Inside the Cold War From Marx to Reagan Sven F. Kraemer, 2015-09-16 A long time U S policy insider s scholarly and encyclopedic history with unprecedented analysis of the official documents of the Cold War explores its Marxist Leninist totalitarian roots faltering pre Reagan U S strategies of Containment MAD and D tente and the Reagan Revolution This book details Reagan s integrated new strategies in defense arms control diplomacy information and intelligence and support for the faiths and forces of freedom that collapsed the Soviet ideology and empire **A Jew's Best Friend?** Phillip Isaac Ackerman-Lieberman, Rakefet Zalashik, 2013 The dog has captured the Jewish imagination from antiquity to the contemporary period with the image of the dog often used to characterize and demean Jewish populations in medieval Christendom This book discusses the cultural manifestations of the relationship between dogs and Jews from ancient times onwards New York Magazine , 1989-01-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Subject Catalog, 1981 Library of Congress, 1981 Subject Catalog Library of Congress, 1981 **The Vanishing Tradition** Paul Gottfried, 2020-07-15 This anthology provides a timely critical overview of the American conservative movement The contributors take on subjects that other commentators have either not noticed or have been fearful to discuss In particular this collection of searing essays hits hard at blatant cult of celebrity and intolerance of dissent that has come to characterize the conservative movement in this country As The Vanishing Tradition shows the conservative movement has not often retrieved its wounded instead dispatching them in order to please its friendly opposition and to prove its moderateness The movement has also been open to the influence of demanding sponsors who have pushed it in sometimes bizarre directions Finally the essayists here highlight the movement s appeal to permanent values as a truly risible gesture given how arduously its celebrities have worked to catch up with the Left on social issues This no holds barred critical examination of American conservatism opens debates and seeks controversy *Daily Graphic* Elvis D.
