether discussing the importance of Greek and Latin syntax to our society examining current trends in literary theory education and politics or applying a classical perspective to contemporary films Christian Kopff Professor of Classics at the University of Colorado is at home and on the mark He outlines the perils and possibilities for America in the coming decades with learning and verve demonstrating that the highway to a creative and free future begins as a Roman road
