

SPIRITUAL WARFARE PRAYER VERSE

PSALM 91

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust."

Surely he will save you from the fowler's snare and from the deadly pestilence. He will cover you with his feathers, and under his wings, you will find refuge; his faithfulness will be your shield and rampart. You will not fear the terror of night, nor the arrow that flies by day, nor the pestilence that stalks in the darkness, nor the plague that destroys at midday.

A thousand may fall at your side, ten thousand at your right hand, but it will not come near you. You will only observe with your eyes and see the punishment of the wicked.

If you say, "The Lord is my refuge," and you make the Most High your dwelling, no harm will overtake you, no disaster will come near your tent. For he will command his angels concerning you to guard you in all your ways; they will lift you up in their hands so that you will not strike your foot against a stone. You will tread on the lion and the cobra; you will trample the great lion and the serpent.

Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name. He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him.

With long life, I will satisfy him and show him my salvation."

Amen

Although we know that how much time and consideration we have given to really understanding this thing called prayer, building a strong prophetic prayer life and understanding spiritual warfare through prophetic prayer is very important. One of the most effective strategies of Satan is to keep believers ignorant of his devices. Paul said it is important to know Satan's strategies. Lest Satan should get an advantage of us for we are not ignorant of his devices. II Corinthians 2:11 We should learn all we can about Satan's strategies of attack and how to counter attack it. We must also understand the Scriptural basis of victory over Satan and the forces of evil. We are called to intelligent combat.

Douglass Geivett,Holly Pivec,2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture
